A Guide to the Archival Collection of

The New Jersey Bioethics Commission

March 2016

Bioethics Research Library
Joseph and Rose Kennedy Institute of Ethics
Georgetown University Washington, D.C.
The Archival Collection of *The New Jersey Bioethics Commission* maintained by the Bioethics Research Library, Georgetown University spans from the years 1986 to 1992. The archive encompasses two boxes and includes published transcripts of the meetings held by the State of New Jersey Commission on Legal and Ethical Problems in the Delivery of Health Care. Many of these meetings also were held as public hearings as part of different ad hoc groups looking at specific issues such as living wills and new reproductive technologies.

This finding aide has been produced to answer frequently asked questions about *The New Jersey Bioethics Commission* and provides researchers a base by which to begin their exploration of the contents of the collection.

A permanent link to this guide has been created and will be maintained on Digital Georgetown.
