REV. C. W. LYONS
TO REVIEW R. O. T. C.

Army Unit Prepares for Formal Review—Physical Examination Held Last Sunday—Rifle Team Rounding Into Form For Eastern Meets.

In preparation for the formal reviews for the President of the University and the Dean of the College, the Georgetown R. O. T. C. Unit was held last Sunday morning under the supervision of Major John J. Madigan, Medical Corps, U. S. A. Practically no deficiencies were reported among the incoming men, who numbered more than 100.

Rifle Team Ready.

Activities of the Georgetown Rifle Team have been resumed under the direction of Sergeant Michael J. Donahue, Inf. U. S. A. Coach Donahue, a crack shot himself, looks to the development of a real organization and for a successful year on the range.

A call was issued to Cadets to contribute to the support of the team, and a 100 per cent response is expected by the department. Captain Bergin reports satisfactory progress in the training of the team and emphasizes the need for the interest of every member of the Unit in the turning out of a capable representation. In the near future, Cadet Joseph Rose, of the Senior Class, will represent Georgetown in the matches of the Eastern Colleges Rifle Association at New York, the first test of the year.

It will interest the members of the advanced course to learn of the whereabouts of Major William H. Hobson, who for four years was the Commandant of Cadets at the College. Last June he graduated from the School of the Line at Fort Leavenworth as an honor graduate and is now Brigade Executive and Post Adjutant at Fort Douglas, Utah.

The combined activities of rifle matches, reviews and daily drill are keeping Captains Lowery and Hervey as well as the Company as busy as ever. The Unit is now well along toward the realization of the year's goal, a place among the best of R. O. T. C. schools.

MERRICK DEBATE SELECTIONS MADE

Debating Society Selects Speakers For Merrick Medal Competition—Question for Historic Discussion Not Yet Decided.

The Philodemic Debating Society held its last regular meeting on Tuesday evening, October 14, in the Philodemic Room. The question of the debate held was, "Resolved, that the presence of the blocs in Congress is a serious menace to good government." Mr. William Kalt and Mr. Joseph B. Brennan upheld the affirmative side of the question, while Mr. Matthew Lyons and Mr. Eamon Murphy defended the negative.

After a lively debate the affirmative was awarded the decision. Mr. Edward De Castro was the critic for the evening and Joseph B. Brennan was voted the best speaker.

MERRICK DEBATE—ASSISTED FR. WALSH IN PAPA RELIEF WORK.

With the transfer of Father Tallon to New York, the Rev. Louis A. Galagher was appointed to fill the office of Dean of Georgetown College, and arrived recently to take up his new duties. He comes to Washington from the West, where he was stationed during the past year.

Father Galagher brings to the position a wealth of valuable knowledge and experience. Though one of the youngest deans the college has had, he has held the office of principal at Xavier High School in New York, has traveled extensively in the United States and abroad, and is among the best known scholars of the Providence. With the Rev. Edmund A. Walsh, who deserves much credit for his services in the Dean's office for the past three months, Dr. Galagher worked among the Russian people for some time on the Papal Relief Mission, of which Dr. Walsh was head. Later he finished his studies in Ireland and then returned to America.

In entering the office of Dean of Georgetown, Father Galagher has the sympathy and support of the entire student body and faculty for a pleasant term of association with Georgetown and her men.

GEORGETOWN MAN APPOINTED.

Mr. Frank Hassard, a student at the School of Foreign Service, has, through the assistance of the School of Foreign Service of Georgetown University, just received an appointment with the American Bank Company. He will be stationed in Washington for the present.

BUCKNELL'S TOUCHDOWN IN FINAL PERIOD BEATS HILLTOPPERS, 14-6

Plansky Plays Brilliant Game for Blue and Gray—Georgetown Outplays Bucknell but Loses Through Poor Judgment of Plays—Aerial Attack Features Opponents First Counter.

By W. C. GILLAN, '25.

Georgetown University lost her second successive game of the season to Bucknell University at the Clark Griffith Stadium last Saturday afternoon by the score of 14 to 6. Georgetown deserved to win, as can easily be seen by a glance at the total yardage gained. The Hilltoppers outrushed and outgained the team from Pennsylvania, but poor judgment in choosing plays lost to them several opportunities to put the game on ice. Georgetown scored early when Tom Plansky crashed over the white marker for a touchdown. But the try-for-point failed and the Blue and Gray were forced to be content with a slim point lead. Toward the end of the second period Bucknell opened up a forward pass game that led directly to their first counter. Blaisdell made the touchdown. Then a Bucknell back in the fourth period made a 21-yard run, which put his team within starting distance of the goal again.

Georgetown Holds.

Georgetown offered so stubborn a defense that Bucknell could not threaten her goal, but once besides the two times the yellow-jeredied lads crossed the winning points. That once was when a poor punt allowed the Bucknell eleven possession of the ball on the Georgetown 16-yard mark. Georgetown then tightened up and the Lewishburg aggregation could make no advance. Georgetown made 11 first downs, while Bucknell made but 4. But all the advantage gained by the Blue and Gray team was lost in the poor direction of plays exhibited at crucial moments. Both teams entered field goals, but were unsuccessful.

