Minutes of the Alumni Society of the Medical Department of Georgetown College
Thursday March 25th, 1869.

A meeting of the graduates of the Med Dept of Geo. Town College was held in the lecture room of the college building at 7 o'clock P.M. when on motion of Dr. McValley, Dr. G. A. Field was called to the chair and stated the object of the meeting to be the formation of an alumni society of the Med Dept. Geo. Town Coll. On motion of Dr. Rains Dr. A. Bond was selected as secretary.

Remarks were made by a number of the gentleman present when Dr. Gilson offered the following resolution: That a committee of 5 be appointed to draft a constitution and by-laws and report at a future meeting a plan of permanent organization. The resolution was adopted and Drs. McValley, McCoy, Gilson, Fee and Griffith were appointed on the committee.

On motion of Dr. McValley the secretary was instructed to publish in the daily papers of the city a call for an adjourned meeting to be held on Saturday, April 2nd at 8 o'clock P.M. a collection was taken up to defray the expenses of advertising when $8.50 was contributed and turned over to the secretary. After which the meeting adjourned.

S. S. Bond.

Secretary, Proton.
Saturday, April 3, 1869

An adjourned meeting of the graduates of the Medical Department Geo. town College was held in the evening of April 3rd, Dr. J. F. Fitch, president; Dr. S.S. Bond, secretary. The minutes of the preceding meeting was read and adopted. The committee appointed at the last meeting to present a plan for permanent organization presented their report together with a preamble, constitution and by-laws which report was on motion received and committee discharged. The preamble, constitution and by-laws after some amendments were then adopted.

On motion the society proceeded to an election of officers to serve until the next annual meeting which resulted as follows:

President: Dr. Warren Evans. 
1st Vice President: Dr. Allen. 
2nd Vice President: Dr. J. M. Allen. 
3rd Vice President: Dr. A. H. Fitch. 
4th Vice President: Dr. F. M. Ritchie.

Recording Secretary: Dr. J. D. Gilton. 
Corresponding Secretary: Dr. C. B. Blair. 
Treasurer: J. A. Appleby. 
Executive Committee: 
- R. Howard. 
- B. Cathwell Ram. 
- L. A. Adams. 
- H. B. Blair. 

On motion it was resolved that the Corresponding Secretary be instructed to inform the newly elected officers of their election.
Dr. Behrend offered the following. Resolved that the thanks of the Society are tendered to the retiring officers of the temporary organization, which was adopted.

Dr. E. Allen offered the following. Resolved that the corresponding secretary is hereby directed to communicate with the faculty of the Medical Dept. Geo. town bell and inform them of the organization of this society and request that we be furnished with a list of all the graduates of the college up to the present time, which was adopted. Then at 7 last 10, otlock the society adjourned to meet on Saturday, April 15th, at 7 o'clock PM.

S. S. Bond
Secretary Pro tem.
Saturday, April 10th, 1869

The Faculty was called to order at 8:30 a.m. The President, Dr. M. W. Evans, in the Chair.

Present: The President, Dr. M. W. Evans; Dr. Allen Reed, Brown Collins, Adams, J. H. Howard, Athorson, Fitch, St. Clair, McBlain, and Griffith. Dr. Evans then returned his thanks to the Board for the honor they had done him in electing him President, and said that he would in discharge of his duties endeavor to give satisfaction to all.

The minutes of the previous meeting were read and adopted. Dr. Gallan offered the following: Resolved: That an assessment of 50 to be and is hereby made on the several members of this society and that so much of the sum collected as may be necessary is hereby appropriated to purchase three blank books, two for the use of the Recording Secretary and one for the Treasurer. Dr. Fitch moved to amend the resolution by adding, "and that the Secretary be authorized to draw on the Treasurer the amount to purchase the same." The resolution and amendment was then adopted.

Dr. Allen moved: That the Corresponding Secretary be instructed to obtain a list of the Graduates from the Faculty and to inform each Graduate of the formation of the society and that an assessment of 50 be made. After some debate, Dr. Allen withdrew his motion.
Dr. Rand then offered the following resolution: Resolved that any graduate of the Medical Department of Georgetown College may become a member of this society by signing the Constitution and paying an entrance fee of 50 cts. Dr. Adams moved to lay the resolution on the table. After some debate, Dr. Adams motion was adopted.

Dr. Hitch moved that when we adjourn we adjourn to meet this night and two weeks. Adopted.

Dr. Allen offered the following resolution: Resolved that the Secretary be instructed to advertise our next meeting in the Intelligencer & Star and request all graduates who desire to join to be present at that meeting. Dr. J. Howard moved to amend by inserting, "all graduates in good standing." Dr. T. The original resolution was then adopted.

Dr. Allen moved to reconsider the vote by which the By Laws were adopted. The vote was reconsidered and Dr. Allen moved to insert before the last By Law the following:

All persons desiring to become members of this society shall be nominated and balloted for, and a majority of votes cast shall be necessary for an election. An initiation fee of 50 cts shall be paid by each.
member be elected. Adopted.

Dr. Fitch moved members present be authorized to sign the Constitution. Adopted.

Dr. Allen then moved that the ByLaws as amended be adopted, which was passed.

Dr. Allen then moved that when the Secretary obtains the necessary book the members shall sign the Constitution again. Adopted.

Then at 9:20, the Society adjourned.

Chas. M. Fee, Secretary.
Saturday, April 24th

The society was called to order at 8 P.M. the 1st. Vice President, Dr. Charles Allen, in the chair. In the absence of the Secretary, Dr. R. Howard was appointed temporary secretary.

The minutes of the last meeting were read and approved.

The roll was then called and the following gentlemen were proposed: Drs. Valley, Kleinschmidt, Buzzon, Boswell, Watkins, Walter, Maske, Hanewalt, Whitley, Amery, Dr. T. Johnson, Eldridge, Hines, Tilton, Ralph Walker, Frank Walsh, Tomes, T. T. Wise, Dallas Johnson.

Dr. Buzzon suggested that the gentlemen nominating another for membership pay the initiation of the nominee.

Dr. McVelly moved that it be made the duty of the Executive Committee to attend to this matter and report on the same. Adopted.

No report from Corresponding Secretary or Treasurer.

The Executive Committee reported favorably on the names of Drs. Kleinschmidt, Buzzon, Boswell, Amery, and Hanewalt; and on motion of Dr. McVelly, the President having been authorized to cast the
vote of the Society - they were declared duly elected.

Dr. Fitch moved that the sum of $2.00 be appropriated for the use of the Corresponding Secretary, and the Treasurer be authorized to pay the same out of the funds of the Society. Adopted.

Dr. Brown moved that all members of the Society residing outside of the District be exempt from assessments. Adopted.

Dr. Fitch inquired if a member present could sign the Constitution for a member elect. The Chair decided that any member could sign for a member elect on the payment of fees of $2.00. Dr. Giffen moved that the correspondence in each case be filed as authority for so doing. Adopted.

Dr. Brown moved that before any of the names proposed be balloted for the initiation fee be paid. The Chair decided the motion out of order.

Dr. Fitch moved that when we adjourn it be until the first Saturday in October at 8 PM.

Dr. Brown moved to amend by inserting instead of first Saturday in October first Thursday week, and that semi-monthly meeting be held. The amendment being withdrawn, Dr. Brown moved as a substitute, that we adjourn to meet to night two weeks and that the time of the next meeting be then determined when. Adopted.
The corresponding secretary inquired, who could notify of the organization of the Alumni Association. Dr. Brown suggested all graduates of good standing residing in the District. Dr. McNally moved that the Executive Committee decide as to the standing of graduates and report same to corresponding secretary. Adopted. The chair suggested that the committee set a list of graduates from the corresponding secretary. The meeting then adjourned.

Robertson Howard.  
Secretary.  

R. C. Turner.
Saturday, May 7th, 1869.

The society was called to order at 9 o'clock, the President Dr. W. Evans in the chair.

Present: Dr. Appleby Bell, Brown Ballan, Evans Fitch, Griffith, McValely, Newton, House, St. Blais, and See.

The minutes of the previous meeting were read and adopted.

Nomination and election of members being then in order, Dr. Brown nominated Dr. Lewis & Newton, Dr. Bell nominated Dr. Chas A. House. Dr. Fitch moved that the names be referred to the Executive Committee. Adopted.

The report of the Corresponding Secretary was then called for, but he not being present the Treasurer was called on who reported: Distributions since the organization of the society $920. Amount received from membership fees $115.70 Amount now in Treasury $225.50.

The report upon the names of Dr. Vallee, House, Newton, Warren, Beale and Tolbert. Dr. McValely moved that the President be instructed to cast the vote of the Society. Adopted. The President then declared the above-named gentlemen elected members of this Society.

Dr. McValely moved that when we adjourn we adjourn to meet on the 1st Saturday in October. Dr. Griffith moved as an amendment, "and that the notice be given by advertising in two daily papers." Adopted.

Dr. Bell moved as there was no other business before the society that we return to nominations. Adopted.

The following gentlemen were then
nominated Dr. Radcliffe, Wellman, W. W. Miller, Jildin, and Bartain. Dr. McNealy wished to know if a graduate of Georgetown graduates elsewhere, does he forfeit his right to be a member in this society? It was decided by the president that he did not.

Nominations were then resumed and the following gentlemen's names were brought before the society: O. Mason, Riner, McEvy, Shute, Green, Rye, Bruce, Kingsbury, Finman, Mark, Geo. Moore, McCleary, Boughman, Poy, Buck, K. G. French, J. W. French, Alvin, Parkinson, Clinton, Rich, Ramsey, Dickson, Rob Baggen and Sloan. Without taking any action on the names the society adjourned.

Charles M. Tree.

Secretary.
Saturday Oct 2nd 1869.

The society was called to order at 2 P.M. In the absence of the President and Vice President, Wm. R. Bray presided. 

Present: Drs. Adams, Bell, Benson, Bolling, Cooper, Hatch, Atlee, H. S. Johnson, Dallas Johnson, R. B. McVille, Moshy, Porter, W. B. Blair, and the.

The minutes of the previous meeting were then read and adopted.

Reports being then in order, the Treasurer reported, instruments for printing $32.25, commission from Mr. S. Hitch to $75.00. Amount now in the Treasury.

The report from Corresponding Secretary.

Dr. Brown on account of the & C. Com. reported no meeting of the committee since last July, and that they were not prepared to make any report.

There being no business being then in order, Dr. McKee, 

that since we last met, we adjourned to the evening in November, and that the exclusion of Dr. B.

it was then reported the following names for members

Dr. E. H. Rink, G. M. French, R. J. De L. French, Stearns

Love, Rich, Ramsey, Dickson, Jr., Hartigan, M.D.,

G. C. Monahan, Ethel, Ross, Kingman, Fineman,

M. G. Thomas, Langlois, Davis, Halebaker, Wilman.

W. W. Hill, Hill, Halbring, and Dallas Johnson. On me.

Two of Dr. Labetta, the President was instructed to instruct 6 to east.

To the order, and he declared the above named

W. G. Shurtleff.

Dr. Kelley then announced that the largest thing

hunting, Dr. P. J. Gibbons was out from the City and
wished that the Society elect a Secretary, Prof. Yen, and nominating Dr. P. P. Ballon for that position. The motion was adopted, and Dr. Ballon was elected Corresponding Secretary in addition.

Dr. Adams nominated Dr. Ball for membership, and there being no objection Dr. Ball was declared duly elected as a member.

Dr. W. Valley then announced that he had been instructed by the Council of the Faculty to inform the Society that an invitation had been extended by the Faculty for the President to deliver the annual address at the commencement and said he was to form part of the commencement exercises.

Dr. H. R. Hill then offered the following resolution: Resolved, that a committee of nine, consisting of one member from each ward, one from Georgetown, and one from the Society, be appointed to canvass their respective districts and ascertain the graduates of this school who wish to become members and that the individual member of such committee report the same to the 8th Committee for action. The resolution was adopted and the following gentlemen were appointed as the committee by the President:

1st Ward: Dr. Ball
2nd Ward: Dr. Shipley
3rd Ward: Dr. Williams
4th Ward: Dr. Bowen
5th Ward: Dr. W. W. Miller
6th Ward: Dr. Inman
7th Ward: Adams
8th Ward: Allen, Georgetown, Dr. Shipley, County

Dr. Allen

Society then adjourned.

[Signature]

Secretary
Thursday, November 26th, 1842

The meeting was called to order at 8 A.M. Dr. A. Allen, 1st Vice President, by the chair.

Mr. A. Beelman, Mr. A. Brown, Mr. P. Goff, Mr. W. Johnson, Mr. D. S. Kinsey.

Mr. Allen and Mr. T. Heads, Jr.

Nominations of members being then in order, Dr. Goff proposed nominating W. A. H. Clark, E. H. Morris, W. B. Craven, and W. M. Cranton. Dr. A. Allen nominated Dr. George H. Stone, Dr. L. H. Johnson, and Dr. John M. Watkins and Ed. Ware.

Mr. P. Goff, the name of all were referred to the ballot.

The corresponding secretary, Rev. C. F. B. Callan, then reported, he had informed all the gentlemen appointed as a committee, to canvass the respective districts, to ascertain the graduates of this school who wish to become members of this society and that Dr. W. M. Miller of the 8th Ward was to be relieved from serving on said committee. On motion Dr. Miller was excused and Dr. E. A. Adams appointed in his place.

The treasurer reported $3.25 in the treasury.

Report of committee being then in order, the committee appointed to canvass their respective wards reported progress.

On motion of Dr. Brown, the chair was directed to cast the vote of the society. The chair then declared the above named gentlemen duly elected.

Mr. Secretary then read a communication from Dr. J. J. Gibson, corresponding secretary, stating he received a letter from Cincinnati relieving his position. On motion his resignation was accepted and the thanks of the society were expressed to be returned to him for the faithful performance of his duties while holding the position. Dr. Goff nominated Dr. C. F. B. Callan for corresponding secretary. On motion the same was referred to cast the vote of the society.

Dr. Goff wished to know if any list of the graduates had ever been kept by the faculty. Dr. Callan said the L. E. was told him that a list to some degree; but who it was he did not remember. It was then instructing to endeavor to obtain a list of all graduates.
On motion the election of officers was postponed until the first Tuesday in December.

Dr. Brown moved that the Society meet a number of times to inform members of the time and place of each meeting. Dr. Brown opposed the resolution as it was opposed to the constitution which directs each meeting to be advertised at least three times in one of the daily papers. After some debate the chair declared that although the constitution directs the publishing of the notice in one of the daily papers, still it does not say that it shall not be printed, and he therefore directed the resolution to order. The resolution was then adopted.

Dr. Adams on behalf of the committee said that the committee had never had a full meeting, he was directed to inform each member of the time and place of the next meeting in writing.

Dr. Adams moved that one hundred copies of the constitution be printed, after some debate with the motion.

Dr. Brown moved that the chair, secretary and treasurer be appointed a committee to revise the constitution and report at the next meeting.

By unanimous consent, Dr. Adams was appointed Chairman of the Society.

The Society then adjourned.

Dr. M. Line
Secretary.
Tuesday Dec 7th 1869.
The Society was called to order at 7:30 P.M. the President Dr. W. Evans in the chair.

Present Dr. Adams, Allan Brown, Daily Evans, Fitch, Jos Johnson, Kleinschmidt, Mason, McValley, Puckin, Rogers, St. Clair, Fee, Whitley, Waters, Fulton & Walsh.

The minutes of the previous meeting were read and adopted.

Nomination of members being then in order the Ex Com reported favorably on the following gentlemen for membership: Dr. T. Walsh, R. L. Hunton, R. A. L. Walsh, Black, S. B. Dunn, A. C. Nelson, Dr. E. Paukerts & Granville Malcolm. On motion of Dr. Mason, the President was authorized to cast the vote of the Society and declared the above named gentlemen elected.

No report from Corresponding Secretary or Treasurer.

Dr. Allen on behalf of committee appointed at the last meeting to revise the Constitution & By Laws reported several amendments. On motion, the report was received and the amendments were laid over until the next stated meeting in March.

Dr. H. McValley moved an additional amendment that in the section of the By Laws speaking of an initiation fee that 50 Cts be stricken out and $1.00 substituted. Said over under the call.

The election of Eaton being then in order the following gentlemen were nominated: Dr. Allan, Rich. Propen, J. P. Johnson & R.A.L. Walsh. Dr. Persson was elected on the 1st ballot. On motion of Dr. Mason the election was made unanimous.

Dr. McValley then offered the following preamble and resolution:

Whereas: The Medical Faculty of Georgetown
College have requested that the Alumni Oration be delivered at and from part of the Commencement Exercises of the Medical Dept of Georgetown College. Resolved, that this Society accept with thanks their kind invitation and that the Corresponding Secretary inform the Dean of the Faculty. Adopted.

Dr. Mason moved that when we adjourn we adjourn to the 2nd Tuesday in January. Adopted.

Dr. Mason then offered the following resolution.

Resolved: That a committee of three be appointed to take into consideration the best means of making the Alumni Society more useful and interesting to its members. Adopted, and the President appointed Dr. Mason, Dr. Nalley, and Dr. J. Johnson, on said committee.

Dr. Fitch inquired if the Alumni Society were entitled to representation in the American Medical Association. On motion Dr. Allen, Fitch, & McNalley were appointed a committee to ascertain the right of representation of this Society in the American Medical Association.

The Society then adjourned.

Chas. M. Lee
Secretary.
Tuesday, Dec. 11th, 1870.

The Society was called to order at 8 P.M. the Vice President Dr. D. W. Allen in the chair. Present Drs. Adams, Allen, Brown,pell, Bell, Fitch, Howe, Dallas Johnson, Jemison, Mason, McVicker, Mead, Potts, Tree, & Frank Walsh, Report of Corresponding Secretary being then in order he related that he had informed all the past and present members of the election. He also presented catalogue of Georgetown College as directed by resolution of Society. Dr. Allen gave to the recording secretary to read the following letters which were ordered to be printed in the minutes of the Society.

Mid. Dept. Georgetown College.
Dec. 17th, 1869.

C. V. N. Callan, M.D.

On the Alumni Association.

Dear Sir,

I have to acknowledge the communication of the 1st inst. with the enclosed resolutions passed at a meeting of the Alumni Association of the Mid. Dept. Georgetown College. The faculty feel highly gratified with the proceedings of the association and thank the gentlemen composing it for the kind interest they exhibit in behalf of the college. The faculty will cheerfully designate the Rev. Dr. R. G. Briggs in a prominent position at the commencement exercises of the new dept.

Yours very truly,

Johnson List.

Dean of Faculty.

Washington, Dec. 16th, 1869.

Dr. C. V. N. Callan.

Dear Sir,

Yours of 9th inst. received. With sincere thanks for the great honor it has been the pleasure of the Alumni Society to confer. I will endeavor to
The corresponding secretary had also informed Dr. Gillet of the acceptance of his resignation as president and that a vote of thanks had been returned to him by the society for the faithful performance of his duties while holding that position.

The treasury report, total but $2 since formation of society
$20. 00.  Dues assessments 17. 75.  Cash on hand 92. 75.

Reports of committees being then in order, Dr. Fitch from committee
with their respective wards reported no graduate who had
not been informed of the organization of this society residue
in his district.  Dr. Allen on behalf of the same one representa-
tion in the American Medical Association reported as
follows.

Washington, Jan. 11th 1870.

To the Alumni Association,

Gentlemen,

Your committee appointed at the last meeting to consider the subject of
representation in the American Medical Association beg
leave to report as follows.  That they have examining
the constitution of said association and find that
delegates are allowed from "each local society" one
delegate for every ten of its regular resident members
and one for every additional fraction of more than half
this number, and your committee is of the opinion that
under this authority as understood and practiced that
that the society has the power to send delegates to the said association.

Respectfully submitted,

Charles Allen, M.D.

Rev. A. Stinch, M.D. Committee

W. M. Valley, M.D.

On motion the report was received and committee discharged. Dr. Allen from committee appointed to take into consideration the best means of making the annual dinner more useful and interesting to its members reported as follows: that the committee after carefully considering severe plans had unanimously came to the following conclusion—That an annual dinner would be the best means of binding together the graduates of this school more closely in the bonds of friendship and unity; and they therefore begged leave to present the following resolution.

That there be an annual dinner held by the graduates of the school. The report was received and the resolution adopted.

Dr. Brown then offered the following resolution:

Resolved, the 25th of March being the birthday of this society, namely: That it is expedient, right and proper that the annual dinner and reunion should be held on that day. The resolution was adopted.

Dr. Brown then suggested to the society that as the state of Dr. Bosson was at present very ill and it was doubtful if he would be able to deliver the annual address, it would be well to appoint an alternate and he would make an able a motion to that effect. The motion was seconded, and Dr. Charles Allen was elected alternate. Dr. Allen said: he felt highly gratified at the honor the society had done him in electing him alternate, but he would feel much more pleased if an occasion arose for his services.

