FATHER HIMMEL.

Father Himmel, former President of the University, has completed the 25th Jubilee of his ordination to the Priesthood next Saturday.

As this occasion is one of honor and rejoicing, Father Creedon has added an extra day to the Thanksgiving holidays in honor of Father Himmel's celebration.

Father Himmel was President of Georgetown University just preceding the late Father Donilon, who died recently.

FR. CREDEN SUGGESTS PHILODEMIC QUESTIONS

Annual Public Debate to Be Held in Gaston Hall on Sunday Evening, December 16.

The details regarding the coming Merrick debate, held by the Philodemic Society, have been arranged. Rev. John B. Creedon, President of the University, suggested the number and selection from which one was to be chosen. The men selected to speak in the Merrick debate considered that the question, "Resolved, That the Federal Government should operate all railroads in the United States," was the most suitable. The debate will be held in Gaston Hall on Sunday evening, December 16th.

Judging from the interest shown in the recent classes, the debate promises in public oratory and debating, a large attendance is expected at this interesting debate.

Mr. John F. Dailey of New York will be the first speaker for the affirmative, and Mr. James Gibbons Burke of Louisiana, the second speaker on that side. The order of speakers on the negative will be: Mr. Donovan McCune of Ohio, first speaker; Mr. Francis J. Mahoney of Massachusetts, second speaker.

Kappa Alpha Phi Smoker.

The Kappa Alpha Phi held a smoker at their house last Saturday at which a number of guests were entertained. Among those present were Dr. Notz, Dean of the School of Foreign Service; Dr. Spasheold, head of the German Department of the School of Foreign Service; Mr. Seavey, head of the Foreign Trade Division of the U. S. Chamber of Commerce; Mr. Soder, of the Bureau of Foreign and Domestic Commerce.

Foreign Service Lectures.

The two lectures at the School of Foreign Service on "International Communications," given by Mr. F. E. D. Nagle of the Department of Commerce, proved so popular that another lecture on the same subject was given last Tuesday.

BUCKNELL CONQUERS HILLTOPPERS IN GRID TILT AT GRIFFITH STADIUM

Blue and Gray Downed by Blue and Gold in Spirited Game. Bucknell's Aerial Attack Counts Heavy—Hegerty Stars for G. U.

For the first time in many years, Georgetown's Blue and Gray bowed before a Pennsylvania team, when they were defeated at the hands of Bucknell University last Saturday by a score of 34 to 7. As will be recalled, Georgetown faced many teams from Pennsylvania State and each time they brought victory to the Hilltop. By some misfortune the jinx jumped into the machine at the Clark Griffith Stadium last Saturday and the Bucknell lads returned to Lewisburg with victory as their own.

While over six thousand lovers of the gridiron went watched with excitement, the Blue and Gray warriors lived up to their reputation of, everlasting fight. The excellent work of Hegerty, the steady Georgetown halfback, offered many a thrill. Despite being the losing eleven, Hegerty was the hero of the day. Time and again his fleetness of foot was the cutting factor for the Hilltop lads. He tore to the right for much yardage and went through center like a bullet, the same he effected on the left. For the only touchdown the Maloney eleven made Hegerty scored when he ran back a punt from Diehl, 65 yards, Byrne kicking the extra point. This was accomplished in the third quarter.

Hegerty Stars.

In addition to his spectacular feat, the effective Georgetown halfback came close to scoring on two different occasions. In the first two quarters he had the ball on the Bucknell eleven, but instead of going for a touchdown, he turned the ball over to the Hilltoppers. The Bucknell eleven was in full swing in the first quarter, but a fumbling of a forward pass gave the Bucknell eleven the ball, and a line plunge, Byrne punted to the Hilltop. By some misfortune the jinx jumped into the machine at the Clark Griffith Stadium last Saturday and the Bucknell lads returned to Lewisburg with victory as their own. 

Aerial Game Effective.

Byrne kicked off for Georgetown to start the game, and most of the first period was taken up with an exchange of punts between Diehl and Byrne. On many occasions King, one of the best ends the Blue and Gray has had in many years, broke through the Bucknell line, throwing his man every time. A series of fine plunges by the Blue and Gold and the striving of a forward pass gave the Hilltoppers the ball. After trying the end zone once, Byrne punted to Foster, who ran the ball back to the 30-yard line. Then it was that the visitors opened up their aerial attack and finally landed the ball within scoring ter-
PHILODEMIC.

