A Guide to the Archival Collection of

The Ethics Advisory Board

March 2016

Bioethics Research Library
Joseph and Rose Kennedy Institute of Ethics
Georgetown University Washington, D.C.
The Archival Collection of *The Ethics Advisory Board* maintained by the Bioethics Research Library, Georgetown University spans from the years 1978 to 1979 and contains 1.66 linear feet of materials. The archive encompasses 5 boxes and includes published transcripts of the meetings held by the board, as well as several subject folders from the work of the board.

Please note that meeting VIII of The Ethics Advisory Board is not in order with the other meetings. The published report is held by the Bioethics Research Library as part of its general collection. A copy of this meeting can be found in Box 5 of this archive.

Also note that duplicate copies of some of the published transcripts and hearings are included in this collection. Due to the rarity of the materials these duplicates have been saved to ensure a physical copy is available to researchers in the future.

This finding aide has been produced to answer frequently asked questions about *The Ethics Advisory Board* and provides researchers a base by which to begin their exploration of the contents of the collection. The final report of the board is available on Digital Georgetown and can be accessed by using this link: https://repository.library.georgetown.edu/handle/10822/559350

A permanent link to this guide has been created and will be maintained on DigitalGeorgetown.