Plansky Stars.

Tony Plansky was the bright light of the Georgetown Blue and Gray. His long-smashing through the line accounted for much of the yardage gained by the Hilltoppers. He opened his usual good game. Brooks and McGrath covered the flanks in the usual style, while Connaughton performed well at tackle.

Georgetown lost no time in converting Goodwin's good punt into a score. Getting the ball on Bucknell's 30-yard line, the Hilltoppers secured a first down in four plays. Hagerty then crashed through to the 7-yard mark and Plansky went over for the first score of the game. Georgetown failed to kick the goal.

Bucknell Scores.

In the last few minutes of the first half Bucknell scored. Foster intercepted a G. U. pass and ran to the Blue and Gray core good wishes of the entire student body and faculty for a pleasant term of association with Georgetown and her men.

In entering the office of Dean of Georgetown, Father Galagher has the sympathy and support of the entire student body and faculty for a pleasant term of association with Georgetown and her men.

Mr. Frank Hassard, a student at the School of Foreign Service, has, through the assistance of the School of Foreign Service of Georgetown University, just received an appointment with the American Bank Company. He will be stationed in Washington for the present.
GASTON SOCIETY POINTS
TOWARD WHITE CONTEST

New Material Added to Under-
class Debating Society—Series
of Close Debates Held by
Members.

At the last meeting of the Gaston De-
bating Society, the membership quota
was raised from thirty to thirty-six. These
six openings were keenly contested
among those who tried out for the So-
ciety. At this meeting Mr. Sands, of the
Sophomore Class, and Mr. Gallagher, Mr.
Hughes and Mr. Mullen, of the
Freshman Class, were elected to the So-
ciety.

At the regular meeting on Thursday,
October 16th, the members witnessed the
first regular debate of the year. The
subject: Resolved, That the proposed
amendment in child labor should not be
passed. The affirmative was upheld by
Mr. Delechanty, and Mr. Harding, and
the negative by Mr. O'Malley and Mr.
O'Donoghue. The affirmative side was
awarded the decision and of the debators
Mr. Delechanty was chosen the best speak-
er by the Society. In the speaking from
the floor, which followed, Mr. Philip
Little Dean was selected the best ex-
temporaneous speaker.

Due to the Retreat at the College, the
next meeting did not take place until
Thursday, October 30th. The members
of the Society witnessed one of the
closest debates that has ever been held
in the Philodemic Room. The question
was: Resolved, That the election of Sen-
ator LaFollette to the Presidency would
be detrimental to the best interests of
the United States. The affirmative side
was upheld by Messrs. Christopher Clark
and Commiskey, while the negative was
defeated by Messrs. Keogh and Dean.

Both sides of the question were handled
in a very skillful and able manner and
much credit is due to all of the de-
bators for the interesting arguments
which they brought forth in the man-
ner in which they were presented. After
much deliberation among the members
of the Society, the decision was announc
ed in favor of the negative, and Mr. Keogh,
as adjudged the best speaker. The
question was then thrown open to the
floor, which followed, Mr. Philip
Fisher gave the best extemporaneous
talk.

Representative—ROBERT LEE PUGH
BUCKNELL.

Last Saturday afternoon Georgetown University tasted her second defeat of the season when she lost to Bucknell, 14-6. The game was a stiff one from the start to the finish and the defensive play of the team was of a high caliber. Poor judgment of plays prevented Georgetown from being victors—something which must be remedied if the team is to be successful. After two successive defeats, one might be inclined to question the ability of the team. The blame can be laid at no particular man's feet, neither the coach nor a member of the team. They all fought hard and did their level best. It is just one of those peculiar situations which arise now and then. We have not a quarterback with the necessary experience and judgment to run a team. Let's hope the situation will be somewhat remedied before the start to the finish and the defensive play of the team was of a high caliber.

CONGRESSMAN MUDD RECENTLY DECEASED

It was with great regret that we learned of the death of United States Congressman Sidney A. Mudd, Jr. He graduated from Georgetown College with the A. B. degree, after which he attended the Law School and received the LL. B. degree. While in college he played on the baseball team, performing the duties of catcher and first baseman. After finishing law school he taught in Georgetown Law School and later was appointed Assistant District Attorney for the District of Columbia. He was nominated by the Republicans of Maryland to be their Congressman and was elected to that office.

Sidney A. Mudd, Jr., was only one of the many members of the Mudd family who have attended Georgetown, and to all of his relatives are extended the sympathy of the Faculty and students of Georgetown in their bereavement of a person who did so much for the name of Georgetown.

NEW SPORT MODEL OF "PURPLE HURRICANE" TO RACE HILLTOP GRIDIRON MACHINE

Thus Opines Coach Billy Laval of Revamped Furman Eleven in Discussing Coming Georgetown Football Encounter—Battlers Have Weak Offense but Admittedly Strong Defense—Manager of Blue and Gray Rifles Off to Intercollegiate Conference.