At the last meeting of the Philodemic Debating Society, held Tuesday evening, November 13, the question, "Resolved, that the Federal Government should provide means for the strict enforcement of the Volstead Act," was debated with much enthusiasm. Mr. Thomas Callaghan and Mr. Matthew Lyons tenaciously upheld the affirmative, while Mr. William Kalt and Mr. Joseph Brennan ably defended the negative. The negative side was awarded the decision, and Mr. Joseph Brennan was chosen the best speaker. Mr. Francis Sullivan acted as critic.

Next week, Mr. Patrick C. O’Brien and Mr. James Russell will uphold the affirmative of "Resolved, that the open shop in which union and non-union workers are employed should be adopted in an economically wise," Paul Delkel and Mr. Harold Brophy will defend the negative.

WHITE.

On Wednesday evening, November 14, the White Debating Society met in the Philodemic Room. Mr. Edward Callahan and Mr. John McKone upheld the affirmative of "Resolved, that the athletic directors should train the whole student body and not limit their efforts to members of individual teams only," Mr. William Smith and Mr. John McClain defended the negative side of the question. The debate was excellently debated by both sides. The decision was awarded to the affirmative, Mr. Edward Callahan being chosen the best speaker.

Next week, "Resolved, that two-thirds of the Supreme Court judges should be appointed by the President at pleasure," will be debated. Mr. Leo Clary and Mr. Angel of the affirmative will debate against Mr. Louis O’Leary and Mr. Raymond Rice of the negative.

Mr. Frank Regan was admitted into the society.

GASTON.

The Gaston Debating Society met on Thursday evening, November 15th, and debated the question, "Resolved, that intramural athletics are more beneficial than intercollegiate athletics." Mr. Celesimo Vega and Mr. Alexander Brunini defended the negative side, while Mr. John Powers and Mr. James Sweeney upheld the affirmative. After a lively debate, the affirmative was awarded the decision. Mr. Vega was voted the best speaker.

In extemporaneous speaking during the evening Mr. Leo Brislin was chosen the best speaker.

On December 6th, "Resolved, that the restriction of immigration to our country at the present time is diplomatically and economically wise," will be debated between Messrs. William Coxe and Robert Crane, the affirmative, and Messrs. William Corbett and John Wise, negative.

Mr. William O’Mahoney and Mr. Dennis Shea were admitted into the society.

PHILONOMOSIAN.

On Monday evening, November 12, the Philonomian Debating Society held a debate which is worthy of high commendation. The question was: "Resolved, That the activities of the Anti-Saloon League should be made the object of Congressional investigation." Messrs. Raymond Blessing and James Digney upheld the affirmative and brought out some very forceful arguments. The negative was defended by Mr. Robert Hitchcock and Mr. John Goodwin. After a splendid debate, the society voted the decision to the negative, and Mr. Robert Hitchcock was elected the best speaker. The debate was considered one of the best held this year by the society.

FOREIGN SERVICE MEN ABROAD.

Among those present at the International Customs Conference at Geneva is Mr. Edward L. Bacher, lecturer in Foreign Trade Conventions at the School of Foreign Service, who is representing the U. S. Chamber of Commerce and the U. S. Government. During Mr. Bacher’s absence Mr. Keyth of the State Department is conducting his classes.

Among recent publications is found a very interesting survey of the economic condition of western Europe, by Alan G. Goldsmith of the Foreign Service faculty and chief of the Western European Division of Bureau of Foreign and Domestic Commerce. Mr. Goldsmith spent the past summer in Europe preparing his survey which was written for the Commission on Commerce and Marine of the American Bankers Association.

Mr. William A. Reid, lecturer in Latin America as an export field, gave a very interesting lecture last Friday in connection with a moving picture of Argentine dairy industries at the School of Foreign Service.

KUNKEL, ’24, REPEATS IN TENNIS TOURNAMENT

Tennis Captain Again Captures Net Trophy in Fall Competition—Team Prospects Seem Excellent.

Paul Kunkel, captain of the Tennis Team, again won the annual Fall Tournament. Illig, the runner-up, was defeated in the finals in straight sets, 6-0, 7-5. Kunkel's playing predominated throughout the tourney and at no time was he extended to win.

