The Association met at Fongaza Hall, 916 F St, N.W., in pursuance of a call made by order of the Executive Committee, Vice President A.G. More in the chair, E.H. T. Brady, Secretary.

The Chair explained the object of the meeting to be the consideration of invitations received by various members of the Association to the First Annual Meeting of the Society of Alumni of Georgetown College, June 23, 1881.

Mr. Lancaster moved that the Constitution and By-laws be suspended, and that such graduates as desired to join the Association be admitted without payment of the initiation fee, and the motion having been unanimously adopted, the following named gentlemen signed the Constitution:

John P. Brinklin, A. J. Falle, Daniel O'Callaghan,

The Committee subsequently reported the following:

"Whereas, many of the resident members of the Alumni Association of Georgetown University have received, under cover from the faculty of the University, a card of invitation to what is termed the "First Annual Meeting of the Society of Alumni of Georgetown College," to be held June 23, 1881.

And Whereas, the Alumni Association of Georgetown University was organized March 1875, with the approval and concurrence of the faculty, and has since then, and still is, in operation and existence,

Washington, June 20, 1831.
The Association met pursuant to adjournment. Vice President Johnson Eliot in the chair, E. T. F. Beale, Secretary.
The minutes of the last meeting were read and approved.

The Secretary reported that, in obedience to the final clause of the Resolutions adopted at the meeting held on the 12th inst., he had transmitted a copy of said Resolutions to the Faculty of the University, and had received in reply three letters, one from the Rev. O. T. Beale, the President, which were read. After reading the letters, the Secretary called the attention of the members of the Association to the fact that said letters were not addressed to him as Secretary, but that in as much as it related solely to the subject matter of the said Resolutions, he deemed it his duty to submit the same to the Association. Thereupon, on motion of Mr. Hayden, the letters were received, as being an official communication, and the Association proceeded to consider the same.

Mr. C. C. Lancaster moved that a Committee of three members be appointed, to which the letter of the President of the University be referred with instructions to report upon the same at the meeting in October next.

After considerable debate, in which Messrs. Lancaster, Hayden, Morse, Murphy, O'Callahan, Bradley, Hailey and Claggett participated, Mr. Bradley moved to accede by substituting the Executive Committee in the place of the Committee of three provided for by Mr. Lancaster's motion, which was accepted by Mr. Lancaster.

Mr. Claggett, therefore, offered the following as a substitute, "Resolved that this Alumni Association be and the same is hereby declared from this date." After some discussion, Mr. Claggett withdrew his resolution. Thereupon, Mr. Hailey renewed the same resolution with the amendments proposed by Mr. Hailey, to wit, after the word "resolved" insert "that while the Alumni Association adjourns, it be done so."
Mr. C. C. Lancaster withdrew his motion, and Mr. Morse offered the following resolution:

Resolved, That a committee of five members be appointed by the chair to confer with the faculty of Georgetown University, with a view to harmonizing the organization of the Alumni Association; said committee to report at the October meeting of this body.

Resolved further, that the said committee be instructed to insist upon the enforcement of the constitutional clause that no member be admitted to the said association who has not a diploma from said University.

Mr. Cochran demanded a vote upon the resolution; the chair decided that the withdrawal of the original motion of Mr. Lancaster carried therein all amendments thereto, and all substitute offered thereto.

Mr. Clagett, upon offer of Mr. Cochran's former resolution as a substitute for that of Mr. Morse, and a vote having been taken it was rejected, and the resolution of Mr. Morse subsequently unanimously adopted.

Adjourned to meet Monday in October.

E. H. F. Brady,
Secretary.

Note. For the letter of the Rev. President above referred to, the name of the committee appointed as above directed, and all proceedings following those after the page of "Appendix".

E. H. F. Brady
Secretary.

Pursuant to adjournment, the Association met at 7:30 o'clock P.M. at Marquis Hall, No. 911 F St. N.W., Vice President, John C. Elliot, in the chair; E. T. Brady, Secretary.

The minutes of the last meeting were read and approved.

The first business in order being the reports of officers, the Treasurer, C. C. Lancaster, Jr., made a verbal report of the financial condition of the Association.

Report of committee. Being next in order, the committee appointed under the resolution adopted at the meeting of June 20, 1881, to confer with the faculty of Georgetown University, with a view to harmonizing the organizations of the Alumni associations, made a report in writing, through the chairman of the Committee, Prof. H. Brady, which was read by the Secretary of the Committee, Cha. A. Elliot, and thereafter laid on the table. Said committee consisted of Prof. H. Brady, Alex. Bion Dorr, O. D. Lamb, C. C. Lancaster, Jr., John R. Roane, Ralph Walke, J. P. T. Johnson, and Cha. A. Elliot, Alternates, and were appointed June 21, 1881.