BY GORDON BARRY, '25.

Not discouraged because of the heart-rending defeat administered them by Coach "Uncle Charlie" Moran's aggressive Bucknell eleven last Saturday afternoon, winning Coach Leo Little's Georgetown molekins were preparing early this week in preparation for their "Purple Hurricane" in the Palmetto State. As Chairman of the Intercollegiate of 1923, Joseph Rouse, '25, of the rifle team will be in attendance at the

Weak Offense.

Furman is reputed to be very weak on the offense, but more formidable on the defense, where they are said to be admitted strongly.

With this as the general rule for the team as a whole thus far this season or not badly seems so in view of the showing recently made against Georgia Bulldogs, that barely lost to Yale a couple of weeks ago when the final count read 7 to 6. Although the Furman machine put up a valiant fight, it was not strong enough to withstand the矢志不移 by Georgia Bulldogs, who registered 23 points while the Purple Hurricane went scoreless. The Baptists battled the Bulldog eleven for little over a half, holding the great Georgia eleven to two points, scored on a safety in the first few minutes of play. However, in the second half and the third period and the Athenians put their wing over Georgia, the team that barely lost to Greenville, South Carolina, often termed the "Purple Hurricane" in the Palmetto State.

A. has sponsored in the current year, has been replaced by Smith, Brown holding up the other tackle and Jim Howard replacing Smith. "Bad" Lanford and his other guard and Jim Howard, Captain, who performed brilliantly last season, is pivot man again for the Hurricane.

Practically all of Coach Laval's team this year is a veteran, and next year will turn of regulars to old positions or by the moving up of seasoned substitutes to positions left vacant through graduation. While much has been said here about Furman as it is now, it might be well to mention that the machine during the first half, holding the great Georgia

"Cy" O'Neill, '26, stellar Ryan Hall fullback, who at the end of the season was groomed for an end position, and Crawford, son of a true Georgetown man, Captain, who performed brilliantly last season, is pivot man again for the Hurricane.

Anzel Carpenter, full-blooded Sioux, is this year's captain of the Haskell Indian football team. He is the smallest man on the team, weighing only 158 pounds, but Carpenter plays end. Last season, he made 41 goals after touchdown, the season leader. He is a two-sport athlete and is also captain of the Haskell football team.

"Welcome, Honorable Fast Runners."

"The Japanese gave Emerson Norton, Georgetown decalogue of the year, a hearty welcome on their arrival at Tokyo," says the rendered by "Toote" McDonough, who also came released in the Boston Advertiser.

If he isn't the best quarterback in the country, John Scott, who calls signals for the Haskell Indians, at least comes pretty close to being the wealthiest. He has a,1200 barrel oil well gurgling forth its riches on his Oklahoma farm. But he's too busy playing football to let his money worry him.

yard line. Murphy made 5 yards through left guard. On the next play Brogan again carried the ball for the second first down in as many chances. Once more Blessing called upon him and he advanced around right end for his third first down. North then opened up its aerial attack. A forward, Brogan to Murphy, netted 15 yards. Three more forwards were incompleted and Jim Sweeney stepped back to drop-kick from the 24-yard line. The ball went wide and was returned to Ryan 20 yards from the goal posts. On the next play a Ryan linesman was called for, being offside, and the sons of Idas received the first penalty of the game. A punt, O’Neil to Brogan, brought the ball to Ryan’s 33-yard line. Murphy and Brogan made it first down twice. The Ryan line then strengthened and received the ball on downs. O’Neil kicked to Gillen, substituting for Twohey, and the North player was downed in his tracks. Murphy brought the ball to midfield with a gain of five yards. This ended the half.

Blessing kicked off to O’Leary, O’Neil made no gain. Saul hit the line twice for one and five yards and in the fourth down O’Neil kicked to midfield. Blessing brought the crowd to its feet when on the next play he helped himself to 20 yards around right end. Brogan failed to make a yard. Murphy tumbled and it was Ryan’s ball, Gunn recovering it. O’Leary made two yards through tackle. Two forward passes were grounded and O’Neil kicked to Ryan. These two opposing backs figured constantly in the efforts of their respective teams. O’Neil ever punting out of danger and Brogan made no gain. Saul hit the line twice and North’s line then strengthened and received the ball on downs. Perlitz, Gillan for Twohey, and the North in possession of the ball for Ryan. The sphere then sawed back and forth in midfield. Toward the close of the third quarter Sprankle caught a long forward and the ball was downed in his tracks. Ryan linesmen called for holding, substituting for Twohey, and the North in possession of the ball again. Murphy made 5 yards and Brogan added three more. Twohey then crashed through guard for the first touchdown of the game. Sweeney missed on the try-for-point by goal. McLarney kicked off to O’Neil. Ryan lost the ball on downs. Perlitz ripped off 5 yards through tackle, this being the last play of the game.