Some excellent matches were uncovered from the fourth round to the finals. The prospects for this year's team look particularly well and the members bring a new brand of tennis to Georgetown. Paul Kunkel receives the tournament cup for the second consecutive time.

Following are the results:

Fourth Round:
Slattery vs. Crane—Slattery........6-3, 8-6

Literary Society.

The regular meeting of the Literary Society was called to order by Vice President Castellini, on Monday, November 10, 1923.

After the usual business was finished, Mr. Castellini gave a very instructive and interesting talk on "The Rise of the English Essay." He gave some illuminating side lights on the life of Addison and also on the life of his great contemporary, Steele.

He said that their ideals of essay writing were to make the people appreciate the good things of life and help them to rid themselves of their foolish notions.

Mr. Edwin Erwin, '27, was then elected a member of the society after having given an excellent trial speech on Milton's "I'Allegro" and "II Penseroso."

Georgetown Engages in an Intersectional Battle, Saturday, With Tulsa University

By G. Gordon Barry, '25.

Though relatively little is known in the East about the apparently formidable gridiron unit which the University of Guthrie, member of the Western Intercollegiate Athletic Association, will meet in intersectional football next Saturday, yet sufficient has been found out regarding them to assure spectators that are wont to flock to the golden, green, and gold throngs at the fair thraldom of the gridiron, that the season performances are any criterion. At the same time it cannot be overlooked that Coach Jackie Malone's Blue and Gray warriors never before this season displayed the first-class brand of playing that was manifest against Bucknell last week. Unfortunately for Georgetown the invaluable open-field running services of Hegarty will not be available. He is nursing a slightly dislocated shoulder as a result of the Lewisburg fiasco. Competition between him and Lee, the 5-foot-11-inch, 165-pound, flashy Orange' and Black ball carrier, would have, indeed, been a treat. Last season Lee performed at halfback for the remainder of the season for top honors. Both are notice-

Blue and Gray Harriers to Compete With Country's Best in Intercollegiate Meet—Brilliant Performances in Sight—Probable G. U. Team.

For the first time in its track history Georgetown will be represented in the annual fall intercollegiate meet sponsored under the auspices of the Association of Amateur Athletes of America. These games, which officially usher in the intercollegiate track competition, will be held this year on Monday, November 6th, at Van Cortlandt Park, New York, over a course which covers six miles.

Noted Competitors.

The Blue and Gray harriers will toe the mark with teams of such caliber as Princeton, Yale, Harvard, Syracuse, Cornell, Columbia, Pennsylvania, Dartmouth, Johns Hopkins, Tufts, Bowdoin, and Hales. Men entered from these institutions include Nuese of Davenport, who took second place in a recent six-mile run at Van Cortlandt Park; John Doherty of Tufts College, who won the New England cross country run last week at Franklin Park, Dorchester; Lernott of Bates, fourth place man in the same meet; Boettcher of Lafayette, and a score of other crack competitors who have lined considerable distinction in distance events.

Probable G. U. Team.

Coach John D. O'Reilly will most likely enter the following men to represent G. U.: Captain Marsters, Gegan, Holden, Brooks, and Helme. ERAN. White has had considerable ex-
perience in ball-snapping, and as a re-
sult is extremely accurate as has been evi-
dent from his work all season. "Bill" Fiy, a former halfback at Fairfax High
when a teammate of Emmet Foley, ex-P. H. S. captain, has been converted into a pivot
man at Tulsa and is a dependa-
bly successor for White in case he should be relieved of his duties.

Have Remarkable Backs.

It is not startling news to learn that Coach Acher depends largely upon his
field for victories. For backfield
material this erstwhile Grove City tutor
came. He is logically the first choice for that
duty.

In that the trip will take well over
two days, the men are due to arrive in
town this evening or early in the morn-
ing. Coach Acher will give them a few
limbering-up exercises and a light work-
out.

"AMERICA'S" LITERARY CONTEST.

The Catholic weekly, America, is conducting a Catholic book contest in order to arrange a composite list chosen by the students of the Catholic colleges. Georgetown is expected to take a very active part in this interesting matter. Every student may pick from his list of favorite books ten publications of merit. The rules of the contest are briefly that the books have been written the last century, by a Catholic author, and from Catholic standpoint. However, other volumes of worth such as those treating of science and poetry may be placed on the list also. Students should fill out the blank ballot, found on this page, and hand it in to their respective class bea-dles as soon as possible.