Miscellaneous business being next in order, Mr. Lancaster offered the following resolution, which was adopted.

Resolved, that a committee of seven, of which the 10th Vice President shall be a member, be appointed by the chairman, with plenary powers to make arrangements for carrying out the provisions of Article 2, Section 2 of the Constitution.

Mr. Bradley thereupon suggested that some action be taken in regard to the assumption of the title of Alumni Association of Georgetown University by the society which met at Georgetown College in June last, and urged that the association submit its protest in some proper manner against the same. The suggestion of Mr. Bradley gave rise to considerable discussion, during which Howard C. Clagett, in reply to the question of Cha. A. Elliot...
as to whether or not he, the said Clappett, had joined the association which met at Georgetown College in June last, having answered that he had, was on motion of Mr. Elliot, expelled from the association by a unanimous vote.

Then the suggestion of Mr. Mackall that the said Clappett should, under the constitution, be allowed a hearing before being expelled, the vote by which the said Clappett had been expelled, was, upon motion of Mr. Elliot, reconsidered. Whereupon Mr. Clappett proceeded to explain his presence at the meeting and upon concluding, tendered his resignation as a member of the association, which was thereupon accepted, and Mr. Clappett retired from the hall. *

Mr. Lancaster offered the following resolution. "Resolved, that a committee of five be appointed by the chairman to devise the necessary means for selecting suitable headquarters or association rooms, and report any other plans that, in their judgment, may be requisite, said committee to report at the regular meeting in January, 1832."

At this point of the proceedings, question was raised as to the presence of a quorum, and the Vice President presiding, having decided that a quorum was not present, the association adjourned.

* Mr. Quickell gave notice of an amendment to the constitution, changing the number provided therein for constituting a quorum, from twenty-five (25) to twenty (20).
Washington, D.C. Nov. 1, 1891.

Hall, 911 E. St., N.W., at 7:30 o'clock P.M. pursuant to a call from the Secretary, issued at the request of eleven active members. Vice President Johnson, E. S. F. Brady, Secretary.

The minutes of the preceding meeting were read and approved. After the reading of the minutes the Secretary read letter from T. A. Lamberti, explaining the cause of his absence, and promising his support to the association. Mr. Moore then furnished the regrets of Mr. Paul B. Clarke because of his inability to attend on account of illness.

Mr. Bradley offered the following resolution, which was adopted.

Resolved that a Committee of five, (5) be appointed by the Chairman to revise the Constitution and By-laws, and to recommend such changes as may be deemed advisable; said Committee to report at the annual meeting in January, 1892.

Mr. More offered the following resolution, which was also adopted.

Resolved that a Committee of five, (5) be appointed by the Chairman to devise the necessary means for procuring suitable head-quarters, or Association rooms, with authority to report any suggestions on the subject that, in their judgment, may be deemed advisable; said Committee to report at the annual meeting in January, 1892.

Mr. E. C. Lincraft offered the following resolution, which was likewise adopted.

Resolved that a Committee of five, (5) be appointed by the Chairman, to take into consideration
and devise the necessary plans for establishing a periodical scholarship in each Department of the University, and to report at the regular meeting in January, 1882, the scholarships to be known as “The Scholarships of the Alumni Association of Georgetown University.”

Dr. Mackall and Dr. Hackett explained the liability of Dr. Murphy to attend the meeting, and assured the association of his best wishes.

After some discussion as to the programme for the reunion, provided for in the resolution adopted at the last meeting, the Chairman announced the Committees, provided for in the same resolution, as follows:

Committee on Scholarship, under resolution of Mr. Lancaster, — T. A. Lambert, Paul. B. Clarke, Virgil Stockbridge, A. J. Falls, Thos. A. McAndie.

On motion of Mr. Saffir the thanks of the association were unanimously extended to the Chairman for the able and impartial manner in which he has presided over the meetings.

Adjourned to Second Monday in January, 1882.

E. A. F. Brady
Secretary.

Met pursuant to adjournment at the office of
Mr. Potter, Move, Ed., Room 271, Corcoran Building.
Mr. John T. Putnam, Sec'y.

Minutes of last meeting were read and approved.

Report of Committee after adjournment at the office of
Mr. Bradley, from the Committee on Annual Banquet,
made a verbal report of the arrangements made,
and announced that the Banquet would be given
on the 12th next, at Kellogg's.