Dr. Valley then offered the following preamble and resolutions:
Ahmes: it is evident that to keep pace with the progressive
spirit of the age and to make our society, all it should be,
something more than merely the preservation of the facts,
and true which bind us to each other is necessary. This pro-
Be it resolved: That the aim and object of the Society
of the American Med. Assoc. shall be, to promote and disseminate Medical andurgical
knowledge among its members and others. Resolved,
that in addition to the annual meeting in March there
shall be regular meetings on the 1st Monday in January,
April, July, and October for the presentation and con-
sideration of pathological specimens and medical pa-
pers and essays. Resolved: That a standing committee
of three be appointed whose duty it shall be to provide
subjects for presentation and discussion at the regular
meetings. Resolved: That the code of ethics of the
American Med. Assoc. be and hereby adopted
by this Society. The preamble and resolution was adop-
ted and the President appointed the following gentle-
men on the Standing Committee on Medical Papers,
Dr. McVay, Mason & Fitch. Dr. McVay then offered
the following resolution: Resolved that Delegates to
the American Med. Assoc. be elected at the 1st meeting
in March of each year. adopted. Dr. Fitch moved
that an appropriation of $25.00 be made $10.00 for
the purchase of a seal of the society and $3.00 for station-
ery. The Corresponding Secretary, adopted. Dr. Fitch
moved that an assessment of $1.00 be levied on each
member. adopted. Dr. McVay moved that a committee
of five be appointed to design a seal for the society.
The motion was adopted and Dr. Fitch, Brown, File,
Ballay & Mason, were appointed on said com-
nittee. Dr. Mason moved that a committee of three
be appointed to circulate papers for the signature
of those who may wish to subscribe to the Annual Supper. Said Committee to report on the 1st of March 1870. The motion was adopted, and Dr. Mason, Walsh, Frank, and Dallas Johnson were appointed as members. Dr. N. Wh. offered the following resolution: Resolved, that the Treasurer inform every member that an assessment of $100 has been made and request each one to remit the same. Adopted. Dr. Mason then moved that the corresponding Secretary be instructed to inform the Dean of the Faculty, that the Alummi Association will attend the next commencement in body. Adopted. Dr. Dallas Johnson moved that a committee of three be appointed to see thatsuitable accommodations be provided for the members of the Alummi Association. They are to go to the commencement with their families, adopted. Dr. Johnson, Price and Bell were appointed on the committee. The Society then adjourned to the 1st of March.

(Handwritten signature)  
Sec'y.
Annual Meeting.

Tuesday March 1st 1870.

The Alumni met in the College Building at 7:30 P.M. Dr. W. Evans, President in the chair. The corresponding secretary was called to act as secretary in the place of Dr. Lee, who was absent. Present: Dr. Adams, Brown, Callan, Daily Evans, Flota, Darie Johnson, Heinricher, Mason, McNally, Pickering, Snow, Walter, Bell, Fleck, R. Walsh, Frank Welch, Jameson and others.

Dr. McNally moved that the regular order of business be deferred until later in the evening and that the society immediately proceed with the election of officers to serve for the ensuing year. Adopted. Dr. Evans stated he had a few remarks to make and passed spoke as follows.

Fellow Alumni.

In retiring from the honorable position to which you were pleased to elect me and which I go fully appreciate, allow me to return you my thanks for your uniform kindness and courtesy. In presiding over you I have committed errors, infringing the rights of any member, rest assured it was an error of judgment and by none more deeply regretted than by myself. I congratulate you, gentlemen, upon the success that has attended your labors in the organization of our society, which is now undoubtedly established upon a permanent foundation and it is only requisite that we should be true to ourselves and to each other to secure to it an useful and prosperous future, placing it among the first Alumni associations of the country. It seems to me as eminent by far as well as congenial to the sentiments of the heart that those who have together struggled up the rugged steep of science, who day after day have associated in the solemn halls, who have spent weekeome nights in investigating the most wonderful of all creating the most perfect of
all men—men who have participated in the most social intercourse, in many instances loving life long and intimate associations, should wish to perpetuate in an association of this character the pleasing recollections of that period—an oasis in life's desert over which memory loves to linger, to commemorate the sentiments of true fellowship which should unite us causing us to rejoice in the success of any one of our number. And this sentiment, gentlemen, does not cease with those whom we were more intimately associated—our classmates—but must embrace all who have passed through the same Institution and have been pronounced worthy to receive the confidence of the public as professional men under the sanction of a common Alma Mater. Springing from the same Institution and being inculcated by the same high authority, we must ever cherish them in our hearts and even aspire in their success even though our palms have never met in cordial greeting. The profession, gentlemen, in which we have embarked is equal to any and second to none in an intellectual and moral point of view and involves the most vital of all human interests—health or the immunity from disease and death. The field gives ample scope for the exercise of mind, indeed the science of Medicine has become so extensive that no intellect however great can master its various branches in all their multifarious details—Anatomy, Physiology, Hygiene, Chemistry, Materia Medica and Therapeutics. Surgeon and Practitioner both in itself containing so much matter for careful study and perpetual thought and reflection—such a fund of knowledge. Indeed, it is to be developed as to require almost that we should confine ourselves to some one of these branches in order to their full and complete comprehension and mastery. He who stands still in our profession must retrograde for new facts are being daily established—old theories exploded, and new theories started, to be proven true or false.
By patient and laborious investigation and experiment, so that we
must of necessity be ever vigilant and studious if we would do
justice to ourselves, our Alma Mater, and the public, who have
in good faith and with singular freedom from doubt or suspi-
cion placed in our hands their lives and the lives of those dearer
than life itself. Let us labor then, gentlemen, constantly and
diligently, let us place our lives and our honor on the scale, and by an
honorable emulation among ourselves endeavor to obtain each
and every one of us an honorable position in our profession
and to do honor to ourselves, our Alma Mater, and fulfill
the just anticipations of our patients. Let us be physicians
in the broadest sense of the word. I know that the laborer
is worthy of his hire, and that the public have no right
to expect any more from any other class of professional
men to labor without compensation. Those who are able
should pay an adequate amount for the services rendered
and yet gentlemen, let us not be unmindful of sweet
charity and mercy in

"It is their blessed"

It blesses him that gives and him that takes."

None occupy a wider or richer field for the exercise of
this virtue than the physician. Gentlemen, this is
still vibrating in my ear, the stately accents of pat-
titude from the lips of honest sentiment, purity, which I would
repay with exchange for the richest professional fee upon record.
Let us then fulfill all our obligations and thus merit
and as we shall undoubtedly receive in good time
the appreciation of a discerning and appreciative public
and the sanction of an approving conscience.

A resolution of thanks were read for Dr. Evans address, after
which the election proceeded and calculation as follows
President

Secretary

Treasurer

Executive Committee

Dr. W. Evans

J. W. Field

W. D. V. Made

J. L. Foster

G. S. Henshaw

G. R. Lee

C. W. Johnson

T. O. H. Clark

W. L. Adams

J. R. Brown

Frank Walsh

Ralph Bell

J. M. Porter

Dr. Nelson, Chairman of said committee reported as follows:

To the Society of the Alumni of West Georgia College:

Gentlemen,

The committee to whom was referred the preparation for setting up the first annual dinner of the Alumni has been adjourned. The report they have submitted and their duty and subsequent reports. After several meetings of the committee had been held, a complete analysis of this duty and Georgetown was made to ascertain how many graduates would subscribe definitely for an Alumni dinner and be responsible for one ticket. This number was found to be 40. The committee report also in favor of inviting the Faculty which would increase the number at the dinner to be raised for 50 persons. The first class guests and public caterers were invited by the committee to furnish proposals for setting up the dinner. Nearly all of them responded, that $3.00 for plate would be the price...
including wines and everything. Dr. Joseph Sheffield offered to get up exactly such a supper at $3.00 to at least had offered at $5.00 and to your Committee report in favor of his doing the same in his Hall ever his Confectionary in Pa Ave. At $3 to $4 per ticket the cost of inviting the faculty is included as well as all wines. After spending much time in getting proposals and hearing much arrangements pitched by hotel proprietors we are unanimously of the opinion that Sheffield is the best place for it. His terms are the most liberal considering that it is to be a first class supper. The Committee therefore unanimously recommend that such supper be held at Sheffield, Friday evening March 25th at 8 o'clock.

Respectfully submitted,

Win. Edwin Mason

D. Tangor

Frank Walsh

On motion of Dr. French report was accepted. Dr. McCully asked if the 40 gentlemen were members of the Humani. Dr. Mason stated "that he thought three of them were not."

Dr. McCully thought the committee should not have gone outside the association to ask gentlemen to come to the Humani supper. The committee had done its duty nobly, but under a misunderstanding. Some of our graduates are now practicing Homeopathy if they attended some of the members would not be present.

Dr. Mason did not know any graduate of Georgetown College who practiced Homeopathy. The committee knew a supper could not be gotten up without general support. He asked only graduates of Georgetown to subscribe without inquiring into their manner of practicing medicine.
Dr. D. Johnson. Would move for the moral of the gentle
men on his list.

Dr. Cantor moved that all graduates of Gettysburg College be
entitled to a place at the supper except those practicing Homeopathy.

The Treasurer called the attention of the Association to the fact
that at the last meeting an agreement of $1,000 was made
in each member and it was desirable that all should pay
it as soon as possible.

Dr. Hild moved that when the Association adjourn it will
be until Friday evening next at 7:30 P.M. Adopted.

Dr. French moved the presentation of the names of all the gra-
duates of the Med Dept Gettysburg College as made out
by Dr. Hild, Dean of the Faculty.

Dr. French moved
that the supper can be instructed to complete the
programme and the the supper—Adopted

Dr. Mason called on the report of the Committee to whom
was referred the business of getting seats for the Alumni
at Commencement.

Dr. McNally understood the Alumni would be seated
in the chaps circle.

Dr. Boller stated that Dr. Elcot in-
formed him that he thought the Alumni boys
would be invited to occupy the stage at the commence-
ment he would communicate with the Association on
the subject.

Dr. Brown moved that the Association con-
gratulate Dr. R. C. Groff for his recovery from his late
Dancing illness and that Dr. T. A. Allen, who was to
deliver the oration at the Commencement in case Dr.
Dr. Santello moved to amend by inviting Dr. Allen to deliver an address before the Society at its next meeting. A motion to lay the amendment on the table was lost. The resolution as amended was adopted. On motion of Dr. Field the resolution as amended was laid on the table. Dr. T. N. Walsh nominated the following gentlemen for membership: Dr. J. C. Sawyer, C. Whelan, Geo. Atholbaker, J. H. Brooks, G. A. Adams, Mrs. W. Wise. Referred to Ex. Com. The Society then adjourned to a later date.

S. N. Callan

Sec. Protem
Friday, March 30th, 1870.

The Society was called to order at 7:30 P.M. The 1st Vice President Dr. J. H. Fitch in the chair. Present: Dr. Adams, Allen, Brown, Briscoe, Dallas, Fitch, Dallas Johnson, McVilley, Mills and Frank Walsh. The minutes of previous meeting were read and adopted. Dr. McVilley moved that we proceed to the election of delegates to represent the societies in the American Medical Association. The motion was adopted and the following delegates chosen: Dr. Evans, McVilley, Fitch, Allen, and Dallas. Amendments to the constitution and By Laws being then in order the following amendments were proposed and adopted.

1. In the By Laws: The duty of the Secretary: Strike out "mange" and substitute conduct. add, and shall be the custodian of the seal. In section defining the duty of the Secretary, Strike out "by advertising the same at least three times in one of the public newspapers," add: He shall keep a list of the names and residence of all members. Include "Examine the order of business arranged as to read 1st Roll call, 2nd Minutes and 3rd Report of Secretary, 4th Report of Treasurer, 5th Report of Committee, 6th Nomination and Election of members, 7th Miscellaneous Business." The Medical papers, essays, etc., by Joseph Spence. In section of to whom add: They shall examine and report on all applications for membership. Amend the section of the invitation fee to read: All persons desiring of being members of this society shall be nominating and ballotting for and a majority of votes cast shall be necessary for an election. An initial fee of $1.00 shall be paid in each case when application for membership is made, and in case the party so elected failing to subscribe to the regulations of the society, his name shall be struck. In section of amendments, strike out "stated." Dr. McVilley then moved that the By Laws as adopted be readmit. Election
The constitution was amended as follows: in section 2 of Article 2 strike out the word "all" and add the following section to article 2. Any graduate who advocates theories or practices in violation of the code of ethics of the American Medical Association is hereby declared ineligible for membership. Any member known to be acting in violation of the same shall be dropped from the rolls. Amend section 2 of Article 3 by striking out "evening" and substituting immediately, in article 4, add section 3. Meetings for the advancement of medical science shall be held on the 1st Monday in January, March, July, and October, and at such other times as the Society may determine. In Article 5, strike out "Teacher." Dr. M. Kelley then moved that the constitution be amended as adopted. Carried. Dr. Fitch, leaving the ballot, called Dr. Brown to preside during his absence. Dr. Sandell nominated Dr. Joseph Ruby and SS. Stevens, 2d to 3d time. Dr. van emicke, if new members were liable to the 8th assessment. The president declared they were not liable. Dr. van emicke appealed from president, but subsequently withdrew his appeal. The 2nd ballot being opened on the nominations of Dr. T. Doherty, C. M. Miles, J. E. Taylor, J. H. Brooke, E. H. Adams, and Wm. W. Wise. It was moved and seconded that the ballot proceed to ballot. Dr. Allen asked if these gentlemen had paid their initiation fee. The president said they had not. Dr. Allen then moved to lay the motion to ballot on the table, as under the constitution we have just adopted the initiation fee must be paid before election. After a great deal of confusion Dr. Allen withdrew the motion and offered the following as a substitute, that the treasurer be instructed to pay the initiation fee of the applicants.
Mr. J. D. Adams then moved that we proceed to ballot. Adopted and the following were unanimously elected: Dr. Johnson on behalf of the Committee to secure seals for the library of the improvements said he had no report to make. The following resolution was adopted: Resolved, that the President and Secretary be instructed to inquire of the Dean of the Faculty the names of the gentlemen composing the Faculty. The meeting then adjourned to Tuesday, March 18th.

C. M. Tree.

Secretary.
Tuesday March 8th 1870.

The Society was called to order at 8 P.M.- the President Dr. W. Evans in the chair. President Dr. Evans, Holman, Allen, Brown, Bell, Ballan, Bull, Dallas, French, Price, Dallas Johnson, Heinrichmidt, McNally, Valer, St Clair, Lee, Frank Walsh, Ralph Walsh.

The minutes of the previous meeting were read and adopted. Corresponding Secretary handed in the following list of the Faculty as an resolution of Society. North Young, Flodovin Howard, Johnson Eliot, James C. Morgan, Montgomery Johnson, C. C. Boyle, J. Harry Thompson. Also the following communications from the faculty.

The alumni association of the Medical Department of Georgetown College is cordially invited to a session of the Faculty, recent graduates and students of the College to be held at the College building, corner of 10th & E streets on Thursday March the 10th at 8 o'clock P.M.

Washington D.C.
March 31st, 1870.

S. H. Thompson, M.D.

Dear Sir,

I write to inform you of the death of my husband, Dr. Robert H. Edwards, who graduated at the Georgetown Medical College in 168 and received from you the gold medal for the best report of the lectures delivered at the hospital. In April 168, he was appointed an assistant surgeon in the United States Army but was soon compelled to resign in consequence of ill health. In the later part of 168, he returned to Galilei, Ohio, where he commenced the practice of his profession. By his proficiency, assiduity, business, benevolence, and kindliness of his demeanor and genuine benevolence, he soon ingratiated himself in the confidence and esteem of all who knew him. For a long time he battled with that dire and inremediable disease— consumption. By informing the faculty and students of his death you will confer a great favor.

Yours Respectfully,

Dr. H. Edwards

1233 9th St.

The treasurer said, quite a number of gentlemen had not paid their assessment. He reported total receipts since organization of society $3,726. Disbursements $2,250. Cash on hand $117.5.

Dr. Fitch from committee on seal reported the same design and two inscriptions. The society adopted the inscription of the Medical Assistant Society. Dr. McVicker moved that at the 25th of March fall on Friday and many of the members had conscientious scruples about eating meat on that day; that the supper be held on the 24th. Adopted. It was moved and carried that the corresponding secretary be instructed to invite the faculty and the President of Georgetown College in the name
of the Spirit, to the supper. DR. D. Lee Adams moved that the Secretary be authorized to print the copies of the Constitution. DR. Brown moved to amend by inserting the names of all the graduates. DR. French to also print the By-laws. DR. McNally moved to substitute that the Secretary be authorized to find out the cost. DR. Howe moved to lay the whole subject on the table. The motion of DR. Howe was adopted. DR. Howe then said no notice had been taken of DR. Edwards death and he thought the society should appoint a committee to draft the usual resolutions. DR. Adams, Fitch & St. Blair were appointed a committee to draft resolutions and report at the next meeting.

DR. Adams moved that DR. Thomas Mitchell be invited to the supper. DR. McNally moved to amend by inviting DR. Renshaw, Jones & Lieberman. After some debate by DR. Adams, French, McNally, Brown & Kleinschmidt, the whole subject was laid on the table. DR. French & Welch offered the following resolutions: Resolved: That the Treasurer be instructed to confer with the Dean of the Junior class and be authorized to have the address of DR. Grotton printed with those of DR. Thompson & niece. Adjoin. The President appointed DR. Kleinschmidt, Ballon & McNally as the committee on Medical Essays & Reports. The Society then adjourned to March 12th.

Che. M. Lee.

Secretary.
Saturday March 12th 1870.

The Society was called to order at 7:30 P.M. The President Dr. M. Evans in the Chair.

Present: Drs. Adams, Brown, Behrend, Callan, Cool, Evans, Fitch, French, Home, Dallas Johnson, Jamison, McCall, McAlpine, Nalley, Rountree, Dr. Blair, Aitkons, Sloan, Sylvester, Fee, Walch, Ralph Walsh, Frank Walsh, & White.

The minutes of the previous meeting were read and adopted.

The Cup was reported that he had invited the Faculty to the supper as free resolution of Society.

The Treasurer reported that as there was only $4.25 in the Treasury, he had not confided with the 8 men of Junior Class with the object of printing Dr. Crogges address.

The 8 men reported favorable on the name of Dr. John W. White and he was unanimously elected to membership.

Dr. McAlpine moved that the following gentlemen: Professors N. Young, Johnson, E. C. Hope, James E. King, Montgomery Jones, J. W. Thompson, & J. Horn, and composing the Faculty of the Med Dept Gen-Town college be placed on the roll as honorary members. Adopted. Dr. McAlpine then offered the following resolution:

Resolved: That the corresponding Secretary notify the Medical Faculty of Gen-Town college through the Dean of their election to membership, and inform them that there will be meetings of this Society, for discussion of medical subjects and the transaction of such business as properly belongs to organized Medical Societies on the 1st Monday in January, April, July, and October and at such other times as the Society may determine and accept their attendance at and participation in the proceedings of such meetings. Dr. Nalley moved to amend by striking out all after 3rd sentence. The amendment was agreed to and the resolution adopted. Dr. McAlpine then introduced a series of resolutions which he subsequently withdrew to allow Dr. Nalley to offer the following as a substitute.
Resolved: That in the opinion of the Alumni of the Medical School at the time it was unnecessary and inexpedient, the formation of a Medical Club at this time is unnecessary and inexpedient. There being already in this city as many societies for the promotion of Medical Science, therefore be it resolved by the Alumni Society of the Medical College that we are opposed to any further organization, and will discontinue all future attempts towards the formation thereof. After an animated discussion participated in by nearly all present, the resolution was held on the table. Dr. House then offered the following: Resolved: That the president communicate with the President of the Faculty and request a full and free expression of their views with regard to the Medical Club proposed to be formed on the pretext that we as a Society may be governed in our future actions. Dr. French offered an amendment, that the Faculty be requested to withdraw the names of the members of the Alumni who were appointed a committee on the Medical Club. The amendment was not seconded, and the original resolution was adopted. Dr. Walsh then offered the following: Resolved: That we have 500 copies of Dr. T. C. Rugg's address to the Alumni printed, and that a committee be appointed to request the manuscript from him for publication. Adopted. Dr. St. Clair, would like to know how the bill was to be paid. Dr. Walsh and Valley offered to lend the money to the Society. The offer was accepted and a vote of thanks returned to the gentlemen for their kindness. The President appointed Dr. T. Walsh, Valley, F. St. Clair on the committee. Dr. Ross moved that Dr. French be invited to the supper, Dr. Sylvester moved to amend by inviting all who had ever belonged to the Faculty. The amendment and motion were both laid on the table. The Society then adjourned 21st Ap. 1945.

Chairman.

Secretary.
Monday March 21st 1870.

The Society was called to order at 7:30 P.M., the President Dr. W. Evans in the chair.

The minutes of the previous meeting were read and adopted. The corresponding Secretary then handed in the following communications from the Faculty.

M.D. Dept. Galion College
March 19th 1870.

G. Y. N. Callen MD
For the Alumni Society.

Dear Sir,

I am pleased to acknowledge receipt of Your enclosed resolution adopted at a late meeting of the Alumni Society. I am directed by the Faculty of the Dept. to return their sincere thanks for the mark of respect and esteem from the Alumni Society and to inform the Society that we feel highly honored in having our names placed on honor members of the rolls of the Society. I am also directed to accept in behalf of the Faculty the invitation of the Society to be present at their meetings for the discussion of Medical subjects on the 14th Monday in January, April, July and October. Please accept our best wishes for the success of the enterprise.

With high respect
G. S. Krenn
Dean of Faculty.
Washington March 15th 1770.

S.V. W. Colman, M.D.
In the Hannini Society.

