LEO J. CASEY WEDS CRIPPLED G. U. ELEVEN SCORES VICTORY OVER BUCKNELL

LEO J. CASEY WEDS IN HARTFORD, CONN.

Former Editor-in-Chief of The Hoy Married Last Saturday.

Leo J. Casey, former editor-in-chief of The Hoy and life president of the class of '21, and one of the biggest sportsmen on the campus, was married last Saturday at St. Joseph's Cathedral, Hartford, Conn., by Rev. Monsignor Thomas S. Duggan. Thomas J. McHugh, '22, of Montclair, N. J., was best man, while Miss Jennie E. Maxfield, of Hartford, was bridesmaid.

After the ceremony there was a reception and breakfast at the Hotel Bond, Hartford. Mr. and Mrs. Casey will be at home after December 1 at 94 Homestead avenue, Hartford.

HILLTOP RIFLE TEAM MAKES GOOD START IN FIRST MATCH

Captains Comstock

The annual University Prom will be held Friday evening, December 1, at the City Club on G Street, under the auspices of the Georgetown University Athletic Association. It is the hope of the athletic association to decrease the large debt which has been its chief worry for the past few years and with the cooperation of the entire university this can be accomplished.

The dance will commence at 9:30 and continue until 2 and the music for the functions will be furnished by Boerner Stein. The tickets for the Prom may be purchased for eight dollars at the college store or at the office of the assistant dean of the Law School, and from the book store of the Law and Foreign Service Departments, respectively.

It is hoped that the entire student body of the university will support this undertaking and in this way assure the success of the occasion.

The committee in charge are working to make this the biggest and best of all the big social functions of the season and are worthy of the support of all departments of the university.

The committee is composed of Doctor McCarthy, an Alumni member of the Athletic Association; Robert C. McCann, president of the Athletic Association, and Francis M. Moroney, secretary of the Athletic Association.

The Hoy Married Last Saturday.

LEO J. CASEY WEDS CRIPPLED G. U. ELEVEN SCORES VICTORY OVER BUCKNELL

HILLTOP RIFLE TEAM MAKES GOOD START IN FIRST MATCH

SPECIAL LECTURES AT FOREIGN SERVICE

Prof. Learned and Mr. Wright to Be Speakers—First, on Dec. 5, Open to Public.

Two special lectures to be given at the Foreign Service school are announced by the secretary, Thomas H. Healy. The first, which will be substituted for Baron Korf's regular Tuesday lecture on December 5, will be given by Professor Henry B. Learned, Ph. D. Professor Learned is a distinguished historian, having been formerly lecturer in history at Harvard and at Leland Stanford University. He is the author of several works on historical topics and at present a member of the District Board of Education. This lecture will be open to the public.

The second lecture will be given before the class in comparative government by Mr. Herbert F. Wright, '11, who is editor of Publications for the Carnegie Foundation. Mr. Wright has made a special and exhaustive study of European government constitutions and the changes brought about by the war. His lecture will describe these changes and the influence of the American ideals of democracy on the new documents. Foreign service students who have no class at the time of this lecture are invited.

RIFLE TEAM MAKES GOOD START IN FIRST MATCH

Shoots 496 for N. R. A. Competition—Burke Leads With Perfect Score.

The Hilltop Rifle team is off to a flying start this year and is already doing a great deal of work in preparation for coming meets. There are two teams representing the Hilltop in this branch of sport and from present indications Georgetown will be represented this year by one of the best teams in its history.

Last week the two teams entered in the N. R. A. shoot and made a very creditable showing for the first competition of the year. The first team, composed of seven firing members, turned in a score of 496, which places one of the first five in the meet.

Joseph A. Burke led the first team with a perfect score of 100. Burke is a freshman and, as this is his first attempt at competitive shooting in college ranks, a great deal is expected of him.