Mr. Quickall, from the Committee on the revision
of the Constitution, made a report in writing,
covering the revised Constitution adopted by
the Committee. On motion of Mr. Quickall,
the Constitution reported by the Committee, was
unanimously adopted, and the Secretary, on
motion of Mr. Mackall, was directed to have printed
one hundred (100) copies of the same. An amend-
ment to have the Constitution printed in pamphlet
in connection with the proceedings of the coming
Banquet, was, on motion of Mr. C. A. Eliot, agreed
to. Dr. N. J. just, from the Committee on Headquarters,
made a report in writing which, on motion of Mr.
Stevenson, was laid on the table for the present.

Mr. W. T. Evans, from the Committee on Scholarship,
reported that said Committee had made no action in regard to the matter referred to them,
and asked that the time for making their report be extended. Therefore, Mr. LaFollette offered the following Resolution:

Resolved that, in accordance with the spirit of
the resolution adopted at the meeting of the Association
of Nov. 1, 1881, a fund Scholarship in each Depart-
ment of the University, to be offered "The Scholar-
ships of the Alumni Association of Georgetown
University," be, and the same is hereby, established.

Passed, to begin at the ensuing Scholarships.

"The President, that a Committee of Seven, (7) members,
of which the President and Treasurer shall be,
"members, be appointed, with full power to
"arrange and make suitable arrangements, and
"prove the necessary means to carry the resolution
"into effect, said committee to perfect the plans on or before the 1st day of June, 1882. Mr. MacCall and Mr. Elliot (C.A.) opposed any action in the matter for the present, and on motion of Mr. Lochschr, the resolution of Mr. Treasurer was referred to the existing Committee on Scholarships. On motion of Mr. Bradley, the time for the report of the Committee on Scholarships was extended to the next meeting of the Association, and upon motion of the same gentlemen, the Secretary was directed to call a meeting of the Association on or before the 1st day of June, 1882, to hear said report. The report of the Committee on Headquarter was taken from the table, and the Association proceeded to consider the same. Mr. Treasurer urged the postponement of this report to the next meeting. Mr. Lochschr and Mr. Halch offered such action, taking the point that in order to keep the members united, it is necessary to have suitable association rooms. Thereupon, Mr. Callaghan offered the use of his office rooms on 7th St. for 1st and 6th months free of charge. Mr. MacCall made similar offer of his rooms on 14th St. Mr. Bradley offered the following resolution: "Resolved, that, in accordance with the spirit of the report of the Committee on Headquarter, the proposition of Mr. Callaghan to allow the association the use of the rooms occupied by him at No. 1435, 7th St. N.W., for a period of six months, as headquarter of the association, be accepted." Mr. Lochschr called for the adoption of the report of the Committee on 7th St., recommending the renting of rooms in the Corcoran Building, but the association refused to adopt the same, and thereupon the resolution offered by Mr. Bradley was adopted, and the chancery of the association were referred to Mr. Callaghan and Mr. MacCall. On motion of Mr. Bradley, the Committee on Headquarter was continued, and directed to make all suitable arrangements to continue the Headquarter.
after the expiration of the six months embraced in the office of Mr. Callaghan, and likewise directed to properly furnish the same.

The election of officers being the next business in order, on motion of Mr. Holbrook, the present officers, with the exceptions hereafter mentioned, were continued until the adjournment of the meeting in October, 1832, as provided in the new constitution.

On motion of Mr. Bradley, a vacancy was declared in the office of Corresponding Secretary, and thenceforth, Mr. C. A. Elliot was unanimously elected to fill the same.

On motion of Mr. Lancaster, a vacancy was declared in the executive committee in the place filled by Mr. Maguire, and thenceforth, Dr. Thos. F. Waddel was elected unanimously to fill the same.

A motion made by Mr. Mackall declaring vacancy in the office of President was rejected.

Thenceforth, the association adjourned subject to the call provided for in the motion of Mr. Bradley hereinbefore recorded.

The Association met with the President, Mr. Johnson Eliot, in the Chair.

The minutes of the last meeting were read and adopted. Mr. C. C. Lancaster, Jr. of the Executive Committee read a letter from Rev. Jno. A. Donovan, S.J., President of Georgetown College, to Mr. E. A. T. Brady, in regard to existing differences between the Society of the Alumni of Georgetown College and this Association, suggesting a conference, this letter being the result of a previous correspondence between Father Donovan and Mr. Brady on the subject; and Mr. Lancaster stated that the same had been submitted to the Executive Committee at a meeting held two weeks previous, and an answer, by direction of the Committee, forwarded to Father Donovan, expressing a willingness on the part of this Association to arrive at any honorable settlement that might be proposed.