Sir,

I am in receipt of your note of 14th inst. of

Why me enclosing resolution helped by the Hannini Society

May this be the view of the Faculty of our school in relation to

The last was to make a commencement to do what

had been talked about for many months viz: to form

a body of society for the purpose of affording any applying

in the direction of medical subjects to be open to any

member of our profession who might desire to enter into

as and who should be agreeable to the majority of those

constituting the body, being a voluntary association of

course. The will of that majority would be the only rule

as to admission. Believing that as a matter of course

the individuals belonging to such society would be willing
to write with the individuals belonging to our faculty on

writing a letter as a prelude to the formation of the

funds to admit from time to time thereafter any other

member of your profession desiring admission subject to

the rules above stated. There was no intention to interfere

with any other society or organization but of all with

that of the Hannini. Individuals only were asked who

might be fit to write with us and others in the first

the Hannini society was not expected to merge their

organization in it. It is to allow it to interfere

with its movement. The members of our faculty would

write to us on movement towards that end as a result the

establishment of any society has been the desire of

the faculty and the conviction of our presidents

for ages past. On all reasons we have adopted
The Committee appointed to draft resolutions on the death of Dr. Edwards reported the following, which were adopted:

Whereas: It has pleased on all sides Round to remove from a field of activity and usefulness, by an early death our friend and co-laborer in the profession, D. R. H. Edwards, who died at Paliski, Bays, and Whereas, we desire in memory of an Alumnus of this College to express our appreciation of a character so instructive and exemplary.

Be it Resolved, That in his death we recognize the loss of one who had commended himself to all who met him while a resident among us, by a mind of singular power and by habits of industry and application and peculiarly endearing Christian virtues and by social qualities that endeared him to all who knew him.

The members of the Alumni Society of the Mid-Tennessee College and of the Medical profession in general feel that an untimely loss has been inflicted upon us and we mourn one of its most promising members.

Resolved: That we transmit to the afflicted widow a copy of these resolutions with our respectful condolence upon the loss of such an affectionate husband, and that these res-
ceeding be entered upon the records of the Society under the seal of the Society and signed by the President and corresponding secretary.

The 2 stat carried formally on the names of Dr. J. Scott Petrie and Lawrence Wilson and they were unanimously elected to membership. At this time a recess of one hour was taken in order to allow those present who might wish to pay the subscription agreement. At the expiration of this time the Society was called to order and Dr. D. Comrie moved that Dr. D. E. Ellis be invited to attend the supper. Dr. Alley moved to lay the motion on the table. An amendment was offered to invite Dr. Louis Rugan, Dr. E. G. Lebowitz, and Dr. F. H. Zeman. After considerable discussion the whole subject was referred to a special committee. Dr. Alley moved that no one be invited without unanimous consent of the floor. Dr. Bond was answered that the Society were without any parliamentary rules to govern their proceedings and moved that Cushing's Manual be adopted. Dr. Mason moved as an amendment that Dr. Bond provide the Society with a copy. The amendment and motion were both lost. The Secretary then announced that as we now had 23 members we were entitled to an additional delegate in the Annual. The following gentlemen were nominated as delegate: Dr.百度，约翰逊，和 Ralph Welch. Dr. Welch was elected and on motion his election was made unanimous. The Society then adjourned to Monday, April 4th.

Chas W. Lee

Secretary
The Society was called to order at 7.30. Dr. Schenck was in the chair.

Present Dr. Adams, Brown, Bond, Catlin, Cull, Darby, Evans, Ells, French, Dall, Johnson, S. Johnson, Dr. Kennedy, Kind, A. Bailey, Hall, Pattison, R. W. Klein, Sneath, Mr. T. Washington, Frank Marshall, White & Wilcox.

The minutes of previous meetings were read and adopted. As report from Corresponding Secretary, the same was referred to the Secretary of the Society. Mr. Schenck read a statement of the organization of the Society, its progress, and its present condition.

The balance committee reported a deficit of $218.50. On motion a committee of four was appointed on all those who subscribed to the balance.

The report, signed by all members of the Society, was read and adopted unanimously, and was referred to the Secretary for the guidance of the Society in its proceedings.

Medical papers being then in order Dr. A. T. Johnson, Dr. J. N. Schenck, and Dr. A. Bailey read papers. The latter was a case of a woman suffering from some abnormal symptoms. Dr. J. N. Schenck gave a case of a woman suffering from head injuries, presenting a case of Teichmann's disease. Mr. T. Washington read a paper on organics after which the Society adjourned to May 3rd.
Monday May 3rd 1870.

The Society was called to order at 7:30 P.M. the President Dr. W. Grant in the Chair.

After making a resolution binding the Secretary to notify the members of the time of the next meeting the Secretary adjourned to Monday May 6th.

A. M. Hitchcock
Secretary.
Monday May 9th 1876.

The Society was called to order at 8:30. Rev. President Dr. M. Evans in the Chair.

Present: Dr. Adams, Brown, Beaudry, Pemberton, Upham, Lyman, Evans, Titus, French, Gillis, Kennedy, Collin, de Commot, Warren, Head, McCalley, McCoy, Magruder, Hall, Patmore, Roper, St. Clair, Atherton, Torrington, Mr. Walter, Mr. Frank Walsh,

The minutes of the previous meeting were read and adopted. The dee read in the following letter to be read.

Washington
April 7th 1876.

Wm. B. Atkinson, M.D.,
Permanent Sec.
American Medical Association.

Sir: I am instructed by the Medical Society of the Alumni of George Washington College to notify you that a permanently organized Medical Society with the above named title has been organized in this city having for its object the stimulation and advancement of medical knowledge and facilitating and fostering friendly intercourse between its members and the Medical Profession generally. The Society was organized during the past year and has adopted the style of doing of the American Medical Association. The following members have been elected to represent this Society in the American Medical Association which meets in the city of Washington in the month of May of the present year. Drs. Warren, Evans,
Very respectfully,  
R. C. W. Callan, M.D.
C. E. See
Med. Soc. Illinois
State Medical College.

The Executive Committee reported favorably on the names of Dr. G. J. Magnier, J. J. Winters, and Thomas F. Gibbs. The petitions were unanimously elected to membership by Dr. Hall, on behalf of the delegates to the American Medical Association, made the following report.

Mr. President,

At our meeting on Monday evening last on making the motion to adjourn, I stated that at this meeting we would hear the report of the delegates sent from this Society to the meeting of the American Medical Association that is in session in this city. Much interest being evinced by the members then present as to the probable action of the board on our appeal from the— as we thought arbitrary action of the Committee of Arrangements, the details of our presentations rejection at hand, it seems and final admissions may not be inappropriate to state that the committee arrangements would recognize, but once a delegate as entitled to admission we have failed a statement of facts establishing as we thought, and as the committee on ethics afterwards decided, the validity of our claims. The first of our delegation presenting credentials was admitted, but when I presented my credentials to Dr. Hauser—

Of the Committee was refused.
I asked the grounds of rejection, and was referred to the chairman of the committee. In July 29, I laid our case before him and requested to know in what grounds our candidate was admitted and another rejected. He said ours was not a "local society" but was merely a college institution. I explained to him the difference, but he insisted on his decision. I then presented the following protest against the action of the committee.

Washington, May 2nd, 1870.

Thos. Antelle, M.D.
Chairman Committee of Arrangements.
American Medical Association.

We protest against the action of your committee in deciding the Medical Society of the University of Vermont College to be not a "local society," entitled to a delegate of my two resident members and taking in only three permanent Medical institutions entitled to but one delegate. Accompanying this is a list of members from which it will be seen that fifty-eight of the sixty-one members composing the society are residents of the city. Our constitution prescribes the time and manner of our regular meetings for the discussion of pathological, ethical, and the transactions of such business as only relates to regularly organized Medical Societies. We are entitled with the requirements of the American Medical Association and claim representation therein, with all the rights and privileges accorded to delegates from
This protest was accompanied by one roll of
memorials and authenticated documents proving the
Society to be all we claimed for it and estab-
lishing our right to admission as its representa-
tives. The committee refused to receive or even
read our protest. I then began that the protest
might be received and laid before the association
with the report of the committee, in order that
our case might be viewed by that body; this was
also refused. I learned afterwards that while they
endeavored to receive protests against the exclusion
of regularly accredited delegates, they did receive
and entertain protests against the admission
of delegates. This arbitrary action of the committee
was fully rebuked in the report of the committee
itself which was unanimously adopted by the
association. The minority of the committee, Dr.
Reynolds, recognized the justice of our claim
and in his report recommended our admittance.
This recommendation the committee on ethics
took forth was referred our protest; after care-
ful investigation fully endorsed as well
with or from their report as fully
as far as relates to the Medical Society
of the Alumni of Princeton College. It has been
shown to us that the Society has sufficient
members and is therefore entitled
to six delegates instead of one as requested
by the committee.
We were ably sustained by Professors Young, Eliot, Way, and Thompson, who endorsed our cause and advocated our claims to just recognition. I have therefore the honor to report that the Medical Society of the University of Georgia College has been formally recognized and its delegate admitted to all the rights and privileges of members of the American Medical Association.

Valentine D. Vail, M.D.

Secretary

Medical papers being then in order, Dr. Bothwell presented a paper which had been removed from the neck of one of his patients last Fall. He also read a paper descriptive of the case of a whooping cough, taken on the action of yellow drops in a child. After an interesting debate the meeting adjourned to Tuesday, May 17th.

Ph. M. Free

Secretary

Tuesday, June 7th, 1870.

Meeting met as usual, but being no regular present, adjourned to Monday, July 11th.

Ph. M. Free

Secretary
Monday July 11th, 1870

The Society was opened by Vice President Mason, President Dr. F. Walsh, Behind, Burgess, Fitch, McFay, McCann, Fitch, Mason, Head, Thomas, Gibson, and Wood. The motion

Dr. Benson B. Read was elected into the inner pictures of the inner group, the second being incomplete. B. Behrends moved, the establishment of the admission, which was carried.

Dr. R. W. Burgess offered the following resolution, which was unanimously adopted:

Resolved: That the future of the Society shall be held on the first Monday at 11 a.m. On motion of De Valpy, the committee appointed to print the constitution and by-laws, the chair appointed De Valpy, the committee.

Medical history and essay being entered for Dr. Baer, reported 2 cases of chronic dysentery, caused by artificial treatment. The disease was contracted in the army. After all the usual means of treatment had failed, unsuccessively, the following was instituted: 31 Pot. Oesinum to 31 glycerine was added to a tumbler of water, and injected into the rectum 3 times a day. On Bismuth, saltpetre was administered, due to the death of the patient. Where he could take in his food, etc., the patient improved very much, and was able to eat again.

This was a very important case, and the patient recovered.
At the commencement of the treatment the brrels were evacuated at times, but the discharge being chanel of the disease. In three months the patient was quite well except slight tenderness of the lower back. The doctor attributed the success mainly to the injections used. Dr. Behrend said he had no confidence in injections owing to the fact that they could not be made to reach sufficiently high in the intestines to come into contact with the irritation. In his own experience he had used injections of 12 gallons which was retained in the bladder and colon. Dr. Brogan favored the use of injections to call irritation in the intestines. Dr. H. did not think the could have used it as an application to the abdomen. It was difficult on account of the difficulty of administration; agreeing with Dr. Behrend that the injection would remain in the lower portion of the brrels. Dr. H. claimed that the bladder of frogs reached to the middle of the mucous lining of the intestines by having discharged in glycerin which flowed by this test of different itself over the whole after being surface to which it is applied. This subject was discussed at some length with Dr. H. exhibiting a small urinary calculus. The patient was complaining of distention of the bladder and urethral inability to pass the urine. When the catheter was used and the calculus passed the day following. Dr. H. did not consider the passage of these calculi uncommon. He wrote a case of a patient he heard a large calculus lodged in the bladder about midway of the spine.
He found it necessary to administer lithia water in the case of Joseph H., a large smooth calculus, 2 inches in diameter. The discussion was continued some time when no motion of the society adjourned.

signed: J. T. Bond, Sec. Presdent.
Monday, 1857.

The Medical Society of the Province of Canada met at the College Building on Monday, 1857. The President, D. Rea, in the Chair. D. A. Free, Secretary. Present, D. M. Kiley, Dr. R. O. Brogden, Dr. M. Y. D'Arcy, and others. The minutes of the former meeting were read, corrected and adopted. The Secretary's free statement of intentions to be absent from the city some time, and said that a secretary ad interim be appointed. The President designate Dr. R. O. Kiley as secretary in the absence of D. Rea. The following gentlemen were nominated for membership:

Dr. James H. Rea, Dr. R. O. Brogden, and Dr. M. Y. D'Arcy.

Dr. Rea called to the fact that many of the gentlemen choose to membership have failed to pay their admission fee and the constitution and by motion it was resolved that the election to membership in the society of all gentlemen paying in strict conformity with the by-laws and the constitution and by-laws and paid their admission fees shall be considered null and void. Dr. R. O. Kiley proposed the following resolution which was adopted:

Resolved: That a committee of three be appointed to prepare a suitable form to be printed, together with the seal of the society, and submit the same to the President, who appointed Dr. R. O. Kiley, Dr. Rea and myself, for the promulgation. Dr. Rea remarked to me from the other side.
and ordered, that the Society adjourn to meet on the 1st Monday in October. Mr. Fitch moved to amend by inserting 1st Monday in September. The amendment was adopted and the Society adjourned.

J. M. Kelley
Sec. adjourned.

Monday, Oct. 6, 1876.

The Society met as per adjournment, but there being no quorum present adjourned over to the 1st Monday in October.

Thor H. Lee
Secretary.
Monday Oct. 3rd 1870.

The Society met as per adjournment Dr. R. D. Walck on the chair. The business being about the reading of the minutes was dispensed with and Dr. B. T. Baker was appointed to the time Vincent de Bougen, Bell, Gibbs, Major Day, Hall, R. H. Blain, R. D. Walck, and Walck.

A. W. Clair moved: That the secretary be furnished with a list of the delinquents and that he notify them of their indebtedness. Adopted.

Dr. Burgess moved that we proceed to the election of officers. Adopted.

Dr. Burgess nominated Dr. R. A. L. Winter and without any action being taken, the Society adjourned to Monday, Oct. 18th at 7:30 P.M.

J. F. Welter
Sec. Winter
Monday Oct 18th 1870.

The society met as per adjournment. In the absence of the President, Dr. John S. Herring, Vice President was called to the chair. Present: Dr. Allen, Mr. Bixen, Mr. Bean, Mr. Dallas, Mr. Damon, Mr. N. W. Miller, Mr. H. B. Watkins, Mr. G. H. Allen, Mr. B. Winter, Mr. Wash. and Mr. Winter. The minutes of the previous meeting were read and adopted. By request the President announced the death of Dr. W. W. Miller who died December 20th. On motion of Dr. Allen a committee of three was appointed to draft suitable resolutions on his death. The President appointed Dr. E. C. B. B. and Mr. H. as said committee. The check list was then in order. Dr. R. L. Walsh and Dr. O. P. was appointed for said office. Dr. Walsh and Dr. Pomper were adopted as said officer. Dr. Pomper was then elected to the office. On motion of Dr. Allen the election of Dr. Walsh was declared unanimous. The treasurer then made a statement of the finances of the society. He stated that the following gentlemen 29 in all, had failed to pay the assessment of $100 as per resolution No. 11th 1870. Dr. Ellis Allen, Mr. J. Griffin, Mr. H. Blane, Mr. M. B. Harlan, Mr. I. B. Adcock, Mr. C. W. Beebe, Mr. R. H. Bell, Mr. W. H. Burns, Mr. J. B. Coons, Mr. W. D. Darst, Mr. J. W. Davis, Mr. D. F. Duke, Mr. J. H. Jones, Mr. J. T. King, Mr. W. W. Miller, Mr. J. P. Ford, and Mr. B. Winter. Mr. O. P. with the following resolution passed. That a committee of eight be appointed to carry this act out and one from each of the said counties to make up the full committee and collect the tax for the committee. The following gentlemen were said committee.
Resolved: That this Society meet on the 1st Wednesday of each month and that all resolutions and printed resolutions conflicting with the above are hereby repealed.

Resolved: That the secretary send notices of each meeting.

After some debate, the resolutions were adopted.

The Society then adjourned to January 17th.

Secretary
Monday, 21st 1776

The court met at six o'clock. The President, J. B. Wharton, in the chair. Present: B. G. Burgess, B. C. Davis, E. Evans, J. F. Finch, H. G. Gill, J. Hopper, A. P. Johnson, J. M. Kelly, J. McGhee, W. N. McKnight, J. Key, R. N. Melo, W. White, and M. Winter. The minutes of the preceding meeting were read and adopted. A. H. Walker, from committees on printing, reported as follows. The total consisted of all the printing offices and presented the following:

The schedule of prices for printing the Constitution and the laws:

**Gilber Brothers**

100 copies: $14.75
200 copies: 16.60
300 copies: 18.50

**Peckell, Fincher & Co.**

100 copies: $14.00
200 copies: 17.00
300 copies: 22.00

**Judd & Petreille**

100 copies: $15.00
200 copies: 17.00
300 copies: 20.00

**More**

100 copies: $12.00
200 copies: 15.00
300 copies: 18.00

I was absent. J. M. Kelly also offered the following amendment to the Constitution and By-Laws.
Amend the Constitution by adding to the list of offices to be elected, the position of Vice-President. Any person elected shall be required to sign the Constitution and By-Laws within two months after the election, or the election will be void. The new Constitution was read over the entire room for our benefit. Dr. Johnson from the sub-committee reported that a balance of $1,250 was still due the Dr. Schley and was the amount to be taken from the bank. The society took some action on the bill which was referred to the committee on finance. The bill was referred back to the committee on finance. At the next meeting, Mr. H. W. Head was named as a member of the society and his name was referred to the Executive Committee. Dr. French moved that 250 copies of the Constitution and By-Laws be ordered from the printing office. Dr. McPherson moved to amend by inserting the sum of $1,000 in capital stock instead of the first amendment in the society. This amendment was adopted. Dr. Boggs presented with remarks a case of typhoid in children which had been treated in by Dr. McPherson, Ralph Field, George Field, French, and Welch. Dr. Head then related a case of pneumonia by strychnine and treatment with medication. Dr. Edmondson moved to adjourn to meet on Monday, Nov. 21st.
Monday Nov. 21st 1870.

The Society was called to order at 7.30 P.M. The 1st Vice President Dr. Geo. A. Fitch in the chair. Present Drs. Callan Fitch, French, Dallas Johnson, Jamison, Mead, McKeelie, Meagher, Patterson, Rofy, St. Clair, Sarkington and Free.

The Treasurer handed in the following report:

\[
\begin{align*}
\text{Disbursements to Recording Secretary} & : \quad 35.25 \\
\text{" Corresponding "} & : \quad 5.00 \\
\text{" For purchasing, Seal of Society} & : \quad 10.00 \\
\text{" Printing address of Dr. Broggon (one half of bill)} & : \quad 12.50 \\
\hline
\text{Total Receipts} & : \quad \£ 6.25 \\
\text{" Disbursements} & : \quad \£ 62.75 \\
\text{Amt. in hands of Treasurer} & : \quad \£ 2.25 \\
\text{Unpaid bill for printing} & : \quad \£ 12.50
\end{align*}
\]

Dr. W. Hamlet was nominated for membership, and under the rules his name was referred to by him.

Dr. St. Blair, from committee appointed to draft resolutions on the death of Dr. W. N. Miller, reported the following preamble and resolutions which were adopted:

\[
\begin{align*}
\text{Whereas: It has pleased} \\
\text{Almighty God to remove from our number by death our late} \\
\text{classmate and co-laborer in the profession, Dr. W. N. Miller} \\
\text{Therefore. Resolved:} \\
\text{That one has departed from among us} \\
\text{who so far as his brief stay has enabled us to determine,} \\
\text{was deserving of our kindest consideration and esteem} \\
\text{and whose modest bearing and many virtues we shall} \\
\text{ever remember and strive to imitate.}
\end{align*}
\]
Resolved: That in the untimely death of our late member and professional brother, this society has sustained a loss which we must deeply feel and sadly regret.

Resolved: That we tender our warmest sympathies to the afflicted wife and mother of the deceased, imploring for them the consolation which the good of mourners can alone give.

Resolved: That a copy of these resolutions, signed by the President and Corresponding Secretary of this society, be transmitted to the wife and a minute of these proceedings be entered when the book of the Recording Secretary.

F. C. Atlee, M.D. (Committee)
Mr. H. Roby, M.D.
The Medd, M.D.

The following amendments to the Constitution and By-Laws, which were proposed at the last meeting, were brought up for consideration: Amend the Constitution by adding to the list of officers, "a Librarian." Adopted. Amend the By-Laws as follows: Persons elected shall be required to sign the Constitution within two months after their election or the election shall be void. Adopted.

Dr. McNally then read the Constitution and By-Laws as amended, and moved their adoption as a whole. A debate was entered between Dr. Medd and McNally as to the legality of a section of the By-Laws defining the duty of the Librarian. Dr. Medd contended that it was a substantial amendment and under the rules should give over for one meeting. Dr. McNally contended that it was an amendment to the amendment and could be acted on at once, and appealed to the chair. The President decided that it was an amendment to the amendment and could be acted on at once. Dr. Medd appealed from decision of the chair. The Society refused to sustain the appeal.
The vote was then taken on the adoption of the Constitution and By Laws as a whole. Before the vote was announced Dr. Mead changed his vote to the affirmative. The Constitution and By Laws were then declared adopted. Dr. Mead gave notice that he would move a reconsideration. The Society then adjourned to Monday, December 5th.