Continued on Page Six.
President Kane of the class of '23 in his first official act, lived up to his famous campaign slogan of 100 per cent for the Golden Jubilee Class, by choosing a committee of 35 to handle the class smoker, which is the first social activity of the school year. In choosing the committee, Mr. Kane recognized each and every fraternity and fraction at the school, the efficiency qualification not requiring serious consideration, as every man in the Senior class is efficient when it comes to smokers, as past history has shown.

As a result of such a coalition committee, harmony is insured and the members of the class have very good reasons for looking forward enthusiastically to a banner smoker.

Mr. Rudolph F. Johnson, one of the most popular men in the school, has been appointed general chairman and the subcommittees have been divided as follows:

**Entertainment**—John S. White, chairman; E. J. McCarthy, J. P. Burns, W. J. Brennan, D. Long.

**Music**—John Daly, chairman; S. J. Garrity, G. A. Moskey.

**Decoration**—Jennings L. O'Connor, chairman; J. F. Carney, F. D. Foley, J. P. Radigan.

**Pastors**—John S. Higgins, chairman; Howard Ameigh, J. A. A. Sedillo, L. A. Weisard.

**Holidays and Refreshments**—S. R. Golibart, Jr., chairman; R. L. Kinsely, L. E. Hunter.

**Finances**—D. F. Hickey, chairman; W. J. Italiano, A. S. Tingley, T. E. Leaven.

**Publicity**—Robert B. Bender, chairman; S. E. Merriano, S. M. Boyd, V. W. Dennis, W. B. Nairn.

**Smokes**—Proctor H. Page, chairman.

**Invitations**—Bernard A. McGuinness, chairman; L. D. Yudkin, D. F. Griffin.

LEO CASEY WEDS IN HARTFORD

Continued from Page One

Mr. Casey, while at Georgetown, founded The Hoya with J. R. Mickler '20, and was college editor-in-chief of Ye Domesday Booke, and contributing editor of the Journal. He was president and organizer of the publicity bureau in his junior year and sporting editor of the new extinct "Hilltopper." In his senior year he won the Merrick debate and medal, considered the most coveted prize in the University. As editor-in-chief of THE HOYA he inaugurated the custom of getting play by play reports of football contests by leased wire to the college. At graduation he wrote and delivered the class ode.

Rifle Team Makes Good Start

Continued from Page One

this season and present indications are that by January 15, when the dual meets start, the team which will represent Georgetown in the shooting department will be one of the best in collegiate ranks.

Students from the downtown schools have put in an appearance and will be eligible for the team this year. They will greatly strengthen the team as there is some fine material available from this source.

Although a large schedule will be arranged by the management, which will include the best teams in the country, Georgetown stands a fine chance of winning the intercollegiate honors on the range this year.
NEW YORK LAW CLUB

HAS MANY MEMBERS

Officers Elected — Organization Active in Study and Social Affairs.

For some time past it has been the boast of the Georgetown Law School that every state in the Union is represented by a state law club. One of the largest and most prominent of these organizations is the New York State Law Club with a membership of approximately one hundred.

This year the club has gotten under way with men who are real leaders for its officers and it is to be congratulated on having such men as Mr. J. W. Craig, president; Mr. W. J. Doyle, Jr., vice-president; Mr. J. E. Besterman, secretary and treasurer, for such officers are the best possible guarantee of the success of any organization.

Plans have been made and perfected for a more extensive study of New York law and procedure illustrated with lectures by prominent members of the New York and District bar together with work in the New York Moot Court.

The social activities will consist of the usual smoker and dances and the year will terminate with the annual banquet.

P. S. STUDENT COUNCIL.

A uniform rule for class elections in the Foreign Service school was the chief topic of discussion at the first meeting of the student council last Thursday. The opinion expressed was that at present the lack of any systematic method for holding class elections results in delay and inefficiency in operation of class activities. A committee consisting of Karl Albrecht, Julian Foster and Frank Tracy, chairman, was appointed which will make a report on November 28 concerning the new rules.