In answer to that letter, Mr. Lancaster read a communication from Mr. T. S. C. P. S. B. Saunde, Sec. of Executive Committee, asking that the two Committees meet at Georgetown College on the evening of Jan'y 5, 1823, for consultation and action. The Executive Committee of this Association accordingly met the Executive Committee of Society of Alumni at that date and place, and a basis of compromise was agreed upon, the full text of which is appended to and made a part of this minute.

Mr. Lancaster then submitted the Report of the Executive Committee covering the Report of the Conference, which, after some debate, was, on motion of Mr. T. S. C. P. S. B. Saunde, adopted. Mr. E. A. T. Brady in the Chair, the President having been called away. It was then recommended that the members of the Society of Alumni
should be invited to attend the Annual Banquet of the Association to be held at "Keckers," on the evening of January 11, 1883, and after reports made by the Reception and Banquet Committees, the Association adjourned to meet at "Keckers," Jan 17, 1883, at 7 o'clock P.M.

Rec. Secretary
Georgetown College,

Feb. 17th, 1882

My dear Eugene,

I have been away from the college and sickness has delayed the acknowledgment of your letter of last month. As you may readily suppose, my communication from New York was not intended to remove a controversy we past difference, but merely to show you the position in which I was placed and how impossible it was for me to consider the only two proposals for an adjustment that had reached my knowledge. Therefore I have, without comment, the points submitted in your reply, continuing myself with the belief that any condition of mine sincerely only the other party can or should understand that you are as much in the dark as to the actual circumstances attending the origin of the present misunderstanding as Dr. Elliott. Let this clearly show him to be.

But with the decline process on both sides for a settlement, no good reason exists for a continuance of
The March. I am sure that if any of the gentlemen associated with you entered into a conference with the executive committee of the Society of Humane, and if their notice of them I can make a basis of action can be found.

In my position. I must advise it. Not though my much I must until which I shall be always ready to further any efforts that may be made.

Very Truly Yours,

By invitation of the President of Georgetown College the Executive Committee of the Alumni Association met the Executive Committee of the Society of the Alumni in these Onion's room at the College on the evening of Thursday, January 5th, 1883, for the purpose of forming a basis on which the two bodies might be consolidated.

An organization was effected by the election of Rev. F. Wearden, D. D., as Chairman of the Joint Committee and W. H. Valentine as Secretary.

After a full interchange of opinions between the members of the two Committees upon the points presented, the following agreement was arrived at unanimously:

That both Committees should endeavor to gain the ratification of the following proposition which by the Executive Committee of the Society of Alumni should be presented to the Society for ratification at its next annual meeting:

That Article XI of its Constitution shall be amended to read:

"All persons who have heretofore been students of Georgetown College or who hold degrees therefrom or who are or have been connected with its professors or masters are eligible to membership in this Society."
That Article IV of the Constitution shall be amended so as to read:

"The officers of the Society shall be a President to be chosen from graduates who have held degrees for thirty years, a First, a Second, a Third, a Fourth and a Fifth Vice-President, a Secretary, and a Treasurer, the last named to be elected from the Academic Faculty. There shall also be an Executive Committee consisting of five members, of which the Treasurer shall be a member in office. These officers and members shall be elected annually at the regular meetings of the Society, and shall hold office until the election of their successors. If the four members of the Executive Committee so to be elected, two shall be graduates, one of the four shall be chosen from the Medical Department, one from the Law Department, and two from the Biblical Department of the College, and whenever vacancies shall occur they shall be always supplied from the department to which the member belonged whose place shall then become vacant. Moreover, the Executive Committee shall have power to fill vacancies occurring during the biennium, and the officers so elected shall hold office until their successors are appointed at the next ensuing election."

It was furthermore understood and agreed upon that should these plans of compromise be satisfactory to and approved by the Alumni Association of which fact the Executive Committee of the Society of Alumni shall be duly informed, that Executive Committee shall at the opening of the next Annual Meeting of the said Society make that the
Names of the members of the Alumni Association of Georgetown University (of whom a list shall be given to said Executive Committee for this purpose) be carried to the roll of members of the Society of Alumni of Georgetown College without the payment of any initiation fee, and that the second and third minutes of the Alumni Association shall be deposited with and form part of the records and history of the Society of Alumni.

It was explained and understood that under the provisions of Article X, II of the Constitution of the Society of Alumni, after the Executive Committee had in the discharge of its duties made nominations of candidates for office, it was the privilege of any member or member of the Society to make other nominations for said offices, and that such nominations were to be voted upon by the Society.

Jas. F. Stearns,
Chairman of Committee of California.

Sec'y Ex. Com., &c.