That M. Lee
Recording Secretary.
Monday Dec. 5th 1870.

The Society met as per adjournment. In the absence of the President and Vice President, Dr. R. E. Brown was called to the chair. Present: Drs. Flansberg, Brown, McAdoo, French, Jarrard, Heinschmidt, Meg, McVally, Maugard, Parkinson, Patterson, Rob, Stabler, Towe & Frank Watch. The minutes of the previous meeting were read and adopted. The following resolution favorably on the nomination of Dr. W. H. Halbert for membership. Dr. W. H. Maugard was nominated and seconded; his name was referred to the trustees. Dr. Halbert was then elected to membership. Dr. Frank Watch on behalf of the finance committee reported that the Society is over $800 more than we had a balance of $32.79 on his bills and asked a five per cent. discount on those who attended the lecture. Adopted. The following resolution was then adopted: Resolved: That the committee appointed to canvass their respective districts in the purpose of collecting the assessment of Jan 1st, 1871, be instructed to collect the entire and to send to the treasurer, the amount of money they may have collected and that the corresponding secretary be informed; Dr. Head then moved a reconsideration of the vote in which the Constitution and by-laws had been adopted. Dr. French moved to lay the subject over to the next meeting. Lost. The motion of Dr. Head was then adopted. Dr. Head then stated that an amendment to the Constitution had been adopted at the last meeting creating an office of librarian and on the Constitution being read a section had been introduced defining the duties of librarian. This section he considered a new amendment and under the rules should lie over for the meeting. The chair (Dr. Fith) had decided that it was an amendment to the amendment and could be acted on at once; he had appealed from this decision, but the Society had refused to sustain the appeal. He now again appealed and asked the Society to sustain him. The Society refused to sustain his appeal and ordered the Constitution and by-laws were adopted as a whole.
Dr. Kleinshmidt then offered, for the consideration of the body, a specimen of fibroid tumor which he had removed from the face of a negro. He also gave an history of the case. Dr. Maguire then offered the following resolution which was adopted: Resolved, that the Committee on Essays be authorized to designate two members commencing at the head of the list to write essays, and those failing to write when thus designated shall be fined 50 cts. provided that they have received a notice of their being selected two months previous to the appointed time, and that the corresponding secretary be instructed to inform them when thus designated. The Society then adjourned to Monday Jan. 3rd 1871.

[Signature]

Secretary.
Monday Jan 9th 1871.

The Medical Society of the Alumni of Georgetown College, met in the College Building on Monday January 9th, just at 8:15 P.M., Dr. Fitch in the chair and Dr. Callan secretary pro tempore. Present here, P.S. White, McVeigh, Roff, Winter, Kleinschmidt, and R.S. Walsh.

The minutes of the previous meeting were read and adopted.

Dr. French nominated for membership Dr. W. E. Woodbury, whose name was referred to the Executive committee.

Dr. McNally stated that the Treasurer had authorized him to report for him, that there were twenty-five cts. in his hands to the credit of the Society. That only one of the committees appointed October 10th, 1870, to collect the assessments for that year from delinquent members, had reported there were no members in his (the 5th) ward who were in arrears to the Society.

In consequence of the low financial condition of the Society, Dr. McNally offered the following resolution which was read and adopted: Resolved, That an assessment of one dollar be levied on each resident member of this society, to defray the expenses of the current year.

Dr. R.S. Walsh, then read an interesting paper on the subject of Syphilis. In treating congenital Syphilis in infants, Dr. Walsh had noticed that bad results invariably followed the internal administration of Mercury. When he gave Hydrastisnum, Tinct. or other preparations of mercury, the stomach immediately became deranged, rendering it necessary to discontinue this mode of administration. In these cases he places great confidence in the local application of mercury, claiming that its good effects were unaccompanied by the evil he had noticed when given internally. He had been experimenting with success an ointment made in the following proportions: Urea, Uriters, Hydrastisnum, Tinct. al Ceresi 3iv. This he
applied to the skin, obtaining good results.

Mercury had never prevented the appearance of secondary symptoms in his practice, though he had used it with decided benefit.

Dr. Rep. inquired if there was any particular portion of the body that was more susceptible to the action of the ointment than any other, Dr. Walley replied that he usually placed the ointment to the most convenient spot, on the body or extremities.

Dr. Klingschmidt related a case of Syphilis occurring in his practice. The patient was a large man, and over six feet in height; he had been under medical treatment for ten months, and was handed over to the care of a brother, who had been attending the man, but had no further interest in the case, as he was compelled to leave the city temporarily. The man presented a phagedenic ulceration on the scrotum, and on the glans penis, which was further aggravated by phymosis. All the remedies which are usually given had been used in this case and had received no benefit whatever. In the contrary, it seemed to be getting steadily and surely worse, the phagedena was still spreading, the man had fever, night sweats, his pulse ran eight to 10, and he was in altogether in such a reduced condition of vitality that the Dr. despaired of doing any good and looked for the patient's early death.

In order to get at the ulceration on the glans penis Dr. Alt opened the Phimosis, fearing it would be circumcised lest the phagedena might invade the new wound and create the trouble. Copious hemorrhage followed the operation and continued persistently. Notwithstanding repeated attempts were made to check it by mercury of iron, cautery, and other substances. At length, the tissues came away and the hemorrhage continued, it was finally subdued in a manner by pressing the penis and scrotum by...
means of Ether spray.

On visiting the patient next morning, the part was much swollen, and the patient had a good case of

Orchitis. Administered Calomel and Julep. Contrary to expectation the man began to improve. The Phagedena
did not invade the wound made for the relief of the

Phymosis, in a short time healthy granulations appeared
the ulcer healed and the man recovered, minus a portion
of the Glans penis which had sloughed off. The Dr was
led to believe that the freeing of the part must have contrib-
uted a great deal to the sudden and rapid improvement
noticed in this somewhat remarkable case.

Dr. Kleinschmidt on the part of the Committee on Essays
announced the following names as next on the roll to
read Essays before the Society. Drs. Allen and Peterson
on the first Monday in March; and Drs. Bond and
Croazen on the 1st Monday in April, and stated that
Dr. Appleby would read a paper at the next meeting
on the subject of Diphteria.

The motion the Corresponding Secretary was instruc-
ted to inform the Gentlemen appointed to read Essays
before the Society, that their names had been an-
ounced for that purpose.

Dr. McNally hoped some arrangements would be made
by which the Society would meet oftener.

Dr. Walsh said that frequent changes had been
made in this respect and no good had arisen therefrom,
and we had returned to the practice of meeting once a
month, and as this was sufficiently often, thought it would
not be for the benefit of the Society to make any further change.

Dr. Caldwell offered the following Resolution: Resolved, that a committee
be and is hereby appointed to consist of the President and Vice
Presidents of the Medical Society of the Alumni Club, whose duty
shall be to wait upon and cordially urge the means of the Faculty
Medical Department Georgetown College, to request the Faculty
at its next meeting, to publish in pamphlet form, the his-
tory of the Medical Department of Georgetown College.
the names of all its Professors and Graduates, since its organization, with, as far as can be, ascertained their respective places of nativity, and present residences, designating those who are known to have departed this life.

Dr. McNally asked if this was intended to instruct the Faculty to print the pamphlet.

Dr. Callan replied that it was merely the intention to ask the Board to offer a resolution to that effect at the next faculty meeting. The resolution was adopted.

The Evan and Janet having entered the room since the resolution of Dr. McNally making an appropriation of $100 towards resident members, to meet the expenses of the current session being adopted, Dr. McNally requested the Secretary provision to make the resolution, which being done, he asked the President to act as treasurer to collect the new assessment from the members present desiring to pay it. Whereupon the following, named gentlemen responded each paying $10: Dr. Lewis, Dr. Ewan, Janet, McNally, Rev. French, Thite, Tibbs, Klingenschmidt, Dr. L. Walsh, Minter, Callan. Appointed, to meet in the College Building on the 1st Monday in February at 8 o'clock P.M.

Dr. N. Callan

Secretary Pro Tem.
The Medical Society of the Alumni of Georgetown College met in the College Building Monday February 6th, 1871, at 8 o'clock P.M., Dr. Titch in the Chair.

Present were Drs. Adams, Appleby, Brown, Daily, French, Gibb, Hamlet, Mason, Meade, Mr. Nally, Roper, Sothoron, Sinclair, Tarlinton, Tree, White, and Callow.

Dr. Tree announced that he expected to be absent from the City for some time, and asked that a Secretary be appointed to fill his place. Dr. Callow was requested to act as Secretary.

The Treasurer reported $125 in his hands, and a bill against the Society of $2,500 due for printing the oration of Dr. Berry.

Dr. Nally, from the Committee appointed to have printed the Constitution and By-Laws of the Society, reported that the committee had performed its work, and asked that it be now discharged, which was done with the thanks of the Society.

Dr. Titch, from the Committee appointed January 9th, 1871, to wait upon Professor Eliot and secure the publication of the History of the Medical Department of Georgetown College, with a list of its Professors and Graduates, reported that the committee had called upon Prof. Eliot at his office, that gentleman gave the subject his approval, and promised to urge the Faculty to comply with the request of the Society, since that time Prof. Eliot has informed him that he need have no further concern in the matter, as the Faculty would attend to it.

Dr. Mead asked what provision had been made by which the assessment now due from Members of the Society could be collected. The Chair read from Article X of the By-Laws, "Any person who shall not pay his assessment for two years in case of absence from the City shall have his membership."
Mr. Wm. B. Goodman, Howard V. Barker, Joseph G. Fitzgerald, and Smith were nominated for membership. Reported on favorably by the Executive Committee, Mr. Fitzgerald & Smith, who were elected.

Dr. McRae offered the following: Resolved that a committee of five be appointed by the Chair to solicit subscriptions from members of this Society, which subscriptions are to be paid at $2.00 each for the Annual supper. The Committee to report results, and to give no order for the supper until directed by the Society to do so. And in case the surplus of the subscriptions should not warrant further proceedings, the funds to be returned to the individuals subscribing. It being distinctly understood that the Society shall in no way be responsible for any debt contracted in behalf of the society. Adopted after being amended by fixing the subscription at $3.00.

Dr. McRae moved that the supper be held on the 25th of March, the anniversary of the Society, last to meet. Offered the following: Resolved that the corresponding secretary notify each member of the Society, the amount due them to this Society, endorsed on the annals, of the cost that the same be returned if not delivered within five days. Dr. McRae moved to amend the resolution by making it the duty of the Treasurer to notify the members. Carried. The resolution was adopted.

Dr. McRae from the Committee on Etiquette announced the names of Mr. Proctor and Ellul to read papers before the Society on the 1st Monday in May next. Dr. McRae stated that Dr. Appleby had come prepared to read a paper before the Society on the subject of Republica, but on account of the lateness of the hour desired that he might be excused. Dr. Appleby was excused. The reading of his paper postponed until the next regular meeting.

On motion of Dr. Rose, the Corresponding Secretary was instructed to communicate with the Faculty with a view to obtaining the assent of the Faculty to postpone the
lower lecture hall, for the meetings of this Society.

An motion of Dr. McNeill the resolution laying the
appeal for the current year was read, and a recei
agreed upon to enable the Treasurer to recof the asep-
ment from these members present who desired to pay it.
Dr. Adams stated that some time ago several gent-
men were elected to membership in this Society, their
initiation fees were not handed in at the time, and
the Treasurer was authorized to pay the required amount
three gentlemen were never notified of their election and
he would like to hear why notices had not been sent.
the Treasurer informed Dr. Adams that he had decli-
med to pay the amount alleged to, and consequent
by the gentlemen were not members & did not need
notices.

On motion of Dr. McNeill the Secretary was appro-
ved to furnish to the Stepper Committee a list of the
members of the Society and their residences, and also
on the notices for the next meeting to state that
subscriptions would be accepted for the Annual
Stepper, the notices to be endorsed to be returned
if not delivered in ten days.

Adjoined to meet: March 1st, 1871, at 8 o'clock P.M.

E. Y. Callan

"Secretary, pro tem."
The Medical Society of the Alumni of the Medical Department of Georgetown College met in the College Building Thursday, March 14, 1871, at 8 o'clock P.M.

Dr. Evans, President, in the Chair. There were present: Mr. J. Lee Adams, Brehm, Bond, Brown, Callan, Evans, Fitch, French, Hamlet, Mason, Mead, McNally, Johnson, St. Clair, Frank Walsh, Ralph Walsh, and Hunter. Minutes of the preceding meeting were read and approved.

The Treasurer handed in his report which was referred to the following committee to be audited: Dr. Mead, McNally, and Brown. Dr. Mason called for the report of the District Committee in the regular order of business. This being the proper time, if not made now, it could not be heard later in the evening. Dr. McNally from the Committee on Supper stated that the report could not now be made and moved that the regular order of business be suspended in order that the Committee would be enabled to report whenever they could conveniently do so, carried. The Executive Committee reported favorably the names of J. Duvall, Barker, and E. A. Adams, all of
whom were nominated at a previous meeting. These candidates were then elected. Dr. Joe A. Fitzgerald and L. M. Smith were also elected to membership. On motion of Dr. McNally the Society proceeded to election of officers for the ensuing year. The following officers were declared elected: President: Dr. W. Evans; 1st Vice President: Dr. R. L. Malch; 2nd Vice President: Dr. C. H.; M. Heuss; Corresponding Secretary: Dr. F. C. W. Allen; Recording Secretary: Dr. F. Frank S. Malch; Treasurer: Dr. A. C. Beaird; Librarian: Dr. J. E. Mason.

Dr. McNally moved the Society elect delegates to the Annual Meeting of the American Medical Association. On motion of Dr. Bond the election of delegates was postponed until the next meeting of the Society, on Monday next, 6th inst.

Dr. R. L. Malch moved a committee of three be appointed to confer with the Faculty and Graduating Class in relation to reserving seats for members of the Alumni. Dr. Behrend made an amendment that a committee of one be appointed. Carried. Dr. Mason moved the Chair represent the Society, carried. On Motion the Society then adjourned.

Frank L. S. Malch
Secretary
The Medical Society of the Alumni of Georgetown College met in College Building Monday 6th inst at 7½ o'clock. Dr. Evans President in the Chair. There were present Drs. Appleby, Bond, Brown, Callan, Craggs, Cull, Daily, Dwayne, Evans, Fitch, French, Lemuel Magruder, Mead, McNally, Pace, Sotheron, St. Clair, Smith, Tuxton, F. Walsh, R. Walsh and Whitley. The minutes of the previous meeting were read and approved. Dr. St. Clair, Treasurer, reported as delinquent in not paying their assessments 19 members of the 1st order and 16 of 2nd order. Dr. St. Clair then read a communication from Dr. J. W. Porter dated 22 Feb 1871, wherein he related to his knowledge he was not a member of any Medical Society, and therefore returned the notice he had received laying an assessment of one dollar upon him as a member of the Med Society of the Alumni of Georgetown College. Dr. St. Clair in his reply to Dr. Porter (dated 25 Feb) again sent a notice laying an assessment of one dollar and directed his attention to the fact that his having signed the Constitution of the Society Dr. Porter in answer to above, encloses the sum of one dollar.
he says that I acknowledge any
connection with a Medical Society, but
simply to commemorate all interested for
their kindly efforts in my case.
Dr. McNally from the Committee
on Supper could not make a
definite report but he urged upon
members who proposed to attend
the Supper the necessity of being
having their subscriptions, especially
at the time appointed for the Supper
was near at hand. Dr. Mead moved
when the Society adjourns this
evening, it shall adjourn until the
15th next, carried. The Recording Secre-
tary was requested in sending out
notices of the meeting to inform
members that subscriptions to the
Supper must be paid at that
meeting.
Dr. R. S. L. Walsh from
the Committee to confer with Fa-
culty and Graduating Class in
regard to reserved seats for Members
of the Alumni at the Annual Com-
mencement, stated that no provision
had been made for the Alumni
but that Dr. Young & Eliot would
place the seats reserved for them
at their disposal. Dr. French moved
as a Complement to our Orator
Dr. R. S. L. Walsh that a liberal
portion of the seats we receive
be assigned to him. Carried.
Dr. Walsh returned his thanks to the
Society. Dr. McNally nominated for
delegates from this Society to the
To the next meeting of the American Medical Association the following Members—viz—R. C. Croghan, W. H. Ross, R. S. L. Walsh, W. Evans, C. A. Pitch, J. E. Mason, Theo. Mead and O. A. Nailey = the Executive Committee for the ensuing year. Dr. S. Lee, Adams D. Johnson, W. H. Ross, J. J. Winter and J. W. White, Dr. McNally then moved. The President be delegated to cast the vote for the Society, which was carried. The President cast the vote for Delegates to American Med. Association and for Executive Committee as nominated by Dr. McNally. Dr. French moved a Committee be appointed to confer with the Printing Committee of the Junior Class for the purpose of having the address of the Orator of the Alumni incorporated with those to be delivered on the part of the Faculty and Graduating Class, carried. Dr. McNally moved the Recording Secretary be the Custodian of the addresses when printed, and now be distributed to members who have not paid their dues. At this point some Members expressing dissatisfaction with the Faculty for not having seats reserved for the Members of the Alumni at the Annual Commencement Dr. Ross offered the following Resolutions which were adopted and a copy ordered to be sent to the
Faculty, Whereas, the interests of this Society and of the Georgetown Medical Society are identical, Medical Education being their mutual object; and whereas this Society is the offspring of the College, and for this reason its highest interests can never cease to be dear to us, as its Graduates and Children. And whereas it seems fitting that we, as an Alumni Association, should join with others in the festivities and ceremonies of Commencement Day. Resolved, that the Faculty of Georgetown Medical College be and are hereby requested in future, to provide regularly for the participation of this Society in the Commencement Exercises. Dr. Appleby and Adams who were to read papers at this meeting were excused in consequence of the lateness of the hour. On motion the Society adjourned.

Hand's Mark
Secretary
The Medical Society of the Alumni met in College Building, Wednesday, March 15th, 1871, at 8 o'clock P.M., for the consideration of Business.

Present: Dr. C. Brown, Dr. French, Dr. J. F. Board, Dr. J. R. McPhee, Dr. D. Goodwin, Dr. T. S. Brown, Dr. T. J. Mead, Dr. W. T. L. Godfrey.

Dr. T. J. Mead, as Chairman of the Committee, presented a statement of the accounts of the Treasurer and obtained unanimous consent to make a report. He stated that the Treasurer's Accounts had been examined and found to be correct.

Annual Report of the Treasurer of the Medical Society of the Alumni of Georgetown College.

I hereby certify that the foregoing statement is a true exhibit of the financial condition of the Medical Society of the Alumni of Georgetown College from the date of its organization up to and including March 10th, 1871.

Signed - F. O. H. Clair
Treas M. S. A. G. T. Ass.

I hereby certify that in accordance with resolution passed by Med. Soc'y Alumni of Geo. Town Colle. adopted March 10, 1871, we have examined the above statement together with all the papers there to pertaining and found it to be correct.

Signed - Theo. Mead
V. McNally

The report of the Committee was approved and the Committee discharged.

10th Mead moved that the Correspondence between the Treasurer and 10th J. M. Parker
which was read at the last meeting be referred to the Executive Committee for action. Carried. F. McNally from the Committee to have printed The Orator's (Dr. R.S.L. Walsh) Address reported that he had made an arrangement with the Printing Committee of the Junior Class to have 500 copies printed for Twenty Dollars, which was approved. The report of the supper committee was then called for. The Chairman stated they had no definite report to make — out of 26 members who had signed to attend, but 11 of them had so far paid the assessment; he therefore moved the Society take a recess of 10 minutes to allow the Committee to find out if there were any members present who wished to attend and were ready to pay the assessment. At the expiration of ten minutes the Society was called to order, and as but two more members had paid, it was deemed impracticable to get up a supper upon the scale intended, it was determined to get it up upon a different and cheaper scale. The old committee asked to be relieved, and that a new one be appointed, which was granted. The Chair appointed on the new committee the following — E. Crogson, R. S. L. Walsh, Bailey, Duvall and Bond. Dr. Callan spoke of the thanks of the Society be tendered to the retiring committee.
Which was carried. The Society then ad-

journed to the 26th inst.

Frank J. Walsh.

Secretary.
The Medical Society of the Alumni of Georgetown College met in the College Building Monday 26th March, 1871, at 7 1/2 o'clock P.M. pursuant to adjournment, Dr. French 2nd V.P. in the chair.

There were present Drs. Williams, Brown, Bond, Croggon, Duvall, Fields, French, Johnson, Nalley, H. Clair, Johnston, R. Walsh. The Secretary was reported sick, and Dr. Nalley appointed secretary pro tem. Dr. Croggon on the part of the Supper Committee, reported that they had made inquiries at several places, and had agreed to recommend that the Society select Aman's as the place for holding their Annual Supper; he having promised to furnish a very good supper at the rate of $2.50 per head, provided at least fifteen participated. On motion of Dr. Brown the recommendation of the Committee was agreed to, and they were authorised to make a contract with Dr. Aman. Dr. Croggon moved and it was seconded that a Committee consisting consisting of one member from the County, one from Georgetown, and one from each ward of the city be appointed for the purpose of finding out who will attend the Supper, also that any member of the Alumni be authorised
to invite as many graduates of the M.I. College as he may wish, provided he pays the assessment.
Both motions were agreed to. The Chair appointed the following gentlemen on the committee:
- County: H. Green, Geo. Lunn & Meinertzhagen,
- 1st Ward: H. Seidleron, 2nd Ward: R. Johnson,
- 3rd Ward: R. LeCompte, 4th Ward: H. Brown,
- 5th Ward: R. McCoy, 6th Ward: R. L. Adams,
- 7th Ward: R. Begger. The following gentlemen were nominated for membership, viz: H. L. Lummus,
- W. Ward: H. J. Hall, E. L. Hazard,
- A. Page and E. M. D. referred to Executive Committee. On motion the Society then adjourned.