Plans for department publicity were also discussed, and the council plans to make some definite announcement concerning these next week. Those present at the meeting included Dean, Roy S. McAlwane, secretary, Thomas H. Healy, John Matter, Julian Foster, Karl Albrecht and Ewell Murphy.

FOREIGN SERVICE NOTES.

Anthony Kenkel, assistant in economics at the Foreign Service school, was presented with an heir last week at the Georgetown University Hospital.

John W. Wise, of the second year class at the Foreign Service school, is the proud father of a son, born last week at Georgetown University Hospital.

Reverend W. Coleman Nevils, S. J., the rector of the Foreign Service Department of the University, has left the University for ten days. Father Nevils will make his annual retreat while away, and will visit several eastern cities in the interest of the Endowment Foundation.

TAU EPSILON PHI HOLDS FIRST DANCE OF SEASON.

Pi chapter, Tau Epsilon Phi, of the "bunch" school, held their first dance of the season on Tuesday evening at their beautiful home on Columbia road. The tasteful decorations and delightful music arranged for by the chairman, Mr. Sam Merriam, rendered the brilliant affair a decided success.

PHI ALPHA DELTA

HOLDS DINNER

Successful Social Function At Arlington Hotel Last Saturday.

Taft Chapter, Georgetown University, held an informal dinner on Saturday evening at the Arlington Hotel, at which the chapter entertained a number of guests. The dinner was concluded by some timely talks from members of the Active and Alumni chapters. Brother Justice J. G. Sullivan acted as toastmaster and introduced the following speakers: Ex-Supreme Historian Mason Welch, Ex-Justice H. F.Bucket, Vice-Justice Sheldon Carr, Attorney Neil Buckingham, J. L. O'Connor and N. E. Martindale.

Attorneys Welch and Buckingham re- cited for the benefit of the guests a brief history of the fraternity and of the local chapter. Phi Alpha Delta was the first Greek letter fraternity officially recognized at Georgetown, and Taft Chapter has the distinction of numbering on its rolls three Presidents of the United States, General John J. Pershing and Chief Justice William Howard Taft, from whom the chapter derived its name.

GAMMA HAD UNIQUE MASQUERADE PARTY

Now that Halloween has come and gone it is about time to decide who won the Masquerade party championship for the year 1922.

Gamma Eta Gamma had a unique feature in the method used to escort the ladies to the K. street quarters on October 31. Each person was identified by a playing card and no lady was escorted by the person from whom the invitation was received, and when the request to unmask came there were many pleasant surprises for all.

The music continued until 2 a.m., refreshments were served and the party was very successful.

ARMISTICE NIGHT DANCE AT DELTA CHI.

Delta Chi celebrated Armistice night by holding a very successful dance at their beautiful home, 2000 Sixteenth Street. The hall where the dance was held was well decorated with the allied flags and the Star Spangled Banner and the music for the occasion was supplied by a ten-piece orchestra.

The success of the affair was largely due to the committee in charge.

the cry was for a
The coming Saturday at Braves' Field, Boston, the Hill-
toppers will be confronted with as worthy a foe as has faced them this year. Boston College, under the tutelage of Major Frank Cavanaugh, has a strong team. The Eagles this year have been defeated twice, by Detroit and Lafayette, but they have flashed such power and strength in their contests that they are a truly representative team of Georgetown's great rival. Fordham felt the talons of the Eagles by practically the same score as the Holy Cross victory over the New Yorkers.

In the history of Georgetown-Boston College games the outstanding feature of the three years' rivalry has been the great fighting spirit of the teams no matter what the odds. The slim margin of a drop-kick decided the first game in 1919. In the following year Georgetown, facing a vastly superior team in the Eastern champions, went down fighting by a one-sided score. Last year the Cammen waged an up-hill struggle, but were forced to take the short end of the verdict. This year, for the first time since 1919, both teams will take the field with but little difference in football power and strategy. It should be a battle royal, one to test the mettle of both teams and most certainly, as is always the case on these occasions, one in which fight and grim determination will be the keynote of victory.