Dear Sir:

By reference to the agreement arrived at by the Conference Committee composed of members of the Society of Alumni, and of the Alumni Association of Georgetown University, which met at Georgetown College on the evening of January 5th, 1883, I find that a clause therein requires that the Executive Committee be notified of the action of the Alumni Association concerning the same. If this was done unofficially at the time, I now desire to inform you that the points of compromise as embraced in the papers signed by Prof. W. B. O'Sullivan, President, and D. W. H. Secretary, were duly accepted and ratified by the Alumni Association at its called meeting January 11th, 1883, and I herewith transmit a list of the members of the Alumni Association as required by the basis of compromise.

Very truly yours,

(Signed) C. D. Lancaster
Chairman Ex. Com.
Alumni Asfr.

The Association met at Wellesley, pursuant to last adjournment, for the Annual Banquet, the President, Dr. Blaisdell, Elton, presiding. Reverend Mr. Doran of Georgetown College sent a letter expressing his regrets at being absent because of the city calling him away. Capt. H. B. Sands, Mr. E. Hamilton and Dennis Kane from the Society of Alumni were present as representatives of that Society. Speeches were responded to by Messrs. Lambert, Bixby, Moore, Elliott, O'Dy Murphy, and Messrs. H. B. Sands and Mr. Rich. Andrew of Illinois, after which the Association adjourned to meet at Georgetown College in June next at the time of meeting of the Society of Alumni, for the formal adoption and ratification by that Society of the basis of settlement mentioned in the resolution of the new existing Association.

Appendix.
For many years, but especially after the organization of the Law School in 1870, the establishment of an Alumni Association had been mooted among the graduates of Georgetown University. But not until March 1875, when an appeal was made through the press of the City of Washington, did the ancient graduate, was the long neglected union effectual.

Amongst those instrumental in effecting an organization, Mr. John Carroll Brent, (since deceased), Mr. Tallmadge A. Lambert, Dr. Johnson Elliot and Mr. E. C. Lancaster Jr., combined with the active aid and concurrence of the faculty of the University, were most prominent.

On March 14th, 1875, a meeting of graduates of the Academical, Law and Medical departments was held in the hall of the Law School, Washington, D.C., to consult and determine upon the best mode of forming an Alumni Association. Mr. John Carroll Brent was called to the chair and Mr. Tallmadge A. Lambert designated as Secretary. A committee was appointed to prepare a Constitution and By-Laws and report the same to the Association at its next meeting, March 11th. At that meeting the Constitution and By-Laws, framed by the Committee, were submitted, and, after some amendments, adopted and ordered to be printed, and on March 18th, 1875, the Association met and elected permanent officers.
The following extracts from the April 22, 1875, number of the "College Journal," will explain the organization and Show the Status of the Association. Our alumni are at last forming a union, and although sixty years have passed since our College became a University, without such a union, we feel confident that the recent movement on the part of those residing in Washington will have the earnest sympathy and enlist the active co-operation of all. This Association, as now constituted, or being constituted, will embrace the Alumni of the medical and law departments, as well as of the academical. A beginning had to be made; our graduates, on leaving their college behind, seemed for the most part to bid an eternal farewell to it and to their associates, as one of our college writers remarked in these columns last year. Yet, as I encounter them all over the whole wide Country, that it would have been impossible to have brought any number of them together for the purpose of effecting an organization. Moreover, the very absence hinting of a specific bond of society—union among them, has caused many to lose sight of act together: so that it is difficult to learn their addresses, or even to know whether they are living or dead. Others have wandered to remote Continent; and are heard of, but rarely.
The task of forming an organization has therefore very properly begun with those residing in this vicinity, and has been undertaken with the hope of finally aggregating to it all their scattered brethren. But the number of academic alumni residing in the District is comparatively small; hence the necessity of engaging all the alumni of the University in a conjoined effort. Those of the medical and legal schools form a resident body of no inconsiderable proportions: there was need also of strengthening the ties of these alumni with old Georgetown on the hill: we might say, rather, of forming such ties; for all the business of the departments being conducted in what might be called a separate municipality from our own— or which would be so, under any other but the nondescript District organization, — no union except a legal one has ever existed between us.