L. F. Nalley
Sec. Proc. Rev
The Medical Society of the Alumni of Yale Ann College met in College Building, Monday evening, April 3d, 1871.

Dr. True as V.P. in the Chair.

Adams, Gallan, Daily, Hurlin, Magruder, Mason, Mead, Nailey, St. Clair, True, Ralph Walsh and Grand Walsh were present.

The minutes of the previous meeting were read and approved.

The Treasurer reported that the society was in debt to the amount of ten dollars for printing the Catalogue Address; and that there were due to the Society Thirty-nine dollars from members who had not paid their subscriptions.

The report of the Treasurer was adopted, and the Executive Committee were instructed in future to assist the Treasurer to collect all dues to the Society.

Dr. Adams from the Executive Committee renominated the following gentlemen whose nominations at the last meeting were informal, viz. H. C. B. B. Brown, W. Ward, H. F. Hall, L. L. Hazard and Rodrigue, also A. Page. The following gentlemen were also nominated for membership namely, D. S. Davis, M. W. Hycker and W. C. Field, all of the nominations were referred to the Executive Committee.
Dr. Magruder moved that hereafter the time for the consideration of Miscellaneous Business be limited to half an hour; and remarked that by adopting such a rule, that the attendance of Members at the meetings would thereby be increased and the general welfare of the Society be promoted. Dr. Magruder's motion was adopted.

On motion of Dr. Bailey the Corresponding Secretary was instructed to notify Dr. J. Lee Adams and J. W. R. Porter to prepare the papers to be read at the next meeting. Dr. Magruder then related a case of Fistula running diagonally across the glans penis from within two lines of the meatus to the base of the glans and having no connection with the meatus. This man had had the genitocrural twice, and the fistula with each case. The Doctor treated the fistula first with a mild solution of Sulphur of Zine, then with Citrine Ointment, and finally cured it with an injection of Nitrate of Silver of 60 grs to an ounce of distilled water. Dr. R. S. L. Walsh asked unanimous consent to introduce the following resolution, viz. That the Recording Secretary be instructed to furnish the Daily Papers with a Synopsis of the Medical Discussions of the Society, and furthermore the Name of the Members who may participate in such discussions.
There being no objection to the introduction of the resolution, a vote was taken and it was unanimously adopted. Dr. Callan moved that the Secretary be requested to bring with him to every meeting all the books and papers in his charge belonging to the Society, adopted. Adjourned.

Frank J. Walsh
Rec. Sec'y
The Medical Society of the Alumni of Western College met in College Building Monday evening, May 1st, 1871. Mr. Evans, President in the Chair.

S. Adams, Bailey, Small, Evans, French, Klieschmidt, Mead, McHale, McClure, Free, H. Walsh and others were present. The minutes of the previous meeting were read and approved.

The Treasurer reported as follows:

Receipts:

Membership Apisement 1870, 1871:

Contribution Total:

Expenditures
Bal on hand:

Unpaid Bills:

For printing

Due to Society:

Amount due from Resident Members:

Under assessments of 1870-71 = $1.00

The above report of the treasurer was adopted. The following candidates for membership who were nominated at a previous meeting:
were reported upon favorably by the Executive Committee, viz.: Davis, Field, Rodney, Hazard, Ward, Knowler, Natt, Page, & Snyder. Mr. Field, Ward, and Page were unanimously elected; the others not having paid the admission fee were ineligible.

Dr. Mead, Behrend, and Sethoron were appointed by the President the committee on Essays for the ensuing year, adjourned.

Frank S. White
Secretary
Washington, D.C.,
13 May, 1871.

The Society met as per call. W. E. Evans President, in the Chair. W. I. Frear acting Secretary.

W. N. Nally offered the following resolutions, which were adopted, viz:

Whereas, W. J. Lee, Adams is an applicant for the position of physician to the Washington Hospital,

Resolved, That the Society cordially endorses and recommends him for the position.

Resolved, That the Faculty of the Medical Dept of the Union College are very respectfully and earnestly requested to use their influence officially, in securing his appointment.

Resolved, That the exercise by the Faculty of their official influence in securing to a worthy member of this Society, the position his professional attainments, and private worth qualify him to acceptably fill will be gratefully received by us, and by it we will recognize their active sympathy in the welfare and prosperity of the
Medical Society of the Alumni of Georgetown College,
Resolved, That the Corresponding Secretary be instructed to transmit a copy of these resolutions, signed by the President, to the Dean of the Faculty under the seal of the Society, and to request that this Society may be informed of the action taken by them in this matter.

Resolved, That the following letter be adopted and transmitted, signed by the President and Secretary under the seal of the Society:

Letter to His Excellency, Henry S. Cooke, Governor of the District of Columbia.

Washington, D.C., 13 May, 1871.

My Excellency,
Henry S. Cooke
Gov. Dist. Columbia

The undersigned, the Medical Society of the Alumni of Georgetown College, respectfully recommend for your favorable consideration the application of J. Lee Adams M.D., for the position of Physician to the Washington Asylum.

This Society heartily and
Cordially endorse Doctor Adams as a well qualified, energetic and ex-
emplary Medical gentleman and feel assured that the duties of any
position he may accept will be
discharged with such ability and
fidelity as will reflect credit on
himself and merit the approbation
of the Executive.

After which the
Society, to the 1st Monday in June.

Charles M. Free
Sec'y Prov't.
The Medical Society of the Alumni of Georgetown College met in College Building Monday Evening June 5, 1871, 12:30 P.M. in the Chair. Present: Dr. Adams, Soule, Hall, McNally, French, Read, Magnier, Harrington, Ross, J. Walsh and others. Dr. McNally moved that the reading of the minutes of the previous meeting be dispensed with, after the regular order of business, agreed to.

A discussion of various medical topics then took place, in which most of the members present partook; after which the Society adjourned, until the 1st Monday in October next.

Frank J. Walsh
Secretary.
The Medical Society of the University of Upstate College met in College Building on Monday, Oct. 3d, at 7:30 o'clock P.M., pursuant to adjournment.

1st V. P. in the Chair

B. L. L. Walsh

2nd Grigger Bond, Hamlet, St. Clair, Kelchman, Dailey, French, Brown, R. L. L. Walsh, Magruder, Mason, Wilson and Francis Walsh were present.

The Treasurer reported the Society to be about 14 or 16 dollars in debt, the amount in hand one dollar and seventy-five cents.

Dr. Mason announced the death of Dr. J. Scott, Patterson of the Class of 1870, and moved a Committee of three be appointed to draft resolutions and report at the next meeting.

The Chair appointed Dr. Mason, St. Clair and French upon the Committee.

Dr. St. Clair promised to read a paper on Cundurango at the next meeting.

At 8 o'clock upon motion of Dr. Bond, the Society adjourned in order that those who wished might attend the Introductory Lecture to the Regular course by Dr. W. C. Fiddler.

Frank. L. Walsh

Secretary.
The Medical Society of the Alumni of Georgetown College met in College Building on Monday evening, Nov. 6th, 1871. Dr. Evans, President in the Chair.

The Treasurer as usual reported that many members had still failed to pay their assessments. Dr. French moved that the names of all such members be stricken from the roll; the motion of Dr. French was not seconded.

Dr. Evans again nominated Dr. Henry, J. Hall for membership, again refused.

Dr. Executive Committee, Dr. St. Clair presented a paper on the Cundurango Plant. He so-called Specific for Cancer. The paper contained an interesting description of the country where the plant is found, of the manner of growth, its varieties (being seven in number), and a brief account of the use made of the Cundurango Milk. By the nature of Ecuador, the Doctor also presented specimens of the different varieties of the plant. The specimens included the leaf, vine, and root of each of the seven varieties.

Omitted before to read that the Minutes of the previous meeting were read and adopted. At this meeting D.
Macquar, Hamlet, farthing, French, Bee, Cullen, Mason, Malby, A. T. L., Walsh, St. Clair, Evans, Wilson, Brown, and F. Walsh were present.

The excellent paper of B. St. Clair upon this interesting subject created an extended discussion, at the conclusion of which, the Society adjourned.

Frank S. Walsh, Sec.
The Medical Society of the Alumni of Gettysburg College met on Monday evening, Dec. 4th, pursuant to adjournment.

The President, Dr. Evans, in the chair.

The Secretary

being absent, Dr. Nalley acted as elected Secretary pro tempore.

Dr. Groome, Callan, Fee, Mead, French, Hitch, Allen, Brown, St. Clair and Valley were present.

The minutes of the previous meeting were read and adopted.

The Treasurer reported that owing to the number who had failed to pay their assessments, the Society was considerably in debt.

Dr. Mead moved that an additional assessment of one dollar be levied on all members, adopted.

Dr. Fox offered the following resolution, which was adopted.

Resolved, that the Corresponding Secretary be instructed to notify those members who have failed to pay their assessments to the Society for two years, that the same are now due, and that such notice be considered final, and in accordance with Article X of The By-Laws of the
Society, if at the next meeting thereafter be notified any member shall have failed to pay his dues, his name shall be dropped from the roll of members.

Dr. Fee then moved that the society proceed to the election of an officer to deliver the usual annual address (carried). Dr. Fee nominated Dr. French.

Several other gentlemen were nominated but declined. Dr. French was then unanimously elected. The Society after the transaction of some other business, adjourned.

C. F. Nalley
Sec. Post lim

Washington D.C.
Feb. 25th

In consequence of the first Monday in the month of January being the 1st New Year Day, the meeting was called for the next Monday the eightieth, but as a quorum being present the society voted to meet the 1st Monday in July.

Frank J. Walsh
Sec'y
Feb 6th 1852

The Society met in College Building, Monday evening, Feb 6th pursuant to adjournment for French 2nd. P. in the Chair. The minutes of December meeting 1851 were read and approved.

So Allen, French, Fisher, Patten, Hitcham, Hamlet, Hoag, Hanson, Beu, McNally, Luntz, Luntz, S. and H. Walsh were present.

The Corresponding Secy. reported that in accordance with a resolution passed at the meeting in December last, he had notified Dr. T. F. Hoag, J. W. B. Brown, S. W. Ritchie, Lewis Newton, S. F. Gibbon, Dallas Johnson, C. Partinson, Mrs. Poulton and E. E. Rautenberg to pay the assessments due by them but had received no answer. A notice to Dr. W. L. Sawtelle was returned unanswered. He did not send a notice to D. B. Demeritt because in a communication to the Society some months ago he denied being a member. This communication has been referred to the Executive Committee with instructions to report their action at the next meeting, but they had so far failed to do so. He had sent notices to J. E. C. P. Hanawalt, C. H. Morse and P. H. Brennan because they were not in the City.
Mr. McNally offered the following resolution.

Resolved that those members be again notified and be given until the 15th of this month to pay their assessments, and in case they fail to comply, the Treasurer shall notify the Secretary to that effect, and the Secretary shall drop their names from the roll, adopted.

The Treasurer reports the condition of the treasury on January 14th to be as follows:

The above report of the Treasurer, adopted.

Dr. Rives from the Committee reported favorably, No. 1, W. Wilk, G. M. Hammett, and Henry J. Hale, for election as members. They were unanimously elected.

Mr. Allen moved a Committee of Three be appointed to make arrange- ments with the Faculty to as to have seats provided for Members of the Society at the next Annual Commencement—carried.
The Chair appointed when the Committee to Allen, Ross and French.
Dr. Hitch made a motion which was seconded and adopted viz. that
any member who has not paid the
assessments levied by the Society shall be entitled to leave.

The following resolution offered by E. McNalley
was adopted:

Resolved, That should any
member of this Society hereafter
forfeit his membership by a failure
to pay his dues as required by
Article X of the By-laws, such
member shall not be reinstated
until he shall first pay to the
Treasurer all arrearages due by
him to the Society, prior to the
time he discontinue[d] his mem-
bership.

Dr. Mason from the Committee
appointed at a previous meeting,
To Draft Resolutions on the death
of J. Scott Patterson, M.D., who died
Aug 30, 1871, presented the following:

Washington, D.C.
Nov 24, 1871

By accordance with a Resolution
passed at a previous meeting, of
The Medical Society of the Alumni
of Georgetown College, the following
Preamble and Resolutions are presented on the death of our late Advocate, W. J. Scott, Patterson, who died, Aug 20, 1871. [illegible]

Whereas it has pleased Almighty God in His all-wise and inscrutable providence to remove from us by death, our friend and associate, W. J. Scott, Patterson, be it therefore,

Resolved, that in this sudden and unlooked for visitation we recognize our uncertain tenure of life, and the inevitable certainty of death, that fell destroy at which came down the young man in the midst of his usefulness, as well as the aged whose days of life have run out.

Resolved, that in the death of the late W. J. Patterson we feel that we have lost a valuable member of our Society, and an esteemed friend, one whom we all respected and honored for his manly bearing, generous disposition, and unassuming gentlemanly deportment, and whose many virtues and amiable qualities endeared him to all who knew him.

Resolved, that the foregoing preamble and resolutions be adopted.
upon the minutes of this Society at a Memorial that we shall cherish his memory.

Sgd. John Edwin Mason
Sgd. D. O. St Clair
Sgd. F. S. de L French
Committee

Dr. Mason gave notice that at the next meeting he should move that a Committee on Necrology be appointed. Adjourned.

--- Special Meeting ---

A special meeting was held February 26th.

Called to order at 8:10 p.m. Dr. Evans, in Chair. Dr. A. E. E. Finlay, present.

Present: Dr. Evans, Johnson, Brown, Dr. W. N. Kellogg, Dr. S. M. A. Pease.

President Dr. Evans: The first order of business, the committee on the printing of the publication of the speaker's address, the meeting having been called to consider this matter. Dr. McCulley moved to appropriate $25.00. Dr. Kellogg moved an amendment that $25.00 or part thereof, as is necessary, be appropriated. Dr. Nalley offered a second amendment that a committee be appointed to superintend the expenditure of the $25 appropriated.

In answer to a query, it was here stated, that the printing of the speaker's address, separately, cost about $25.00, while the printing of Dr. Nalley's jointly, with the other Government addresses, totalled $40.00. After debate, Dr. McCulley's motion was withdrawn and immediately seconded by Dr. Kellogg, with the modification above alluded to. Motion seconded by Dr. Finlay.
A motion was made & carried to table the preceding
Dr. Wedd moved that $20 be devoted to a Committee of three, appointed
of which Dr. French should be Chairman, to take subject in charge
under the direction of Mr. Hallam. Dr. Glenn moved as a substitute that the sum
of $50 be devoted to pay for printing 1000 copies of address 80, and that a
Committee be appointed to superintend printing and distribution of
the same. At this juncture Dr. Allen having returned from an investigation
stated that instead of $1000, as previously indicated, the graduating class
were to have printed 1400 copies of the Commencement addresses, to cost
$107 50c the share; the society to lose $25, less than one fourth of
price and almost 350 copies. Dr. Wedd here moved that the
foregoing pending motions be laid upon the table. Carried.
Dr. Allen then offered a motion, that the sum of $25
be appropriated, as an extra item of expense, to printing
Commencement addresses, and that a Committee be appointed
to consist of the Grator (Dr. French) to superintend printing
and distribution of the same. Carried.
On motion of Dr. McNeely the meeting
at 9:20 PM adjourned.
Annual Meeting, Friday March 8, 1879.

The Society was called to order at 8 P.M., the Vice President, Dr. H. Walsh, in the Chair. Dr. Chas. M. Lee, Secretary, read the minutes of the last meeting, and the President's address for publication. The reading of letters and reports concluded with the reading of the following letter:

Mr. 591, 11th St., Washington, D.C.

Feb. 13, 1879.

Honorable Frank Smith

Will you be pleased to see that the usual letters are exchanged between the alumni and the faculty, with respect to soliciting copies of this address for publication or other use, as early as practicable, at the above address.

Yours truly,

J. F. Stratton.

A special motion that the Corresponding Secretary be instructed to comply with the President's request. Adopted. The regular order of business being the Election of Officers, for the ensuing year, the following gentlemen were nominated: Dr. W. Evans, W. A. Allen, and Dr. J. Walsh, who declined. The vote on the first ballot, for Evans, Allen, and Walsh, being held, the vote on the second ballot for Evans, was elected. For First Vice-President, Dr. J. Walsh, and Dr. J. F. Blair, were nominated. Sir Walsh was elected. The Secretary was then directed to cast the ballot in the Society for the following named officers:

For Vice-President, J. F. Blair.
For Treasurer, J. F. Blair.
For Corresponding Secretary, J. F. Blair.
For Recording Secretary, J. F. Blair.
For Librarian, J. F. Blair.

The following were nominated for the Executive Committee: Dr. Allen, Adams, Callan, and R. M. Hamblet. pitched and crossed.
out of this number, the following were elected. Dr. Eales, Allen, Grammer having received the highest number of votes. Dr. G. M. Allen, fitting friends. The levy was directed to be made to the vote of the society for the following gentlemen to serve as delegates to the American Medical Association. Dr. G. W. Allen, Adams, Magruder, Bond, Allen, Evan, Allen.

Dr. Bond moved that in case of inability, on the part of any of these gentlemen to attend the convention, the President be empowered to fill the vacancy. Adopted.

The following were then appointed to form a Fundraising Committee: On Neurology, J. C. Grammer, G. W. Allen, and H. H. Parker. On Essays, G. L. Magruder, G. W. Allen, and G. M. Allen.

Dr. Park moved that all tickets for reserved seats at Commencement, remaining in the hands of Committee, after Monday, be handed over to the auditor. Dr. G. M. Allen seconded on the substitute, that from tickets be given to everyone present, if night, and the remainder to the auditor. After some debate, Dr. G. M. Allen’s motion was adopted. Dr. G. M. Allen was then nominated and elected to membership. Dr. Allen announced that at next meeting, he would read a paper on Blindwound. Dr. Allen suggested, that all come prepared for a debate on Canine.

On motion the society adjourned.

Dr. G. M. Allen, President.

T. F. Bennett.
Regular Meeting, May 8, 1912.

Meeting was called to order at 7:45 P.M. by Dr. J. C. Blair in the Chair. Present: Dr. C. B. Harrington, Dr. C. B. French, Mr. C. E. Tilson, Mr. F. W. Allen, Mr. F. R. H. Metcalf.

The minutes of the last three meetings were then read and corrected, approved.

The Corresponding Sec'y made a brief report, and Dr. Harrington, Jr., being called to the Chair, Dr. J. C. Blair, Ed. Treasurer, made the following report:

Final Statement of the Treasurer of the Medical Society of the Alumni of Georgetown College, showing the amount of money received and disbursed by that office on account of said Society, during his term of office.

Respectfully submitted,

J. O. H. Fitzhugh, Jr.

Dr. J. C. Blair then turned over the books to the new Treasurer, and asked the appointment of a Committee to audit his accounts, after some remarks, Dr. French offered the following resolution:—
Resolved, that in making applications for membership, hereafter, they must be made in writing with the address, and handed over to the Executive Committee formed by Dr. Mead. A motion to lay upon the table was lost after which the resolution was adopted.

Dr. Brown moved that an extra assessment of one dollar ($1) be levied upon all the members. A motion to table was lost after which Dr. Mead suggested that it would be better to borrow on the assessment again. The members were disgusted with these frequent calls.

Dr. Sheehan offered to advance $5, accompanying the offer with statement that the expenses of the society did not exceed $20 in her estimation. Dr. Brown also offered to advance $5. At this point a recess of five minutes was ordered at clause of which Dr. Mead, moved the commencement address be transferred to 9:30 for distribution, adopted.

Dr. Callan moved the following: Appoint that the committee on seats at late commencement be now discharged and the items
Of the society be here by tendered them for the faithful and satisfactory manner in which the duty was performed. Adopted.

The free offers the following Resolved,

That the thanks of the society be returned to Dr. Smith for his able address delivered at the Annual Commencement and that a Copy of this Resolution be transmitted to him. Adopted.

Dr. Magruder then moved that the him being late, the Medical Paper be postponed and read at next meeting, all other business to come at 8 PM for that purpose. adopted.

On motion authorized.

Regular Meeting, May 6th, 1872

Called to order at 8.10 P.M. Dr. J. Blair M.D. in Chair. On Roll Call, the following gentlemen reported: Bigbee Oaklan, Titus J. Blair, Hamlin, Allison Brown, French & Coop. The Minutes were then read and approved. The Corresponding Secy. reported having prepared Credentials for the Delegates to the Convention of the American Medical Association, among the rest for Dr. Ralph Bell, who was sent in the Room of Dr. Evans President he being unable to go. No report from the President nor from the Committee Art Society.

Under the head of Miscellaneous Arrivals, the question was asked if it was deemed necessary to notify all the members without definite action the Society proceed to the consideration of a paper on Ophthalmoscopy in its relation to Cancer. Dr. Grof, Dr. French for some interesting information in reference to a Case in New Jersey, he also detailed a Dissertation, into the Value of Young's Ophthalmoscope.