Midst the cheers of the thousands and the din of the battle on the white lines of the gridiron a miniature contest will be staged between the rival coaches. For Saturday's game will be "the rubber," as it were, of a series of conflicts between teams coached by Exendine and Cavanaugh. It was back in that never to be forgotten year of 1916 when the two first met. At the Haverhill Stadium the Indian mentor won out over Cavanaugh's Dartmouth eleven, 10-0, in one of the greatest triumphs in football annals. The war put a halt to further rivalry. But in 1919, on the field at The Eagle's Cave, evened the score with a 10-7 victory over the Blue and Gray. The follow-
ing year his Eastern champions put him in the lead with another victory over Exendine's charges. The count was evened last fall, however, when the Hilltoppers gained a 14-10 verdict. The result of the battle will mean victory for Exendine and defeat for Cavanaugh, or vice versa. Our support and that of everyone at Georgetown is with the Indian mentor. But what is more, we have the confidence that his charges are battling to the utmost for a victory.

The Hilltop at the present time is enveloped in a maze of football atmosphere the like of which has never been seen here before. For last Saturday was "The Turning Point"—a down-

Our attention was called to a matter recently that at first we were inclined to reject as a falsehood or, more sincerely, as a joke. We were informed that some of the Hilltop residents who had bor-

There is hardly any need for our going into any lengthy discourse on the rank injustice or contemptible lack of respon-
sibility for this action. For the ordinary person lack of responsibility is an un-
fortunate affliction; for the college man with his supposed training, department, and general carriage which is the pride of every gentleman, absence of this quality is an unpardonable failing. We have no place at Georgetown for such despicable characters and though we are at a loss for a means to rid ourselves of them, we can only be on the alert for their misgivings in the future.

When it becomes necessary for the Athletic Association to demand a guar-
antee for the loan of football uniforms from its own members and students of Georgetown it is high time that some decisive step be made to better present conditions. Obviously there is a world of opportunity for improvement in the general conduct of some of the stu-
dents here; the present matter should be the last straw, and before the camel's hack is broken the better element of the student body, who are very much in the majority, should take it upon themselves to better conditions. It is purely a matter of student control and unless you wish to suffer any more grievous inconveniences during your stay here you should act at once. There is no altern-
tive, and we hope you will look the matter square in the face.

UNIVERSITY PROM.

"Support, support, support, it's just one thing after another," the cynic will say, but when it's all said and some-
times done, there is no looking over the fact that your interests are at stake, and the way we treat them will benefit or suffer accordingly. Under the auspices of the Georgetown Athletic Association the annual University Prom is to be conducted the night of December 1, the eve of the game with Lafayette, at the new City Club, the proceeds of which are to be used toward clearing up the heavy debt of the A. A.

The benefit affairs have been undertaken and carried out at Georgetown for several years past. In every instance the results have been a direct benefit to everyone interested in Georgetown. Not so many years ago the cry was for a better schedule in football. The Ath-
etic Association, heavily indebted but strengthen by your support in these appeals for finances, has made good its promises to put first-class teams on the gridiron. In the course of the season big steps have been taken for your benefit. The one-year rule is the most striking instance we have at hand; its benefits are obvious; surely it is the greatest stroke for the betterment of athletics at Georgetown ever made.

For our part, and we feel that we are expressing the sentiment of every Georgetown supporter, we hope that this good work will be continued, that our schedules will be stronger and better, that every phase of Georgetown activities will be a success. But for these things to materialize, to bring the results that like snowballs the enthusiasm and making money is needed. Sufficient it to say that the com-
ing event is for the benefit and futh-

We feel that there is no need of ex-
houring you to support the project. Let us hope that your good work in this regard will continue without any let-up for the remainder of the year and, for that matter, while you are connected with Georgetown.

CLIPPING THE EAGLES' WINGS.