The strength of a University, its influence in the world, its capacity for accomplishing important ends, and even for advancing its own interests, does not rest with its Faculty, for the time being, — or does not rest with it alone. It is not exclusively dependent upon the well known competency of its professors, the thoroughness of the scholarship they impart, the long established repute of the institution itself, or its honorable roll of ex-students, but owes much besides to the enthusiastic following it has on the part of these ex-students.
Persistence of men engaged in every variety of honorable career, in the ties that once united them to their Alma Mater and to one another, the public tributes they render to her efficiency, and the proofs which they afford in their own persons, that she deserves the praises they bestow upon her, are an element of strength in her regard which cannot be too highly appreciated. The effect is deepened as, year by year, her former children re-assemble, to pay these cordial tributes to her, and to keep alive the bonds that unite them to one another. Such testimony as this cannot fail to be both honorable and profitable—we mean this in no narrow sense—to their Alma Mater. The spectacle afforded by it reminds one of the impressions he may have derived from observing the constancy and uniformity with which the perpetually returning billows beat upon the ocean shore. This very persistence makes an element of grandeur of its own. The wave retires slowly, and as it were, regretfully, and then rushes forward with renewed eagerness to clash the shore it had left. But while the waves of ocean, as they roll in upon the strand, may often bear a threat in their aspect and seem endowed with angry purposes, the returning tide that beats upon the old scholastic shore comes only to scatter over it the sweets of affection and gratitude.

Again, in an article under the caption of "Our Deplorables," after noticing the fact.
that no college of any rank in the Country is without its Alumni, or class Association,

often blaming the want of firmness and protests,
car of apathy on the part of ex-students,
and calling attention to the Constitution of the
Alumni Association, the eligibility of members,
fee &c., the Journal continues.

We have attended the meetings so far held and
feel confident that the Alumni Association of
Georgetown University is to be a success. Its
principal accessions at present are of course from
the ranks of the legal and medical gentlemen, but
we are pleased to see that our Academical Graduates
have taken a prominent part in the proceedings.

Our Rev. President gave
Countenance to the movement by his presence at
the first meeting and his encouraging remarks.

In the succeeding number of the Journal (May 1875),
the Alumni Association having in the mean time
Completed its organization by electing permanent
officers, the following officers having thus been elected:

The Association being therefore duly
organized, we hope our Academical Alumni will lose
no time in affiliating themselves with it. They
should address the Recording and not the Corresponding.
Secretary as we stated in our last. The Recording Secretary is Eugene D. F. Brady, Esq., 460 C St., Washington D.C. Under-graduates, as they are privileged to become honorary members, with all the advantages enjoyed by the active members except a participation in the business affairs of the Association, should also apply. We trust that every old student of Georgetown who takes the Journal, will do credit to himself, his Alma Mater, and this most commendable Association by corresponding at once with Mr. Brady on the subject of his membership. The fee for membership is five dollars the first year, and three for each subsequent year, but a reasonable margin of time is given, in which it may be paid. Let candidates therefore, apply at once, whether they are ready to pay at once or not.

It will be seen from the foregoing extract that reference is made to honorary membership of under-graduates. At the early meetings of the Alumni, and before a constitution was adopted, it was considered as paramount in the formation of a Society, to extend its scope and usefulness with the utmost liberality - the intention being to embrace within the organization not only Graduates, but all students who at any time had been connected with the College, as well as those persons who had achieved
honorary degrees from them. The eligibility, therefore, of undergraduates to membership was fully discussed, and it was finally determined to admit them on the basis of honorary membership. (See Art. 3. Constitution) which entitles them to all the privileges of the Association except a participation in its business affairs.

From a careful examination of the qualifications for membership required by Alumni Associations of other Universities, the majority seemed to conform to this rule, and it was deemed prudent not to depart from established precedent.

On the thirteenth day of January 1876, the first re-union and banquet was held at Weeks's Hotel, and among the guests of the evening were many gentlemen prominent in both social and political life. The last annual re-union was held at Wellesly's in this City, on June 12th, 1882, and was largely attended, some sixty resident and non-resident members being present. After an address of welcome by the Presiding Officer, the regular toasts of the evening were responded to, as follows:

Letters were therefore read from many non-resident members, all expressing an attachment for old College associations, regretting their inability to attend, and wishing continued prosperity and success for the association. It was the good fortune of the society to have present on this occasion the Hon. C. P. James L.L.D., Associate Justice of the Supreme Court of the District of Columbia, and Hon. J. H. Ashiton L.L.D., two of the first professors of the Law School, and to whose efforts its organization may be fairly attributed - the third Professor - Hon. S. T. Miller, L.L.D. Associate Justice of the Supreme Court of the United States, expressing his regret in a letter to the Secretary, for his unavoidable absence.

Dr. Ashford of the Medical faculty, Mr. W. F. Mattingly of the District Bar as well as several of the official, Medical and Law departments, several members of the Association, responded to voluntary toasts, after which the Society adjourned.