Dr. Harrison quoted his Citizens 64th Garrison that having at Bloomsburg Hospital given it carefully for long times
Without noticing marked effects of any kind they concluded it to have no merit whatever in cancer, regarding it absolutely inert as an Alligator and ascribing to it— as a medicinal agent, only very slight toxicity. Dr. John F. Collin moved briefly, after which a motion was made to accept the offer of Dr. Keene, to supply any responsible party with samples of the new bark, for a test. The object being to make trial of its therapeutic qualities in the Central Dispensary. At the suggestion of Dr. J. B. F. Jones, action was postponed, until a full meeting of the society could decide the question.

On motion the society adjourned.

Regular Meeting June 3rd, 1872.

Called to order at 1:30 P.M. Dr. J. B. F. Jones in the Chair. On Call of Roll, the following, responded: Drs. Brown, Pitcher, Brogdon, Flemming, Cullum, Kleinschmidt, Mason, Meade, Rof, Hammett, and J. C. St. Clair.

The treasurer reported that he had collected $250.00 since he came into office. There had been loans to the society for Printing, $15.00, which had not been repaid. Other debts outstanding were $3.00 for printing blank notices, $3.00 for paper, envelopes and stamps due fiscally. Report accepted.

In motion, the treasurer was requested to read the names of delinquents and the amounts due. By each, after compliance he stated that Dr. Jony would keep his due, not having been aware of his indebtedness. Dr. Satterfield stated that Dr. J. B. F. Jones would have nothing more to do with the society. Dr. Pitcher stated that Dr. S. Hammett chose whose names appear on delinquent list.
were non-resident members. Dr. St. Clair informed the meeting that Dr. Chisholm was in the city at the time of assessment, and that he called upon the gentleman for the amount at that time.

Dr. Mead from the Committee appointed to audit the account of the Ex-Examiners reported an error, by which that gentleman had charged him with one dollar more than he had collected. On motion of Dr. Croggan, it was ordered that the same be corrected by the repayment of the money.

Dr. Ritch called for the report of our Delegates to the American Med. Convention held in Philadelphia, May last. The Chair stated that none of the Delegates were present, with answer to foregoing inquiry, said that Dr. Bell, being present, went to Philadelphia as Delegates from the Society. Dr. Mason moved that the Delegates be informed, by the Secretary, that the Society expected to hear their report at next meeting, adopted.

Dr. Meade presented a Pathological specimen which Dr. Kleinsehmidt pronounced a Polysem, the former stating that a linnum arising from a retained Placenta is attached by its whole extent, and not like the one under consideration, by a pedicle.

The Expectant essay on subject of Placenta praevia not being forthcoming, Dr. Croggan narrated a case in which he called Dr. J. Howard in consultation. On arrival at the House, Va. a colic felt 9y. 3h. he found the Gene to be one of Placenta praevia, with Easy presentation, the Placenta forming the body had lost much blood and was almost featureless; in this emergency, he performed, to his Associate, to detach Placenta, turn y. deliver. Dr. Howard agreeing, Dr. C. proceeded, and effectual delivery by the feet, after birth of buttocks it was found necessary to use the forceps to deliver the head. The child was born dead, but the mother survived, and the Dr.
has made deliveries for safely, on two occasions of living children. He closed by asking the voices of the gentlemen present, on his action. Dr. Head & French fully endorsed his management, and Dr. Kleinschmidt said there could be no other resource, failure to do as Dr. G had done would have been failure to do his duty.

Dr. Kleinschmidt noted that when the society adjourned it be to meet on 1st Monday in Oct. Dr. Briggs moved to lay motion on the table. Carried. On this subject Dr. Mason spoke as follows: He thought we should not adjourn over the summer months, because our meeting room in summer is pleasant. But in Winter it is not so, and if we post any operations at all it should be in the Winter. The room at that time was cold and cheerless; with floor stove, broken windows and general discomfort which he had practically experienced having grown exposure at one of the meetings, contracted a severe cold which necessitated his confinement.

A motion by Dr. French to adjourn over until Sept. was then voted down, and the society adjourned to meet as usual next month.

\[\text{Reguler Meeting July 1872.} \]
\[\text{No Quorum present.} \]
Regular Meeting. Aug 5th, 1872.

Meeting called to order at 8 P.M.

The President and V. President being absent, Dr. J. Emerson was called to the Chair. To the Roll, the following: W.B. WALLER, W.H. BOOY, W.B. WAGGONER, M.E. ROBBINS, W.H. MASON, J.R. BLOOD, and J.B. MASON, who responded. There being no report from Committees and no elections for membership, the Society proceeded to the consideration of the report of the Delegates to the American Medical Association Convention which gathered at Philadelphia.

Dr. Bell of the delegates stated he had not written a report, and referred to Dr. Bond, as being prepared. Dr. Bond reported verbally, at some length, Dr. Bell following briefly, after which a mediating discussion ensued, resulting in Dr. Bond's requesting liberty (which was granted) to write a report for presentation at the October meeting.

Dr. Calhoun then called attention to the address of Dr. Elliot, Dean of Faculty, p. 10 of Pamphlet which contains commencement addresses, and offered the following preamble and resolutions.

Whereas,

The Faculty of the Medical Department of the College, on the occasion of the late Commencement Exercises, held March 17th, having heard its Governor Prof. Elliot publicly recognize the good influence exerted by the Alumni of the Dept. in behalf of their alma mater, and assured them, in complimentary terms, of its high regard and esteem, therefore, be it resolved, that the Faculty, and the Alumni cordially reciprocate the sentiments thus expressed, and as heretofore, will always labor to extend the influence and promote the fame of the Med. Dept. of the College, and by encouraging the pleasant relations that have, happily, always existed, between the Faculty, and the Alumni, will endeavor to increase that feeling of mutual interest and good will, which has been, to the Society, a faithful source of gratification. And that the Secretary be instructed to transmit a copy of this above, with just a

Jointly offered to the Dean of Faculty, adopted, the Meeting then adjourned.

No Luncheon at Sept Meeting.
Special Meeting Sept 24th 1892.

Meeting Called to order 7:40 P.M.

Dr. Jardine in the Chair. The papers relating to the Special Call, consisting of a request in constitutional form made by the following five members Drs. Head, Pittman, Peck, Fisher, and Callan, that a meeting be called, and the communication of the Directors to Blair and Peck, looking to that end were asked for and read, revealing the fact of the decease of Dr. W. S. Croppon, a late, loved and honored member of the Society.

Dr. Peck suggested that the Committee on Necrology be charged with the duty of introducing resolution. Dr. Mason as Chairman of that committee then presented the following resolution:

Whereas, it has pleased our Heavenly Father in his inscrutable wisdom to take from us our late beloved "father" Richard S. Croppon M.D., therefore resolved that the Medical Society, its Alumni, and Peabody College, learn with deep regret the decease of our late member, and sorrowfully fare with him in loving remembrance.

Resolved, that his companionship in this society has been indissoluble; his association with its members, by the warm genial temper he has so displayed, by honest, upright, and vigorous action in behalf of all in the world, that is just, and by all these qualities of head and heart, that make man, the noblest work of God. — adopted.

On motion of Dr. Peck it was ordered, that a copy be spread on the minutes, and another copy be sent under seal of society with signatures of President and Corresponding Sec. to the family of deceased. Dr. Peck moved that the society attend the funeral in a body, to meet at the church and that the society members wear the usual badge of mourning for thirty days. Adopted, and on motion, the society then adjourned.
Regular Meeting. Oct 7th, 1872.

Meeting called to order at 7:45 P.M. Dr. Harrington, President, in the Chair. On call of Roll, the following gentlemen responded: Dr. Hamilton, Geo. N. Mason, W. D. Tison, F. H. Maynard, Dr. Allen, Brown & Hope. The minutes of the regular officers' meetings were then read and adopted. The secretary reported having obeyed the orders of society in forwarding resolutions to Dr. Stetson. Dean & Faculty and to family of the late Dr. P. E. Crosson. The treasurer (Dr. Mean) reported that the treasury contained $1,15, while the society was in debt over $100. On call of committees for report, there was no response, and no names were presented for membership.

On motion of Dr. Free, the society proceeded to elect an orator. Dr. Free nominated Dr. J. Emerson. Dr. Magruder nominated Dr. G. P. Allen and Dr. Mean proposed the name of Dr. F. O. Smith. On the first ballot Dr. F. O. Smith lead first, Dr. G. P. Allen, second, and Dr. Mason third. The name lowest on the list in accord with custom having been dropped, the 3d ballot resulted in nine votes for Dr. Clain, and four for Allen. Thereupon the President declared Dr. F. O. Clain elected.

Dr. Allen after some remarks moved an amendment of one dollar for member, the motion after discussion was carried and $1100 collected.

Dr. Free, as annunciate, then read a brief paper on Infantile Hemorrhage, following which by verbal reports of case of Hydrops entering a famaous patient. Dr. Allen contributed to the discussion. Dr. Allen then referred to the case of retained placental tumor reported by him, and called for some at that time present on polyhymenial growth, he had by Microscopic Examination, verified his diagnosis. Dr. Allen narrated a case of Membranous Hemorrhage cured by suction. Saracomp, and Dr. Free reported case of Syphilis, contracted of a Chinese woman, which resist all kinds of treatment. An interesting report of the successful use of E.P. 503.
(1-4) I. Water) in treatment of an extensive ulcer of leg involving the bone, was then given by Dr. Magruder, with a minute description of the details of treatment and results. Dr. Allen commended, in the treatment of old ulcers, the Bellenworth Ointment and Dr. Head reported successful use of Petroleum Hydrat gre - 7f., in similar cases.

On Motion of De Lee, the bill of $750 for improving the buildings, in the decease of the late Dr. R.C. Gregory, was ordered to be heard. Dr. Allen, while intending to vote for the motion, spoke briefly deprecating the principle involved. Carried. De Lee, from Motion of Economy, simply moved that the speech of the Motion be read printed at Expense of the Society. A motion to postpone action, on this, was made by De Fisher, and followed by a motion, to lay the latter motion on the table, by Dr. Magruder. On a division of the Society, this motion was lost, and the question recurring on the motion to postpone, it was carried. (Pubs. 5 days) after which, on motion of Dr. Allen, the meeting adjourned.

William H. P. C. 18
Regular Meeting, Nov. 4th, 1872.

The meeting was called to order at 7:45 p.m. Dr. Evans President in the chair. The Minutes were read, corrected, and approved. There being no reports and no nomination for membership, the meeting proceeded to the consideration of miscellaneous business, under which head, Dr. St. Clair, after thanking the Society for the honor conferred in electing him Orator, stated that in consequence of continued illness in his family, he would be compelled to decline. The declination was on motion, accepted. At this point Dr. Fre made a statement, that in offering the last address of the Society, of incurring the expense of printing the Orator's address, he had been charged with being influenced to Dr. St. Clair, the Orator's act, at that time. He desired to disclaim any such feeling and called to the attention of the Society, the fact that Dr. St. Clair himself had at a meeting some time prior, put his views on record, to the same effect. In this statement, Dr. St. Clair assented.

After an interchange of opinion, it was resolved to postpone the election of Orator, until the next meeting, a motion by Dr. Brown to that effect, and the secretary was requested to give notice accordingly.

Dr. Fre then moved that the Society be not held for the expense of printing the Orator's address. After some discussion, an amendment by Dr. Callan, withholding action until Dec. meeting, was adopted.

The Society then listened to the foregoing paper on My Gangrene consequent upon Artillery Arteritis, by Dr. Callan; an interesting discussion followed, which was generally participated in, at the close of which, the meeting adjourned.
Regular Meeting, Dec 5th, 1871.

Meeting called to order at 7:45 p.m.

In the absence of the proper officers Dr. Allen was in motion called to preside. Present: Dr. Allan, Banbury Adams, Walsh, French, Winters, J. B. Brown, Hamlet, and J. T. Hill. Magruder, Allen, F. Clark, Ketcham, and R. Wallace. The Minutes were read and approved. Dr. Means reported reports as follows:

Money received from:
- J. B. Clark, late loan: 10.15
- Dr. Allen: 5.00
- J. B. Clark: 5.00
- F. R. Brown: 5.00

Assessment, Dec 4th, 1871: 2.00
Assessment, Oct 7th, 1871: 11.00

Total: $38.15

Money disbursed to:
- Printing: 25.00
- J. B. Clark (for subscription): 1.00
- Dr. Grogan, deceased (Episcopal subscription): 5.00
- W. H. B. Ref. (for subscription): 4.15
- R. T. Wilkins, Printing: 3.00

Total: $38.15

The Society is now indebted to Dr. J. B. Clark. Brown except for borrowed money as stated above, and the pecuniary is also a creditor of the Society. Accepted.

The condition of the Society has led to an investigation as to delinquent members, and the fact brought to light that Dr. J. B. Clark, W. H. B., Johnson, A. Richardson, A. J. White, Johnson, and A. Richardson, in that category, had been dropped from the Society's roll.

The report of the delegates to China was then asked for, and Dr. Allen, from the Chair, stated that Dr. Pope had read an informal meeting the report in question, but that the Society had not yet received the Executive Committee's report, and a favorable report on the name of Dr. Priestley, to which Dr. Pope nominated by Dr. Hamlet, and the Chair stated that final action would...
be had at next meeting.

Dr. Callan then moved that the Society proceed to the election of an
Orator, adopted. Dr. Brown called attention to the fact that the movement made at last meeting to free the Society from any responsibility for the printing of Orator's address, should be remembered and disposed of before the election of the Orator. No one being ready to champion the movement, the matter was dropped and nominations made as follows: Dr. G. Allen by Dr. J. Adams, Dr. Theo. Mean by Dr. J. B. Black and Dr. Wm. Roy by Dr. P. J. Walsh. Nominations of Dr. Hamlet, the nominations were closed and Dr. Walsh's Adams, appointed tellers. On the first ballot, Dr. Allen received six, Mean three, Roy six votes. In the second ballot, Dr. Allen received eight and Dr. Roy seven votes. Whereupon, Dr. Allen was declared elected, and on motion of Dr. Brown, the election was made unanimous.

Dr. Mean, reversing, alluding to the expenses of the Society, suggested that the notices might be put monthly in open envelopes, for one cent each; on motion, an order to this effect was made by the Society.

The next step in the exercises was the reading of Essays by Dr. Hamlet, reports on cases of Placenta Previa, also one of Eublo by Gonzales, with remarks on each. Interesting cases of Placenta Previa, Bacterial Orchitis. Protracted labor. Syphilis. Fever and Gonorrhoea were detailed before the Society, by Dr. French. Magnificently read by Allen, Walsh and others, with mention made of peculiarities and results of different therapeutic measures, after which the meeting adjourned.

William A. R. Feye
At first members were present, but in view of the Election for President of the District Medical Association, being set for that evening, and no quorum being present, the meeting without formality adjourned.

William A. [Signature]
The meeting was called to order at 8 A.M. Dr. Walsh T.D. in the chair. On roll call, Rev. Ammeter, Ketchem, Allen, Harrison, J. B. Callan, Brown, Walsh & Rees. The minutes of last meeting were then read and approved. Dr. Weast read, then reported, as follows.

Dr. Brown nominated Dr. Henry Coehung of Westwood (Dr. Deptt) and Dr. Ammeter nominated Dr. Hammond of H. McCanan, 476 M. F. S. In accordance with the rules, these names were referred to the Executive Committee, whose votes favorably upon them. Dr. Eugene F. Chester was then unanimously elected a member of the society. Referring to the register report Dr. Allen moved that the secretary, in sending notices to members, of the Annual Meeting, be requested to state to each the amount of their dues, and that action on the persons mentioned by the treasurer be deferred until their dues. A motion to change the treasurer's name, from Henry Fejes, was made by Dr. Allen; it was then under the rules.

Dr. Rees stated that he had been
Questions in reference to the participation of the Society in the coming Commencement exercises, and suggested that action of some kind would be necessary. Dr. Allen moved the appointment of a Committee to take the whole subject under their care; the motion was amended at the instance of Dr. Mead, to provide that the Committee should report before falling any action. The question recurring, the original motion was engaged. The Chair appointed as Committee Dr. Brown, Armstrong, and Mitchay. This Committee commenced operating by interviewing the Presidents of Senior and Junior Classes, and returned upon brief absence, with the report that the faculty would cost about $1275 for paper, for type, which for the number needed, would make a total of $900, an expense of which, as estimates being one tenth, or $90. On motion of Dr. Hammond, a special meeting to mature Commencement matters, was ordered for the 17th of June.

The best feature of the exercises, was the admission of a Case of Smallpox, in which the diagnosis was obscure. Symptoms of both Variola and Varicella being about equally present; this formed the commencement of an interesting discussion, touching Smallpox. The general complication, Pneumonia, as complications, and the modifying influence, and positively valuable results of Vaccination. Dr. Mead Wallace Allen, Dr. Hammond, Armstrong, and others participated. On motion of Dr. Allen, the meeting adjourned.

William H. Roy, F.C.
Special Meeting. Feb 17, 73

Agreed by Forty and a few of the members gathered at the College building and finding no quorum present, without formality adjourned to the annual meeting March 1st.

William H. Rob. Fair.
Annual Meeting of the Medical Society of the
Alumni of Georgetown College, Saturday, March 1, 1873

The meeting was called to order at 8 o'clock P.M. by
Dr. W. W. Ross, President, in the Chair. Dr. W. H. Ross, Secretary, was present. Dr. Allen
Boone, Dr. W. H. Ross, Dr. Allen
Parker, Dr. L. C. Driver, Dr. E. S. Clark,
Dr. B. W. Evans, Dr. W. M. Fitch, Dr. W. N. Gibbs, Dr. W. H. Hamlet, Dr. W. P. Hamlin, Meade W. Holley, Dr. W. A. Ross, Dr. D. C. P. St. Clair, Dr. J. T. St. Clair, Dr. D. R. St. Clair, Dr. W. W. Walsh, Dr. W. W. Walsh, Dr. Whitley, and Dr. Walters.

The minutes of the last meeting were then read and approved, and the Society proceeded to the election of officers for the ensuing year. The following nominations were then made for President: Dr. P. H. Walsh, Dr. C. T. Walsh, and Dr. M. St. Clair. Dr. Walsh was elected on the first ballot, and on motion of Dr. St. Clair was declared unanimous. He was re-elected, the original ballot standing: Walsh, 25; St. Clair, 1. The President, after announcing the result of the election, delivered a brief but eloquent address, thanking the Society for the honor of having been elected for four consecutive years and expressing his high appreciation of the kind support invariably extended to him in his official capacity, gave renewed assurance of his lively interest in the welfare and success of the Society.

Dr. Walsh, President elected, then assumed the chair, and after thanking the Society for this new expression of its confidence, promised by renewed efforts to prove that the trust reposed in him was not ill-founded, called for the nomination of the President.
On motion of F. Meade, that T. H. O. St. Clair be 1st Vice President and that the President cast the ballot, T. H. O. St. Clair was declared duly elected 1st Vice President.

2nd Res. by Ross, Fitch and Satheron were nominated for the position of 2nd Vice President and duly balloted for, T. H. O. St. Clair being elected was declared 2nd Vice President.

3rd Res. by Barker, Satheron, Meade and Callan were nominated for the position of 3rd Vice President. T. H. O. St. Clair with the withdrawal of their names, T. H. O. Satheron was balloted for and unanimously elected.

4th Res. by Magruder, Brescos, T. H. O. Walsh, Whitley and Allen were then nominated for the position of Treasurer. T. H. O. Brescos and Allen withdrawing the ballot was cast and T. H. O. Walsh declared elected on the second ballot, on motion the election of T. H. O. Walsh was made unanimous.

5th Res. by P. R. Brown having been nominated for Corresponding Secretary, on motion the President was instructed to cast the ballot, which resulted in T. H. O. Brown's re-election.

6th Res. by P. R. Brown nominated T. H. O. Meade for Secretary and moved that the President be authorized to cast the ballot, which nomination being concurred in and motion carried T. H. O. Meade was declared elected.

7th Res. nomination of T. H. O. Meade as 1st Church Mason was elected Librarian.

The following gentlemen were then nominated for the Executive Committee, viz.: T. H. O. Callan, T. H. O. Hamblet, T. H. O. Ross, T. H. O. Emery.
Fitch (12), Mannes (10), Darlington (3), Allen (2), Gibbs (2), Griffith (1), Matthes (1), Dr. Callen, Hamilch, Psa. Fitch, x Evans, being elected.

Fitch moved that the election of delegates to the American Medical Association be postponed until the regular meeting in April, and supported his motion with arguments which excited lively discussion after which his motion was carried.

The report of the Treasurer was then submitted, which was as follows:

To: Theodore Meade,

From: March 1872 to March 1873

Amount of Receipts from Membership Fees: $3.00

Check: Oct 4, 1872, $5.00

Oct 7, 1872, $10.00

From former Treasurer: $10.15

Miscellaneous Sources: $10.00

Borrowed Money: $10.00

Total: $51.15

Disbursements:

1872: May 9, $1.00 to B. D. O. S. Clair.

1873: Sep 19, $5.00 for death of J. O. Coggin.

Oct 19, $1.00 for Sec. Fees.

Nov 5, $3.00 to A. B. Atkins for B. Blanks.

Dec 7, $5.00 to B. D. O. S. Clair for ordination.

Feb 5, $5.00 to J. R. Brown.

Total: $118.15

Recapitulation:

Total Receipts: $51.15.

Total Disbursements: $118.15.

Balance: $3.00.

Washington, D.C., March 1, 1873.