The Georgetown eleven awakened from the spell of lurking defeat brought about by multiple injuries and a much-battered squad turned in a truly re-born game. In fact, when Buckne-
nell's scrappy team, heralded far and wide as a sterling aggre-
gation, went down to defeat by a much larger score than Navy or Pitt could inflict on the Lewisburg collegians and found "The Turning Point" in the road of failure. Minus four regulars and carrying the scars of three hard battles the Blue and Gray fought with a will that could not be overcome, and their in-
domitable spirit saved the day and the victory for Georgetown.

The coming Saturday at Braves' Field, Boston, the Hill-
toppers will be confronted with as worthy a foe as has faced them this year. Boston College, under the tutelage of Major Frank Cavanaugh, has a strong team. The Eagles this year have been defeated twice, by Detroit and Lafayette, but they have flashed such power and strength in their contests that they are a truly representative team of Georgetown's great rival. Fordham felt the talons of the Eagles by practically the same score as the Holy Cross victory over the New Yorkers.

We're with you to a man. Georgetown and Exendine, win or lose. The Eagle will shriek and his talons will work havoc with you, crippled as you are, but you cannot lose if you are yourselves, and we look for victory for Georgetown and Exendine.
RYAN DEFEATS NORTH
IN GRIDIRON CONTEST
Third Inter-Hall Football Game
Full of Excitement.

The third inter-hall game of the season took place last Sunday morning on the Boundary field, when the powerful pigskin pushers from Ryan Hall dimmed the original huskies of the "Northmen Lights." When the bloody dust had settled, the statistics showed Ryan to be on the long end of a 16-0 score. Though the Ryanites proved the stronger, the throng of eager spectators were given an excellent exhibition of football by both elevens.

Following the kickoff, an exchange of punts found the leather oval in North's possession near midfield. The ball worked back and forth near midfield, as the respective lines proved adamant.

The second half started off in much the same way as the first. The ball moved back and forth near midfield, as the respective lines proved adamant. Ryan made a neat pass that netted 20 yards, and then sent her backs plunging through the line for substantial gains. Kinally again escorted the leather spheroid over the last white line. Brooks' educated toe tossed over the extra point.

When the bloody dust had settled, the spectators were given an excellent exhibition of football by both elevens.

HYPNOTISM DISCUSSED
BY FATHER HILL
Third Monday Lecture Deals
With Interesting Subject.

"Hypnotism," as outlined by the Rev. Owen A. Hill, S. J., of Georgetown, proved the stronger, the throng of eager spectators were given an excellent exhibition of football by both elevens.

As an aid to order and a systematic study of the subject, Father Hill, in opening his talk, made division of the matter and first dwelt upon the definition and description of hypnotism.

As defined by the lecturer, hypnotism is a "weird kind of sleep in which all the senses are asleep except that of hearing. " The reaction of sleep," he added, "is akin to that of intoxication." Father Hill then went on in detail account to show the parallelism. The phenomena of hypnotism was secondly treated upon, the deception of the senses, obedience to the operator and fraud and evil spirits receiving subdivision under this department. At this point Father Hill remarked that "the whole grounds of hypnotism rely on the principles of scholastic philosophy, i.e., man's mind derives ideas from the senses and man's wishes derive from the thoughts." To assure the assertion it was parenthetically reminded that "what the eye never sees the heart never craves for."

Hypnotic sleep, as the third division, received full explanation and the methods of it's production were enumerated. Father Hill remarked, "Hypnotic sleep is produced by a constant recurring of the same tune thereby producing sleep. "Afterdifferentiating between the causes and efforts of dreams and hypnotism, the lecturer proceeded to the fourth point and informed the audience as regards the ethics of hypnotism. As a concluding division the opinion of the Church on hypnotism was made known. The Church declares against hypnotism," Father Hill informed, "when it revolts superstition, when it uses unlawful physical means, and when it seeks no lawful purpose."