As will be seen from the Constitution and By-Laws hereto annexed, the Alumni Association of Georgetown University exists to promote, and advance, its operations and designs for the membership, both active and honorary, of all former
students and Graduates of Alma Mater.

It was in furtherance of this very intention, that at the time of the organization of the Society, and before any rules of government were adopted or election of officers held, that appeals were made through the press inviting all interested to be present at the first meetings, and aid in the formation of an Alumni Association.

For the successful and harmonious working of all societies, it is necessary that there should be some recognized centre, some fountain head from which may flow the benefits to be derived from aggregation, and towards which individuals may turn for permanent fellowship. As the several departments, Classical, Legal and Medical, are located within the District of Columbia, and as a large nucleus of graduates are residents therein, the City of Washington was deemed the proper place to establish the Alumni Association. After six years of existence the correctness of this view has been happily sustained, and the membership of the organization increased by both resident and non-resident accessions.

For those who have not yet joined the Association it will be sufficient to say, that all applications for membership should be addressed to Mr. Eugene J. Brady, Recording Secretary, 1420 New York Avenue, Washington, D.C.

Repit of the Committee on Association Rooms.

Mr. President:

The Committee appointed to report at this meeting, on the advisability of putting a room in the use of the Association, and respectfully report as follows:

It has been presented that suitable accommodations can be obtained at a moderate cost, possibly, about thirteen dollars a month, which would include part of room gas and attendance. The furniture, at first necessary, will consist of, simply, a table and a number of chairs.

The most suitable location brought to the notice of your Committee is the room adjoining the one we are now in. It is believed that an account, paid & ending one dollar a month, for each member, will defray all expenses and provide a suitably fund to be used as well best.

Believing that an Association Room is in many ways most desirable, the Committee respectfully recommend that the necessary action be taken to secure the same.

Ralph Walsh
Chairman

George Town College,
June 18th, 1881.

Mr. Eugene D. F. Brady,
Dear Sir,

I am in receipt of your letter of the 14th instant and of the resolutions enclosed therein.

Considering many considerations that they evoke, I shall confine my answer to the following points:

1st. I am aware that an association of alumni was formed in 1875. Its constitution, drafted and adopted without any consultation with the faculty, did not meet our approval in several points, as they were know who were active in its formation. We believed it to have sprung from laudable motives and as it was begun independently of us, we did not seek to change, control or thwart it in any way. We even encouraged it, although we strongly suspected that it would not survive many years.

2nd. After a year’s existence and one very pleasant social gathering, the association seemed to disintegrate. For three months or thereabouts, some of its members...
in their best to secure a quorum in order to
discuss it formally, but such was the apathy of the
general body that they could not achieve their pur-
pose.

3°. During five subsequent years it held no meeting
and gave no sign of life whatever. In its estimation
even of those who now assert its vitality it was
presumably dead.

4°. Under such circumstances, the foundation of a
new and better organization society cannot be con-
tinued as an injustice nor a slight by anyone
who is cognizant of the same.

5°. At this time, the ground being free, the Faculty
proceeded to frame a constitution for the Society of Alumni and framed its Con-
stitution with a view of correcting what we considered
defective in the Constitution of the aforesaid Asso-
ciation. The defects were mainly three:

1°. Its dissociation, or if you will, its independence
of the Faculty.

2°. The vagueness of scope as contained in article 2°,
"to advance the prosperity of Georgetown University."

3°. The limitation of membership to graduates only.

An alumni society, worthy of the name, is
something more than a social body. If her, or theirs have
practical, definite aims looking to its good, it may be.
Now, as the Faculty of an institution are burdened with the
heavy responsibility of guarding and furthering its best interests,
they are presumed to know best what is expedient. Hence, it is
proper that if any body of alumni prefers to seek the wel-
fare of their College, they should work in union with the
Faculty, be guided by, and associated with, them. It is not
a question of control. Here is, or should be, but one aim, the
greatest good of the Institution forever in the most available
way, by the greatest number, under the most prudent
The Association of 1875, as constituted, could not have
achieved this end; at least, such is our opinion.

Again, the features of this Association, as you are aware,
are mainly social and restricted, de facto, to the District
of Columbia. Graduates from different states might have been admitted,
had the Association foreseen, but even granting this, the
Constitution was not framed for a natural combination which
should bring the students of every section in close harmony and
in a uniform cooperation towards a definite end.

The Society of Alumni, in the century, will reach through
the country, direct its efforts of the loyal children to making
the present and future wants of Alma Mater and enlist thereunto
the energies of all.

Finally, by excluding non-graduates, the Association prevents many men from taking part in its work of fostering and developing the Alumni and the privilege of concern in the advancement of Alma Mater.