Theodore Meade, Treasurer.
The report of the Treasurer was accepted.
Comm'r Hunting reported that the Junior Class had made arrangements with W. Cunningham to have the printing done at the rate of $3.00 per 100 copies (of addresses) and that the Mc\-\- Society of the Alumni would be furnished with the number the members required at the same rate ($3 per hundred). On motion of D. F. Slade the Society decided to accept the proposal and to give $50 of that number to the Orator.

Mr. Allen moved that the expenses of the ensuing year be provided for by an assessment of $1.00 per member. Mr. S. C. Weller seconded the Resolution to read $1.00. The question being called the amendment was lost, and the motion of Mr. Allen carried.

Five minutes recess was allowed for collection of money, and on the meeting being called to order, Mr. S. F. Clair moved that only $12 be paid out of the funds of the Society toward the liquidation of the Hunting Bill. Motion seconded, submitted to the meeting and lost, after which Mr. S. F. Clair rose to personal explanation, showing the tenability of his premises and the absence of personal animosity on the part of the trustees, also stating he was willing to pay for what he received at the stated rate. Mr. Allen then arose and offered to pay whatever might be required to make up the amount necessary to pay the bill.

Mr. Barker stated that the Junior Class intended changing the Alumni at the rate of $100.00 for 1050 recognitions. Notice was also given that the Dean of the College expected
The Society to be seated on the platform. The Secretary then announced that the subject for medical discussion at the next regular meeting would be "Umbilical cord of Abdomen."

The President then appointed the following committees:

Committee on Necrology
Dr. Evans, Barker and Breece.

Committee on Essay
Dr. Gibbs, Lowall and Whitley.

The meeting then adjourned (on a motion)

R. D. P. French
Secretary.
dees gave his address. His explanation was accepted as sufficient. Dr. Evans reported the cause of Dr. Davis's non-payment, it being due to non-receipt of notices.

Dr. Evans then nominated Dr. A.T. Bogue for membership and his name was referred to the Executive Committee. On motion of Dr. Lee, Dr. McCaulley and Courington were elected members of the Society. Dr. Green reported that Dr. Washburn had read a paper on gum spots of abdomen. Dr. Washburn had asked him to render his services to the Society he having been detained by urgent professional duties. Dr. Lee then gave a formula for the cure of obstinate gonorrhea viz. Di Capsula 30s. Tinct Carb 3/4, Aqua Fort. 3/4, to be used as injection, and remarked that as shown by Burnstead, Capsula had no therapeutic value as a topical remedy, but depended on certain changes which it underwent in the blood for its efficiency in Gonorrhoea. Dr. Klein smith remarked that he had frequently used it and found it an excellent remedy. He believed that all cases of Gonorrhoea would go well if left to themselves. Dr. Washburn did not believe in relying on the use of medicatrix naturae in such cases. Dr. Klein smith replied that in all old cases of the disease structure was present and cited several cases. An interesting argument then ensued on the etiology, pathway, and infiltration of urine in the question. Dr. Magnudus stated that his experience showed that medicine had a decided effect on gonorrhoea, and
patients who failed to continue medicines ordered for them invariably failed to get well. Dr. Kleinsmith cited cases of obstruction resulting from the fragments of catheters being retained in the bladder.

Dr. Kleinsmith detailed an interesting case of variola and varicella occurring in a newborn baby, in which both diseases were distinct and ran their respective courses. Dr. Southeron cited a case of variola where the eruption was not peculiar, when the discussion closed, and the Secretary announced that the subject for discussion at the next regular meeting would be the "neutral antagonistic action of opium and belladonna.

On motion the meeting adjourned.

R. T. M. French
Secretary.

Regular Meeting M.D. Alumni, April 7, 1874.

The meeting was called to order at 7:35 P.M. by Dr. R. E. Walsh, President, in the Chair. Dr. French, Secretary, called the Roll the following members responded to their names: Dr. Allen, Brevo, Callow, P. M. French, Kleinsmith, Mason, Meade, Wagnader, Smith, Fee, Wilson, Walsh, the minutes of the last meeting were then read, corrected and approved. Dr. Meade, Treasurer, reported the condition of the Society's finances as follows: $23.00 paid for printing Circular. Remaining in Treasury $15.00. Also that he had...
received $3,00 since the opening of the present meeting.

The Executive Committee reported favorably on the application of D. A. P. Bagge for membership.

Dr. Edward Church was then nominated by Dr. Fitch and Dr. Charles van Baaren. By Mr. Allen, as candidates for membership, the prescribed fee being paid, their names were referred to the Executive Committee.

Dr. Allan, Chairman, on behalf of the Executive Committee submitted the following names to be dropped from the list of membership by reason of having failed to pay their assessment dues for two years:

1. J. E. Russell, J. W. Jones
2. Ralph Bell, J. W. Wilson
3. C. Behrend, C. A. Hall
5. R. J. Gilmore, H. T. Porter
6. Paul O’Hara, W. T. Richardson
7. Dallas Johnson, H. E. Paulson
8. Morris Ritchie, Lewis E. Rautenberg

And on motion their names were ordered to be dropped from the roll of membership.

D. A. P. Bagge was then balloted for and declared but elected, and his initiation fee of $100 ordered to be returned.

Dr. Heinich and Mr. Bagge moved that the election for delegates to the Annual Convention of the American Medical Association be indefinitely postponed.

Dr. Allen moved as a substitute for the above, "That the Secretary be directed to procure a protest against the action of
the 1st Convention of the American Medical Association in declining to receive the Delegates accredited to them from this Society; as printed discussion ensued in which it was shown that one of the two delegates failed to present his credentials and that the other was disqualified by reason of his non-conformity with the Code of Ethics of said Association, and also that said Association refused to receive delegates from any Alumni Society, whether organized for social or scientific purposes; after which Dr. H."s Motion and Dr. Allen's substitute were respectively submitted to the Society and not carried.

Dr. H. then moved that the Cor. Secretary communicate with Dr. Atkinson of said Association, for the purpose of ascertaining the facts in the case; this motion was carried and ordered and to be executed.

Dr. Vee then moved that $16.00 be appropriated to pay for printing the Thesis addressed at the 1st Annual Commencement of Georgetown College, which was carried and ordered to be paid.

Dr. Vee then read a highly instructive and practical paper on the Antagonistic action of Opium and Belladonna, in which he demonstrated that these agents reacted on one another with equal force and that by counteracting one another unreliably antidote when judiciously administered. An interesting discussion.
Regular Meeting Medical Society of the County

The meeting was called to order at 8 P.M. by Dr. Wood in the chair, Dr. Meade, Secretary.

On calling the roll the following gentlemen responded to their names: Dr. Allen, Dr. Prince, Wilson, Magruder, Walter, Klemensmich, Ralph Walsh, Fred Callan, Gibbe, Dr. Beale, McNally, Pitch, French & Mason, Meade.

The minutes of the previous meeting were then read, corrected and approved.

Dr. Callan, Chairman of the Executive Committee, reported favorably on Dr. Edward Cranch and Chauncey Bearman for membership. They were :

Dr. Mason nominated Dr. Whipple, Minnicks and John Theodore Shalman for members. Dr. Shalman was voted and the regular meeting adjourned.

Dr. Edward Cranch and Chauncey Bearman were then balloted for and elected...
D. V. McNally moved the following motion:—"That hereafter the oration provided for in Article 8. of the By-Laws shall be delivered on the Anniversary of the Organization of this Society, but shall not be printed except by unanimous vote of the Society. Provided that nothing herein shall be considered as prohibiting the Orator from publishing it at his own expense." After some discussion the motion was carried.

Dr. Walsh then related the painful case of the history of j. W. Alden, wound in the abdomen by a pistolshot and the treatment pursued in the case.

An interesting discussion ensued in which many gentlemen participated alleging numerous cases of gunshot wounds and the various modes of treatment, both in Civil and military practice.

The Secretary then announced that the regular future discussion at the next regular meeting would be "Personal Abscess, preserving use of Catheter.

The meeting then adjourned.

R. P. D. Rush
Secretary.

Regular Meeting M.S. Alumni Monday June 5th, 1892.
Mr. Wm. D. French, Marrow Brunch and Bowman present, after making half an hour for a gurman the meeting adjourned.

R. P. D. Rush
Secretary.
Regular Meeting Of The Alumni
July 4, 1873

The meeting was called to order at 4:00 P.M. Dr. R. T. Ross in the chair.

Dr. French, Secretary, on calling the roll the following members were present:

As their names, Dr. French, Mason, Meade, McHale, Gibbs, Giv, Tarlington, Walck, Walter Ross, Winzen. The minutes of the previous meeting were then read and approved. The corresponding secretary being present, the treasurer submitted his report which was accepted.

The Executive Committee then reported favorably on the names of

Henry McNeice, and John A. Barnard, for membership.

1st. Rose, nominated, Dr. C. S. Litinger, and Dr. Callan nominated Dr. A. T. Barnard, for membership, and the regular fee of $1.00, being paid their names were reported to the Executive Committee for their action.

1st. Fisher moved that the rules be suspended so that the E. C. Com. might proceed immediately on the candidates.

1st. Mason 2nd the motion, after discussion the motion was lost.

2nd. McNeice and Stratton were then allotted for, and declared elected.

Dr. McHale then reported the death of Dr. Hamil, a member of the Executive Committee and moved that Dr. J. Edwin Mason be appointed to fill the vacancy, the motion being seconded Dr. Mason was elected.
a member of the Executive Committee. The Treasurer then turned over the sum of $1,000 to the Secretary to be returned to Dr. A.P. Bagne who was not elected, a member of the Society. Dr. Ross then addressed the Society at some length on the propriety of increasing the fee for membership to $5.00. Dr. McMurry responded, stating that while he approved of such a measure, it could only be accomplished by amending the By-Laws, and suggested that a certificate of membership be issued at a charge of $1.00, which was submitted as Gallows Resolved, that on and after Oct 173 in addition to the usual initiation fee, a Diploma fee of $4.00 shall be charged to every new member, provided that this shall not affect those already nominated.” This motion was submitted to the meeting and carried.

On motion of Dr. Ross, the President appointed the following committee to draft a suitable Diploma: Dr. Ross, McMurry, Washinton, French, and Barman.

Medical papers and essays being in order, and Dr. Rhinesmith being absent, who was to have presented an address, a paper on Perineal Abscess, Dr. Ross cited an interesting case of Stricture, and Dr. McSkeay a case of Double Gonorrhoeal Bubo, and Dr. Barman
several cases of Hystonia, which elicited a very animated discussion.

The meeting then adjourned.

R. D. F. French

the following members responded to their

names of: E. Evans, Vital, Frank, Callan,

Mason, Menzies, Boarman, Wegrodes,

Hollan, Ross, Tree, Tarkington, Walsh,

Haller, Walsh, Johnson,

Deaver and Corresponding Sec'y.

absent.

1st Callan, Mom. Dr. John Parson

for membership, whose fee was not paid.

2nd Callum M. Barber, P. J. Murphy and

M. J. Wallace, were nominated and

their fees, being paid, their names

were referred to the Executive Committee.

J. H. Albrodows, A. P. Beque.
Dr. D. Barnard, and C. Pittenger, were balloted for and duly elected.

The Secretary presented the seals of Drs.  

Pogue, Woodbury, Walker, and Murphy  

and Wallace, $5.00 in all.  

On Motion of D. W. Lee, the business was suspended 17th regard to charging new members $100 dollars ($100) for certificates of membership until Dec. when certificates would be ready for distribution. On motion of D. Ross the date of graduation was ordered to be noted opposite the names of members opposite their names in Constitution and By-laws, Drs. Maran and Ross have the nomination for Orator. D. Mason, declining, D. Ross was elected Unanimously. The President then stated that the election of D. Ross was agreeable to the faculty of the Medical dept. of Georgetown College. On Motion of D. Ross a committee was appointed to prepare suitable resolutions thanking the faculty for their kind recognition in appointing one of the members of our society to a professorship in the College. (D. Walsh)  

Woodbury presented specimens of improved Uterine Sound and Uterine Iatroscopy, $100.10 which was received by the Secy.

T. D. Dooly, D. R.  

Secretary
Regular Meeting Med. Society of the Alumni, Nov. 1873. Called to Order at 8 P.M. Dr. J. A. O. Walsh President in the chair. Dr. R. D. DeB French, Secretary. On calling the Roll the following members responded to their names viz: D. W. Bond, Callan Evans, Fitch, French, Bettinger, Johnson, Meinke, Ross, St. Clair, Mason, DeG., Walsh, Woodbury.

 Treasurer, Absent.
 Corresponding Secretary, Absent.
 D. W. Bettinger nominated 1st Chas. F. Rand of No. 1422, 1st Street, N.W., for membership and paid $1.00 as membership fee.

 The Executive Committee reported favorably on the names of M. D. Murphy, and M. D. Wallace, who were called for and elected.

 D. W. Bond read his report of the action of the American Medical Association on the Credentials of Delegates from the Medical Society of The Alumni at the next Meeting of the Society, which was submitted to a motion and carried.

 D. W. Woodbury then presented a magnificent specimen of pecorina at about the 6th week of development and read an elaborate and scientific essay on Extra Uterine Maturation, detailing the history of the specimen in a very lucid table and scientific manner, which was followed by a lively debate.

 F. Red Chairman of Committees on Diplomas submitted a report which was accepted.
2d Resd. Chairman of Committee appointed to draw up Resolutions "Pleading Medical Faculty of George Town College for appointed members of Medical Society of Alumni to fill vacancies in this College reported that the Committee had carried out their instructions, and asked that the Committee be discharged, the same was discharged with the thanks of the Society.

On Motion of Dr. Allan, the Committee then adjourned.

R. L. Heil, Treas. M.D.

Secretary.

Regular Meeting Medical Society of the Alumni Dec. 1, 1873. called to order at 7.15 P.M. by Dr. R. S. S. Welch. President in the Chair & Dr. L. French, Secretary. On calling the Roll the following members responded to their names: Dr. W. Davie, Parks, Dr. Callan, Meade, Welch, Massey, Munick, Stratton, Adams, Brown, Bond, Murphy, Dee, Driscoll, Magnudes, Druch, Robe, Woodbury, Walters, Walsh and Parker.

The minutes of the preceding meeting were then read and approved. The report of Corresponding Secretary presented. The Treasurer also presented Executive Committee report.

Nomination of Candidates being in order Dr. Dee nominated Dr. J. N. Brockett as a candidate for membership. Dr. Chas. A. Rand was then Balloted for and duly elected.

Dr. Drew then read a carefully studied and interesting paper on Hamlet medically considered, which elicited a lively debate.
On motion of Dr. McNally the Society then Adjourned.

Dr. D. D. French, Secretary.

Regular meeting Medical Society of the Alumni, January 25, 1874. Called to order at Place of Meeting, Dr. D. D. Walsh in the Chair, Dr. D. D. French, Secretary. On calling the roll the following members responded to their names, Dr. Biscoe, Howard, Brown, Parker, Cannon, Crouch, French, Pitch, Gibbs, Hoke, McNally, Rand, Pass, St. Clair, Tree, Whitley, Walsh, and Wallace.

Corresponding Sec'y, Nominations, Treasurer absent.

Dr. Silas E. Lavins now, for membership, Executive Committee asked for further time to report, which was granted. Dr. Parks moved abolition of Roll Call, not carried.
Dr. Tree moved an early adjournment, in order to attend election of Medical Society District of Columbia, which was agreed to.

Dr. Tree then cited an interesting case of the practice of Herb Eating in North Carolina.
Dr. St. Clair then announced that at the next meeting he would
be prepared to read a paper on the practice of Scaptoz in Russia.
The Society then adjourned.

R. D. H. French
Secretary.

Regular Meeting Medical Society of the Alumni
Feb 2, 1891, called to order at 1:45 PM by
R. D. H. French, President, in the chair, S. R. D.
P. L. French, Secretary. On calling the Roll
the following members responded to their names:
Dr. Brown, Callan, Evans, French, Johnson, Kaber, Meade,
Wagner, Rand, St Clair, Dree, Walsh,
and Woodbury and Wallace and Ross.

The minutes of the previous meeting
were then read corrected and approved.
Corresponding Secretary had no report.
Secretary presented condition of finances.
Executive Board asked for further time
which was granted.

Dr. M. Beall 3rd Grand Auge Second Class on Eulogy reported.

Dr. Dree moved that a committee of three
be appointed to confer with Printing
Committee of Senior Class, and

J. H. Rand, Rand and Wallace
were appointed.

Dr. Callan presented copy of pamphlet
on "Formulæ for Elixers" which was
ordered to be returned over to the Librarian.

Dr. Walsh moved that the Orator of this
Society be requested to deliver an oration
at the Annual Commencement at Yale
College, and that the same be
printed and paid for by the Society
all former action on this subject to
contrary notwithstanding, which
motion was unanimously adopted. Medical Abstract being in order Dr. St. Clair read an interesting and historical account of the practice of Sectarji among the Serbs in Russia and Rumania.

Dr. Meade read an original article from his own pen as published in the American Medical Journal on the treatment of Chronic Dysentery by Chlorate of Potash used as an enema for Restorin. An instructive discussion followed, after which the Society adjourned.

P. D. R. H. Forler
Secretary.
Stated Annual Meeting of the Medical Society of the Humane, March 2, 1874.
Dr. A. L. Welsh Pres.  Dr. W. S. Dick, Sec'y
Called to order a 1/2 past 8.

Nominations for President being in order Dr. F. D. Kelso was elected President and Dr. McCleary was nominated for Vice President. Dr. True and Dr. McCleary declined the nomination. The ballot being cast and stand:  Dr. Blair 14  McCleary 1. On motion of Dr. McCleary Dr. Kelso was declared unanimously elected President.
Dr. Mason, Mead, Magee, Johnson, & F. Welsh were nominated for 1st Vice President. Dr. Blair, Magee, Johnson, & Welsh declined and the ballot being cast as follows:
Dr. John Edwin Mason 15
Dr. F. Lloyd Magee 7
Dr. Mason's election was made unanimous as 1st Vice President.
Dr. Blair and Magee were nominated for 2nd Vice President - Dr. Blair declined - and the ballot being cast and stand as follows:
Dr. F. Lloyd Magee 11
Dr. Mead 10
Dr. Magee's election as 2nd Vice President was made unanimous.
Dr. Johnson, Mead, and McCleary were then nominated for 3rd Vice President and the ballot being cast and stand as follows:  Dr. Johnson 4
Mead 6
McCleary 4
Dr. Johnson was declared elected.
Dr. Henry E. Woolsey was then nominated as President and the ballot being cast he was unanimously elected. 20 votes being cast.

Dr. A. R. Brown, John Walker J., Ralph Walsh, A. H. Barker and T. A. Gibbs were then nominated as Corresponding Secretary. Dr. Walsh, Barker, Gibbs and Brown declining the ballot being cast stood as follows: Dr. Walsh 11, Dr. Walker 1, Gibbs 5, Dr. Barker 1.

Dr. Walker was declared duly elected.

Dr. Barker, Gibbs and French were nominated for Recording Secretary. Dr. French and Barker declined. The ballot being cast stood as follows: Dr. Gibbs 17, Dr. French 5, Dr. Barker 2.

Dr. Homer, A. H. Gibbs was declared duly elected. Dr. Taskington, Mead and Barker were then nominated for Treasurer. Dr. Mead and Barker declined. Dr. Taskington received 21 votes. Dr. Ingle 2. Dr. Barker 8. Dr. Taskington was declared duly elected.

Dr. Ingle was nominated for Librarian and declined. Dr. Shattan was also nominated.

Dr. Ingle received 20 votes. Dr. Shattan 2. Dr. Ingle was declared elected, whenupon he declined to serve and his resignation was accepted against his protest, he insisting on declining while the Society insisted on his resignation.

Dr. Walsh, Johnson and Ross were then nominated for Librarian. Dr. Ross and Walsh declining, the ballot was cast and stood as follows: Dr. Johnson 13, Walsh 5, Ross 2. Dr. Johnson was declared duly elected and accepted the office in a very neat and appropriate speech.

The following gentlemen were then elected as Executive Committee viz:

Dr. Van Mead, W. J. Wallace, Walker, C. Briscoe, A. H. Barker.

J. B. McCauley.
The election was then declared ended and the following Committee were appointed by the Hon.
Committee on Essays,
Dr. R. L. S. Walsh, Dr. John Grant, Dr. Charles Frie.
Committee on Necrology
Dr. Pittinger, Dr. Minnich, Dr. Wallace.
On motion of Dr. French an assessment of Thomas
and members to the Society to pay expense of printing &
and a motion taken to enable the Treasurer to
collect the same. $19.60 was thus collected.
Dr. Woodward then read an interesting paper on
Syphilis which was followed by a lengthy dis-

Dr. John Edmund Munn Chairman committee on
Necrology submitted Resolutions on the death of alumnus Dr. William Hamlet which
was received. It was then announced that the
subject for discussion at the next meeting would
be "Intermittent Fever and Syphilis."
On motion the Society adjourned.

Necrological Report in the case of
Dr. William Hamlet.

Whereas it has pleased our Heavenly Father to
take to his home above our beloved associate and
class-mate Dr. William Hamlet, Thence.
Resolved: That we bow to the deep affliction
we are called to sustain, with hearts in sorrow
and with sincere regret, mourning his departure
with profound feelings of sadness.
Resolved: That his character as a man and
Physician stands upright and unblinded, his noble heart, his remarkable integrity, his purity of motives and strict adherence to what he believes to be right, affords an example that all aspiring physicians would do well to emulate.