GEORGETOWN UNION

The Georgetown Union held its first meeting last Sunday when some sixty representatives of the downtown schools gathered in Dahlgren chapel at 9:15. After the Mass a buffet breakfast was served in Ryan gymnasium, where the members were addressed by Rev. W. Coleman Neville, S. J., chaplain of the Union, and by Dr. Conde B. Pallen, '82. Dr. Pallen spoke for a few moments on the present disturbed state of the world both mental and physical, saying "not only have we lost our faith but our address as well." The future, he contended, lay in the hands of men who are being educated in universities to think rightly and to be leaders of their communities in right acting. He then told of the efforts of the University to complete an Endowment Foundation and asked the cooperation of all those present; that they give their enthusiasm and good will to the "greatest cause in the world, next to temperance and higher education."

Meetings of the Union will be held once a week.

THE HOYA

G. U. ELEVEN CLASHES WITH STRONG B. C. AT BOSTON SATURDAY

Continued from Page One

Bucknell Defeated by G. U. 19-7

Georgetown's football team will make its final trip of the season this week-end when Coach Exendine's charges will en-
train for Boston to meet the strong Bos-
ton College eleven at Braves' Field, in the second game of their conference. The game is one of the most important on the Blue and Gray schedule and should be one of the hardest fought bat-
tles of the campaign.

The victory over Pete Reynolds' highly-touted Bucknell club last Satur-
day has given the squad a newlease of life, and their work in the early week-
preparation for the Boston game indicates that they are determined to con-
tinue the rest of the season hopeful of defeating B. C., George Washington, and Lafayette.

An injured list was increased by one as a result of the Bucknell scrap, George DuFour, the peppery little quarterback, being incapacitated due to a nose wound, and it is extremely doubtful if he will be able to play for several days. The return of Kenyon, Florence, and King to the squad on Monday last was the bright feature of first day's preparation for the Maroon and Old Gold, and their re-
covery will greatly strengthen the chances of the Blue and Gray. If DuFour is not in shape for Saturday it is more than likely that George Adams, who has been alternately calling the signals with Flavin and DuFour, will draw the assignment from Coach Exendine.

Flavin is just now in better shape than at any time this year, and he is expected to flash his old-time self against the other football luminaries of the second-
year class are to compose the Sophs'
team. The game is to be staged at.

Lafayette. The Newtonites have been defeated in an effort to be relieved of wearing a certain bet for the pivot position. Captain Comstock and Fred Sheehan. Sheehan, who distinguished him-
self in the recent victory, is the most promising candidate for right tackle. At guards Lieb and Jim McNamara will most likely start. Carl Werte is almost a certain bet for center. The team will return to Washington immediately after the game, as the com-
ing contest with George Washington on next Thursday and Lafayette on Satur-
day must be reckoned with.

Spotlight

By W. H. DALY

Georgetown's regular schedule will be brought to a close with the December 3 engagement with the Lafayet-
tet gridders, but the following Saturday the Hoyas will stage their annual battle for under-class honors. Coach Jackie Maloney's year-
lings, conquerors of Staunton Military Academy, are pointing towards the game in an effort to be relieved of wearing a Blue and Gray skull cap. A victory by the Hoyas would mean that the cap is to be worn for the remainder of the season. Members of the Varsity squad who are Sophomores at the college and other football luminaries of the second-
year class are to compose the Soph's team. The game is to be staged at American League Park, and from pres-
tent indications one can hardly be

Freshman-Sophomore Game.

tackle to the 1-yard line and Dayhoff took the ball over on the next play. Dayhoff kicked a placement goal.

Kopp, after receiving Georgetown's kick-off, was downed on his 30-yard line. A forward pass to Kopp failed, and Kopp was grounded and Georgetown took the ball on its 25-yard line. One yard, the gain was wiped out by a five-yard penalty for holding. DuFour punted to Kopp's place in the Bucknell line-

Foster recovered the ball on the Bucknell 30-yard line. Fosters kicked a placement goal. Bucknell fumbled and Malley emerged from the scrimmage with the ball tucked under his arm headed for the other end of the field. Aided by his own fleetness of foot and perfect interference from his teammates, he crossed Bucknell's line for a touchdown. Dayhoff kicked a drop-kick for another point wide.