This defect has been remedied in the Society of Alumni. Its constitution was conceived in the vindictive spirit toward all, under the circumstances, and impressions written above and in the hope that all the alumni would promptly rally to the aid of the parent institution.

You will observe, too, how the Society of alumni favor for the autonomy of local associations and binds them all together under a central board of officers, all acting in complete understanding with those whose interests they propose to protect and advance.

From what I have said, I think it will be easy for you and others to shape your course unto the desired end. If your idea and aims are the same as ours, you will join us after having dissolved the Association, as you deem it still essential.

If you prefer to remain in independence, the inspiration and guidance of the Faculty, as herein set down, it would be indecent and perhaps offensive in me to volunteer any advice.

Yours sincerely,

P. F. Shealy Jr.
June 21, 1881.

E. D. F. Brady, Esq.,
Secretary to Alumni
Georgetown University.

Sir:

You will please notify the following named gentlemen that I have appointed them to constitute a committee to wait upon the Faculty of Georgetown College as requested by the resolution passed at the meeting of the association on June 20th, 1881.

Respectfully,

Johnston Eisele
Vice President, Board
The undersigned Committee appointed pursuant to a resolution adopted at a meeting of the Association held June 20, 1851 at Gonzaga Hall, respectfully report:

That after duly organizing by the election of Thomas H. Broady as its Chairman, the Committee proceeded to Georgetown College, all being present except J. John Johnson M.D. T. H. Shannon, the latter place being filled by Charles A. Elliott who had been appointed an alternate.

On arriving at the College the chairman's car, marked "Chairman of the Junior Annual Exercises at the President," was met by the President, Rev. P. P. Healy.

The exercises opened with a message from the President to the effect that he was very busy preparing for the Commencement Exercises that he held the next day, and that he would be unable for some hours and that it would be impossible for him to come.
gentlemen.

The Committee through its Chairman delivered to the encroager of Pastor Healy, in letter, the Chairman designating the Committee and also a card inviting the President's attention to the business upon which the Committee had called and requesting him, if inconvenient to receive the Committee personally to designate some member of the Faculty of the College with whom it might confer.

After some delay a clergyman came to inquire for Mr. Lamburt and when informed that he was not present but the Committee awaited a conference with Pastor Healy retired. After a considerable delay Pastor Healy appeared and after an introduction to the Committee, the Chairman stated in substance to him, that the Committee had been appointed pursuant to a resolution of the Alumni Association.
of Education University to confer with
him in order to arrange certain
differences that had arisen
between the society and another
organization established during
the existence of the association
and having the same objects
in view. Past the members of
the original association felt
apprentice at the formation of
a new society without notice
of it and with which they
members (all or some members
with the love of their alma
mater) could not consistently
affiliates, but with a view to
making an amicable and
honorable adjustment of
difficulties. The committee had
called and insisted upon an
interview at this time for the
reason that it was understood
the new society could meet
the necessity, for the election
of officers.

The Committee would suggest
that the President reams to
appoint the new organization
to define the election of its officers to their future day a director of its organization and in that event the Committee would advise its society and would undertake to promote its interests accomplished by first with disbandment of it. After due notice to all parties interested a meeting could be called wherein ten members of both societies could be present and unite harmoniously in the formation of an organization in which all could be united for the attainment of that same object. And that this comes at this time to the Committee to be the only practicable one.

The President desired to know when the Committee would report and being told it might report at a meeting called at the request of ten members a at the stated meeting of the Association in October, th
said that he understood from the newspapers that the Committee would meet in Oct. and that something might occur in the meantime to oblige the Council, but that the new Society would proceed the next day as had been agreed upon.

The Chairman then explained reports that no conciliatory words would be made by the Executive Faculty in the matter raised by the Committee, and that the Committee, having reached harmony of action and had gone as far as could be expected and as seemed to the Committee practicable and necessary, &c. He then drew in a firm and decided manner, saying that he had invited grants from a distance to the General Assembly meeting of the new society the next day and that he could not hesitate himself by mirroring to the band an account already fully organized and
conclusion added, you bear my letter and it contains all I have to say on the subject and I do not care to add a word to it.

Mr. Rusk has stated that he has consented with many grace of the college in Baltimore and that they will all act against and opposed at the manner in which the new faculty had been established until their knowledge of the occurrence of an opportunity of not having the opportunity of participating in its formation and that the proposition of an annual one by the chairman must the appointment of its continuation be represented.

The Committee repeated the statement referring to the contents of this letter. The Committee then retired.

In conclusion the Committee will add they have the 23rd day of June 1881 it has received no communication from Frederick Healy.