Reed kicked off to Malley, who was tackled on his 28-yard line. DuFour punted to Bucknell's 35-yard line, where Comstock tackled Foster in his tracks. Four line plunges and a forward pass placed the ball on Bucknell's 44-yard line. After being penalized fifteen yards for holding Bucknell kicked to George-
town's 30-yard line. DuFour immedi-
ately punted to Bucknell's 30-yard line. Foster ran it outside the 35-yard line. Failure to gain caused Reed to punt to Georgetown's 45-yard line. A forward pass failed and Bucknell was penalized five yards. Lone gained six yards at left tackle, Malley a yard at center. Byrnes failed at right tackle. DuFour punted on side and Bucknell took the ball on its 35-yard line. From less endeavors to place Georgetown's line in Reed's punting to DuFour, who was thrown on his 35-

yard line. A long heave to the right failed and Bucknell regained the ball. DuFour started him off on a pretty broken-field run of forty-six yards to Bucknell's 5-yard line, where he was stopped. Flavin was sent in to take the ball across. He made two yards at right tackle, but was pushed out by Homan, who was downed for no gain on Bucknell's 1-yard line. A tricky double forward pass from Foster to Julian to Jenkins, gave Bucknell the 44-yard mark to a yard ahead. Georgetown landed possession of the ball after two forwards and one try. Flavin gained twenty-five yards at right end, but Georgetown couldn't keep up their advance, so DuFour punted to Jenkins, who was downed for no gain on Buck-

Flavin then attempted a field goal from the 45-yard line, but it fell short and it was Bucknell's ball on its own 5-yard line. Here the period ended.

Score at end of first half: Georgetown 13; Bucknell 7.

At the beginning of the second half Comstock's short kick-off was received by Homan, who was downed on his 40-
yard line. Henning got five yards at right end, Kopp three at left tackle. Henning went through right tackle for twenty-five yards, being downed on the 45-yard line. Kopp, Homan and Comerford were stopped by George-
town's line and Georgetown gained the ball on its 35-yard line. Lowe was good for eight yards around left end. Byrne lost on a try around the right side. DuFour went through center for three yards on a false forward pass. DuFour punted and Sullivan downed Henning before he could go beyond his 30-yard line. Henning made five yards over Comstock; Wertz stopped Kopp. Lowe broke through and tackled Henning for a three-yard loss. Henning punted to DuFour, who was fumbled on his 40-yard line after a gain of five yards. DuFour punted outside at Bucknell's 30-yard line, but the ball was brought back and Buck-

Comstock kicked off to Bucknell. A run around left end brought the ball to the 44-yard line. Foster's forward pass to Bucknell was good for four yards, the ball was brought to Bucknell's 35-yard line. Flavin failed at right end. Two forwards and one try. Flavin attempted a field goal from the 45-yard line, but it fell short and it was Bucknell's ball on its own 5-yard line. Here the period ended.

Score at end of first half: Georgetown 13; Bucknell 7.

At the beginning of the second half Comstock's short kick-off was received by Homan, who was downed on his 40-
yard line. Henning got five yards at right end, Kopp three at left tackle. Henning went through right tackle for twenty-five yards, being downed on the 45-yard line. Kopp, Homan and Comerford were stopped by George-
town's line and Georgetown gained the ball on its 35-yard line. Lowe was good for eight yards around left end. Byrne lost on a try around the right side. DuFour went through center for three yards on a false forward pass. DuFour punted and Sullivan downed Henning before he could go beyond his 30-yard line. Henning made five yards over Comstock; Wertz stopped Kopp. Lowe broke through and tackled Henning for a three-yard loss. Henning punted to DuFour, who was fumbled on his 40-yard line after a gain of five yards. DuFour punted outside at Bucknell's 30-yard line, but the ball was brought back and Buck-

Bucknell defeated by G. U. 19-7

George E. Burgemann, M. D., Georgetown '89, was married yesterday by Rev. Doctor J. M. O'Keefe, Sr., at St. James Church, to Miss Helen Estelle, Daughter of Mr. and Mrs. W. D. Estelle, of New York, and formerly of this city.

Word has been received at the college of the recent marriage of Paul W. McQuillen, A. B., '13, to Miss Dorothy M. Moore, a daughter of Dr. and Mrs. John F. Moore, 136 West Nineteenth-street, New York City, at the Church of Saint Ignatius Loyola, by the Rev. Father James Kilroy, S. J. A reception, held at the Hotel Gotham, followed the ceremony at the church.

Mr. McQuillen is a member of the class of 1913, and graduated from Columbia Law School in 1916. He is at present associated with the law firm of Sullivan and Cromwell, with offices at 49 Wall street, New York.

Miss Moore attended Smith college, being a member of the class of 1917.

During the war she canteen work in France, as a member of the Y. M. C. A.

Following their honeymoon Mr. and Mrs. McQuillen will reside at 122 Twenty-fifth street, Jackson Heights, Long Island.

The resignation of Francis W. Hill, Jr., as special assistant corporation counsel for the District and the appointment of James C. Wilkens in his place, was made public recently. Mr. Hill is leaving the law department of the city government to take up the practice of his profession. He is a graduate of Georgetown University class of 1915 and Law School in 1918.

Former District Attorney Frank T. Dunn, Georgetown L. L. B., '12, of Topeka, Kans., last week announced the opening of an office at the Parkwood, 1746 K St., N. W., for the practice of law.

Dr. Wallace Mason Yater, A. B., M. D. graduate of Georgetown, announces the opening of an office at the Parkwood, 1746 K St., N. W., for the practice of general medicine and surgery.

Funeral services for Dr. George Barrie, 65 years of age, 59 Wall street, New York City, October 13th, were held at the St. Andrew's Episcopal Church a few days after his death. Dr. Barrie was born at Ballarat, Australia, but was a naturalized American. He was graduated from Georgetown University Medical School in 1892 and has practiced medicine ever since. At the time of his death he was considered as one of the foremost authorities on bone pathology.

ST. VINCENT DE PAUL
ENLISTS MANY
Charitable Organization. Enrolls Many Workers—Extensive Activities Planned.

With a present enrollment of some 300 members and with conservative prospects of 100 more, the first week of the St. Vincent de Paul membership drive comes to a most successful conclusion. Practically every corridor in the college has been visited by members of the committee with the very gratifying result, that of the large number of students enrolled, 30 per cent are on the active list. This means that the social service work which the society is carrying on in connection with the Christ Child Society will receive the cooperation of approximately 100 students at the Hilltop. The income from the dues of such a large membership will make possible far more extensive charitable work than has here-tofore been undertaken. Much of the credit for the success of the drive is due to Mr. John W. Galan, chairman of the drive committee, whose systematic canvassing of the college was in a great measure responsible for the large enrollment.

The success of the drive will assure the realization of the plans made for extensive settlement work in Washington. The principal activity of the society will be in giving instruction in classes of boys in the evenings at the Christ Child Settlement House on Indiana avenue. This instruction will cover history, citizenship, religion and various forms of athletics. The moral example of the students, it is hoped, will have a good influence on the characters of the boys whose environment is anything but elevating.

Later in the year a collection of old clothes and books will be taken up throughout the college and these distributed among the poor. This will probably be about Christmas. In the meantime anyone who has not been reached during the drive will be gladly enrolled as a member upon application to Mr. James F. Rutledge, president of the society, or Mr. Galan, of the senior class, or Mr. Vincent Murphy and Mr. Laplace of Junior. If any one feels that he would like to contribute, either financially or otherwise to a charitable and worthy cause, donations will be most gratefully received by the president, Mr. Rutledge. Already one very substantial contribution has been made by the society by a student at the Foreign Service School. It is to be hoped that others may feel likewise inclined, for charity is something the students are not often called upon to support during their college career.