Resolved: That these resolutions be published in the city papers, and promptly, only attests the presented to the family of the deceased.

Respectfully Submitted

Resolutions relating to Summer Course of Lectures

Whereas: The Medical Society of the Alumni of Georgetown University have learned with pleasure that the faculty have projected a free course of lectures during the Summer, therefore

Resolved: That we congratulate the faculty of our Alma Mater and the students also, upon the privileges and opportunities thus afforded, and give the same our hearty and unqualified approval.

Resolved: That a copy of these resolutions be transmitted to the faculty of the Medical Department of Georgetown University and a copy furnished the newspapers for publication.
Regular Meeting April 6, 1874.

The regular monthly meeting of the Society was held at the College Building, Monday, April 6, 1874, and was called to order by the President, Dr. Wood, at 7:45 P.M.

The roll was called by the Secretary, the following members being present:

Dr. Wood, Brown, Baker, Betteridge, Colman, Drake,
Essex, French, Hayden, Haskell, Head, McKeth
Kinnick, Rose, Setthers, Ewing, Farer, Bell, Hale,

At a later hour the number in attendance was 31.

The minutes of last meeting were read and approved.

During reading of minutes the President entered the room and assumed the chair.

Corresponding Secretary had no report to make.

Essex (T. Farrington) reported on hand a balance of $7.50 with no outstanding indebtedness.

His report also elucidated the fact that some dues were due the Society from unpaid assessments and committee.

"Reports of Committees:"

Finance Committee in case of one late member. Dr. W. B. Maulsby: January 147.

The preamble and resolutions of which the report consisted were approved and ordered to be entered upon the minutes of the Society.

Executive Committee. Thanks to Dr. W. B. Maulsby and Henry T. Brummel nominated at a previous meeting for membership.

The following gentlemen were nominated and their names referred to Executive Committee:

Dr. F. Foster by Dr. Head
Dr. J. S. Ellicott by Dr. Wood
Dr. R. Phillips & Dr. French by Dr. French.
The admission fee of one dollar in each case was raised by the President.

Election of Candidates. Dr. B. B. Bell and H. L. Bowers were duly elected as members of the Society. The list of officers yielding to the ballot for the Society.

Miscellaneous Business.

Dr. Mason offered a preamble and resolution explaining the satisfaction of the Society in the action of the Faculty of the Medical Department of Georgetown University on granting to its students the benefit of a free summer course of lectures (see page 150).

On motion of Dr. Latham the preamble and resolution were made and adopted.

Dr. Mason then made a motion that another resolution be added to the effect that a copy of the resolutions shall be forwarded to the faculty, and that they also be published in the newspaper for publication.

Dr. Bond approved the publication of the resolutions, thinking it wise for the Society to undertake to advertise the College lectures not in the grounds of opposition to the lectures, but that the state of our Treasury would not admit of such expenses.

Dr. Allen explained that it was not the purpose of the resolution to advertise the lectures, the resolutions were simply to be handed to a editor as a mere item containing a portion of the proceedings of this meeting.

Dr. M. L. B. also approved the publication of these resolutions. He believes the Society had rights and that the members should assert them. He was not satisfied that our members should be excluded when privileges were conferred on the College and desire given places members of the alumni Society, should be offered. That be understood had recently been done, two well known physicians (Drs. Henry Thompson and Robert Reynolds) having been to the faculty.

Dr. Allen in reply said he was convinced that such
The motions of the day were referred to the committee on a motion made by Dr. Young. The report of the committee was read and adopted.

Dr. Boston moved as an amendment to the motion to accept the report. Dr. Ross seconded the amendment. The motion was carried by a show of hands.

Dr. Allen moved that Dr. J. E. T. Johnson be invited to address the Society with a paper on the subject of Arizona, New Mexico, and the West. The motion was adopted.

Dr. Lottman—Library—having brought a packet of pamphlets, announced that Dr. Rice had been invited to give a paper on the subject of Arizona, New Mexico, and the West.

Dr. Rice moved that all copies of the address remain in the hands of the Secretary, Dr. Ross, after the meeting to be turned over to Dr. Ross.

Dr. French moved as an amendment that the committee receive one hundred copies of the address. The motion was adopted.

Dr. Woodhull announced that he had recently published some instruments for the study of the earth, which he wished to exhibit at the next meeting of the Society.

Dr. Langdon moved that the meetings be held on the first Monday of every month, instead of once a month.

Dr. Woodhull and Dr. Allen seconded the motion and Dr. Langdon withdrew it, announcing that he desired to speak after the formal business.
concluded a paper commenced at the preceding meeting.

He elicited considerable discussion in which Drs. Haggard, Bond, Hendry, Walsh, Head and Johnson participated.

Dr. Head then read a paper on Intermittent Fever which also went forth with an animated discussion.

Dr. P. D. Walsh reported a case of Pulmonary epilepsy by large doses of Carbonic Acid.

After an interchange of views on the subject present the Society at the fifteenth adjournment.

Basketfield, Submitted

Thomas Fitte, M.D.
Secretary.

Monday, May 21st, 1874

The Medical Society of the Alumni of the University was called to order at 8:30 P.M. by Dr. James W. Michie. Those present were present: Drs. Mason, Johnson, Ross, Bond, Hendry, McCray, Meredith, and Worthington. In consequence of the small attendance the reading of Dr. J. F. Johnson's paper on Angina Pectoris was postponed to the first Monday in June 1874. The Society then adjourned.

(Signed) Dr. J. A. Parkington

Note: Rep. It appears proper to record here that the night in which the above meeting was held was very stormy. The Secretary was at College Building house before eight o'clock, but there being no attendance of a meeting he departed for scenes more dry and comfortable.

Thomas Fitte, M.D.
Secretary.
Call for Special Meeting of May 18, 1876

To Dr. W. O. Bigelow, President, 

On account of the important matter which presents itself, attendance at regular meeting having been held on May 11, 1876, and for the reasons that considerable interest is now excited in the proceedings of this society; also from the fact that business of importance renders it fair for opinion, besides that a meeting should be held previous to the regular time I ask for attendance in June — then give me respectfully note that a special meeting may be called for Tuesday, May 16, 1876 at 7:30 o'clock P.M. and that all efforts to secure a full attendance on that occasion may be made.

Signed
W. O. Bigelow, M.D.
J. J. Neagley, M.D.
John J. Whelan, M.D.
J. H. Parkington, M.D.
Wm. R. Dibbs, M.D.

Approved by the President.

Special Meeting

A special meeting of the Society was held in college building Tuesday evening May 12, 1876 Dr. Bigelow, M.D. presiding.

The following members answered to their names at calling of the roll:

Dr. W. O. Bigelow, Barker, Brooks, Cullin, Gibbs, Johnson, McIver, McVicker, McVicker, 
R. Clower, Tappan, Turner, Williams, Wirtz.

In turn, with the members present not twenty four.

The call for a special meeting was read by the Secretary.
Reading of the minutes was dispensed with.
Corresponding Secretary (Dr. Walker) was not present.
Resolutions (Dr. Fawcett) reported.
Cash on hand $29.36.
Due from members $23.00
He also reported fifteen members who had not paid dues for two or more years, although they had been duly notified. Report accepted.
Executive Committee — Dr. Reed, Chairman — reported
favorably on the following candidates for membership:
Dr. J. L. Eliot
Dr. J. Foster
Dr. K. Keith
Dr. T. Pettit
Dr. L. Homes
Dr. E. Young
The following candidates were nominated and their names referred to Executive Committee:
Dr. P. H. Koerner
J. D. Laidlaw
J. S. Cleland

Election of candidates. Dr. Tree moved that, in the election of candidates reported favorably by Executive Committee, the Secretary be empowered to cast the ballots for the Society. There was no objection. The ballots were cast and the President declared the six gentlemen named above duly elected.

The Corresponding Secretary, onmotion of Dr.
was directed to inform Dr. J. Harri, Thompson, and Roy Chapman,
that being Professor of the Medical Department of Kingston,
Unanimously constitute them honorary members of this Society.

Dr. J. P. F. Johnson then addressed the members present with a very instructive and entertaining paper on Angus Cestonia as illustrated by the
of the late Diana Simpson.

At its conclusion Dr. Tomasson offered the following.
Resolved: That a copy of the valuable paper on Anemia Prostatica read this evening by Mr. A. J. P. S. Johnson, of the University of Edinburgh, be solicited for publication in the New York Journal of Medicine.

Recommendation adopted.

After an interesting discussion on the subject presented, the Society, adjourned.

Respectfully submitted,

THOMAS P. E. H. M.D.

Secretary

June 1st, 1874

The regular monthly meeting of the Medical Society of the Alumni of King's College was held at the College building, 200 E. 115th street, in the City.

The following members were present: DRs. Brown, Fisk, Hagan, Bibby, Hackett, Hulbert, Black, Link, Anally, Parsons, Sears, St. Clair, Partridge and Woodbury.

Notice of preceding meeting read.

Dr. Roe arose to express the opinion, that the special meeting called and held May 12th was regular, and its proceedings unconstitutional. He requested the president to appoint a committee of three to settle the question.

The president stated that in his opinion the call for the special meeting exercised by five members was unanswerable, and his intention regular and perfectly constitutional to transact the business brought before it.

The Corresponding Secretary was not present.

The Treasurer reported an amount in hand $49,75.

Due from members $12.70.

Also that fifteen members had neglected to pay assessments for two or more years. Report adopted.

As usual from the Executive Committee reported from
on the following candidates for membership:

Dr. R. T. Keene and J. L. Leland

There were no candidates nominated.

Dr. Keene and Leland were then elected to membership by a unanimous vote, the Secretary casting the ballot for

Dr. Keene.

Amendment

Dr. R. R. Washburnoffered the following resolution:

Resolved, That the Constitution and By-Laws of the Medical Society of the Alumni of Georgetown College be amended and that the revision be entrusted to a committee of five to be appointed by the Chair at the meeting next month. The resolution was adopted.

Dr. Washburn offered a preamble and resolution to the effect that a Committee be appointed to consult with committees of other Medical Societies and Organizations with a view of securing aid from Congress to establish a National Hospital in the District of Columbia.

This motion that a Committee be appointed from this Society was seconded by Dr. Woodbury who related the difficulty of obtaining admission for patients in hospitals under present regulations.

After some discussion as to the merits of the matter under consideration, it was agreed to postpone further action until some future meeting when a larger number of members should be present.

Reading of Essays to being in order Dr. Woodbury exhibited specimens recently perfected for introduction of medicines into the uterus, and related examples of successful treatment of diseases of that organ by the application of Nitric Acid.

The Secretary explained remarks made by him before the Medical Society of the District of Columbia which elicited an animated discussion regarding the uses of the instruments used commonly in surgery.

The Society adjourned at ten o'clock.
July 6, 1874

On account of inability to gain admission to the college building, a meeting of the Society was held at the office of Dr. John Walls.

Dr. Holman presided, and the members present were Dr. Lee, Dr. Waller, Dr. Holman, Dr. Walls, Dr. Watts, C. S. Booth, and the minutes of previous meeting read and approved.

Conducting Secretary reported the discussing for publication the papers on Aginc, Protein, anatomy, and before the Society.

The president appointed a Committee to revise the Constitution and By-Laws.

Dr. Ross, Dr. Lee, Dr. Holman, Dr. Walls.

Dr. Holman was obliged to decline the appointment as he was about to leave the city for a distant field of labor.

Dr. Watts was then appointed to supply the vacancy.

Dr. Lee moved that the Society without attempting further business, adjourn until the first Monday in September.

The motion was carried.

A meeting was called for the first Monday in September, 1875, for the same purpose.

Oct 5th, 1874

A meeting was held at the usual place with

Dr. Holman, president, in the chair.

Minutes of previous meeting read and accepted.

Dr. Lee came to state that it had been the custom of the Society to elect at the Oct. meeting an orator to represent the Alumni Society at the Commencement in the following March, and thought action in this matter should take precedence of any other business.

The president decided that an election of orator was in order, and Dr. Lee nominated for that...
position of Joseph Zahn Johnson. It was also moved
and seconded that the Dean cast the ballot for the
Society. There was no objection to this; it was an
unanimous vote and Dr. Johnson was declared duly elected.
The Corresponding Secretary was not present.
The Treasurer reported $21.86 in hand.
From the Committee appointed to revise the Constitution
and By-Laws Dr. Rose, as Chairman, presented a
report with some remarks and suggestions pertinent
to the subject.
One suggestion was to the effect that the Alumni
Society might have annual exercises independent
of the University Commencement at which time the
address of our Orator might be delivered, together
with other appropriate exercises, in some lecture room
or some other public hall.
The Committee also suggested the propriety of an
effort to obtain for the Alumni Society an opportunity
to deliver his oration during the first, instead of the
last, of the Commencement Exercises.
Mr. Rose then offered the following amendments:
Of the Constitution
1. Art. IV and wherever the word College occurs
substitute University.

Art. V Sec. 3 amendment adopted. (Of Regular meeting)

VI 1 (Of Executive Committee)

VII 2 (Of duties, Essay Contest)

IX 3 (Of annual prizes) rejected

Xth propose additional Act relating to Prize Committees
rejected.

Of By-Laws
Sec. 11 of Corresponding Secretary amendment adopted

14 Recording

Treasurer
By Lewis. Continued.

VIII. On a resolution. Apologies. 

VIII. Election of Delegates. Adopted. 

IX. Ordinance of Discipline. 

X. On expenses. Accepted. 

XI. Order of business. Adopted. 

XII. Of altering By-Laws. 

Dr. Butler moved that the entire report of the Committee be adopted. Carried. 

N. Murphy moved that a vote of thanks be tendered the Committee on revision of the Constitution be carried. 

Dr. O. erected that the Chair appoint a Committee of seven to ascertain the cost of printing the Constitution and By-Laws as revised. The motion was carried and Drs. Ross, Callanar, and Murphy were appointed. 

The Secretary stated that he had received instructions from reliable sources that a member of this Society, Dr. Edward C. Grant, was practicing Homœopathy. He moved that the matter be referred to the Executive Committee for such action and recommendation as seemed to them necessary. 

As a substitute for the above Dr. Trees moved that the name of Dr. Edward C. Grant be immediately dropped from the roll of membership of this Society. This motion was carried. 

Dr. Moore moved to reconsider the vote of, which the last motion was carried, and eloquently appealed to the Society that justice might be done this member who should not be so summarily dealt with, and given no opportunity of accounting for the charge preferred against him. 

Dr. Trees moved to long on the Table. The motion to reconsider was lost and thus the reconsideration proceeded.
Dr. Llewellen then moved that the Corresponding Secretary be directed to write a letter to Dr. Hoar requesting it to give information to the Society regarding the alleged adoption of rules in violation of the code of ethics adopted by the Society, and if, on requesting his reasons for such a course.

The motion was carried and the Society then adjourned.

Nov 2, 1874

A regular meeting was held at the usual place and hour by Dr. St. Clair presiding.

The following members were present: Dr. Losegno, Dr. McPherson, Dr. McPhee, Dr. Maxwell, Dr. McCallum, Dr. McCallum. Resolved: That the meeting was called and not adjourned.

The Corresponding Secretary reported having communicated with Dr. Hoar, a member of the Society, regarding a charge of immorality which Dr. Hoar made. The report confirmed the truth of charges made that he was an advocate and practitioner of misconduct.

Dr. Hoar moved that the matter relating to Dr. Llewellen be disposed of before the Society and that he be notified of the action of the Society.

The motion was carried without debate.

The Treasurer reported $25.00 in hand from fees and dues.

Report approved.

Dr. Rogers gave notice that the members were not authorized to print the Constitution in its present state, and that they should consult the Secretary.

Dr. Llewellen gave notice that they should proceed.
December 7, 1874

The regular meeting of the Society was held at the usual hour. The President, Dr. St. Clair, in the chair.

The following named members were present: Dr. Adams, Bond, Johnson, Mead, Murphy, Parsons, Rand, St. Clair, Tarkington, Welch, Woodbury, and Gibbs.

The minutes of the last meeting were read and approved.

On motion of Dr. Bond, the Society adjourned to Monday, Dec. 14, 1874, at which time the business adjourned for the 1st inst. will be transacted.

Thomas P. Gibb, M.D.,
Secretary

At the adjourned meeting, Dec. 14th, 1874, there being no one present who felt particularly interested in the object for which the meeting was called, no business of any was transacted.
At the meeting held on the first Monday in January, 1875, the Society adjourned until Feb 1st to enable members to attend the meeting of the Medical Society of the District of Columbia.

February 1st, 1875.

The regular meeting of this Society was called to order at the usual hour by the president Dr. J. O. Kellogg.

Sixteen members present.

The minutes of the previous meeting were read and accepted.

Dr. John Walter Jr. Corresponding Secretary was not present with a report.

Dr. J. H. Turckington, Treasurer reported as received since last meeting $1,000 expended in 500 Postal Cards and printing same 6.75.

Amount in hand 30. 60. Report accepted.

Report of Committee.

The Committee on Necrology, Dr. Eneas Betingburg, chairman reported resolutions of respect to the memory of our late associate and fellow member Dr. L. W. Smith deceased.

The resolutions were read by the Secretary and after amending the section relating to publication in the daily newspapers were adopted.

The amendment was made on motion of Dr. Magrath, in consequence of the length of time which had elapsed since the decease of Dr. Smith (Dec. 21, 1874). From the Committee appointed to obtain estimates in regard to printing the revised Constitution and By-laws—Dr. Hobbs Chairman—a request was.
made for more time and a suggestion that it might be well to defer action in this matter until further proposed changes are made or some final disposition of the subject is attained.

Dr. Rand then read an interesting paper on the subject of Electro-Therapeutics, which called forth many enquiries and elicited valuable information regarding the different electric currents and the use of this wonderful agent in combating with disease. At 9:45 the Society adjourned.

Thomas E. Gibbs M.D.
Secretary.

Whereas:
The alumni society of Georgetown Med. College has learned with profound regret of the death of an esteemed member, Dr. W. Smith M.D., and while yielding due reverence to the idea of the Almighty, we deem it proper to place on record a tribute of respect to the memory of our deceased brother.

Resolved
That the Society is called upon to mourn the loss of an associate; lament for his social qualities, respect for his courtesy, and honor for his condition.

Resolved
That our sympathy and sincere condolence is hereby tendered to his family, and a true, authentic, and copy of these resolutions be transmitted to the family of the deceased.

Resolved
That a copy of these resolutions
March 10th, 1878

The annual meeting of the Medical Society of the Alumni of Georgetown University was called to order at 9 o'clock P.M., by the President, Dr. F. O. St. Clair. Dr. Bottenger, Stuart, and Dr. H. Munner, were called to order, that as this was the annual meeting for election of officers, making the minutes of last meeting be displaced with. The motion was carried.

The president said that before proceeding to the regular business he wished to refer to the fact that the Annual Commencement of Georgetown University was near at hand, and the subject of what number of samples would contain a commencement address, had been asked by the printing committee of the senior class. He had promised to bring the matter to the attention of the Society. The Secretary also read a letter from the Committee requesting its information to also propose to place at the disposal of the Society, one page of the
Commencement pamphlet for names of officers to, Dr. Tier moved that a Committee consisting of the present President and Secretary of this Society be appointed to confer with the printing Committee to that they be authorized to draw from the treasury $20 with which to purchase 200 copies of the Commencement Pamphlet.

The motion was carried.

Subsequently the same Committee with the addition of Dr. Tier as Chairman was instructed to provide the matter for a page of the Commencement Pamphlet set apart for the use of this Society.

Dr. St. Clair also wished to state that he had been in conversation with Dr. J. B. Caldwell of Baltimore (a gentleman who has given the subject of Electro-Therapeutics special attention) with a view of arranging for a lecture from Dr. Caldwell before the Society.

The Doctor has expressed a willingness to present the subject of his special study to a Washington Audience under the auspices of this Alumni Medical Society, and it remains for us to decide as to the time. Dr. Bledsoe moved that Dr. Caldwell be invited to lecture before us on the 22d instant; he also accepted an Amendment that the lecture shall be announced by advertisement over the name of the President.
An address of the Society, in one or more newspapers, at least three insertions, it was expected, that the present President and Secretary, should form a committee to see that proper arrangements are made for the dinner reception.

The motion was seconded, and the President then announced that the Society would proceed to the regular business of the evening viz.; election of officers, and asked for nominations for President during the ensuing year.

Dr. For, nominated Dr. John Edsim Mason; Dr. Gills, nominated Dr. J. Saber Johnston; and Dr. Johnson nominated Dr. T. O. H. C. Dr. St. Clair declined the nomination with thanks. On the first ballot the following result was obtained: Dr. John E. Mason 6; Dr. J. Saber Johnston 5; Dr. T. O. H. C. St. Clair 1.

Necessary for a choice of the election, the second of these ballots was taken, but on the fourth ballot Dr. John E. Mason 12; Dr. J. Saber Johnston 11; Dr. T. O. H. C. St. Clair 1. Dr. Johnston was declared duly elected. Dr. St. Clair assisted the President to the Chair, introducing him with a few parting remarks. Dr. Johnston thanked the Society for the honor conferred upon him, and intimated that he would, at a future meeting, express himself upon more extended remarks. The next business in order.
was election of 1st Vice President. Dr. Theo. Nash was nominated and unanimously elected. For 2nd Vice President Dr. B.F. Allsaw was nominated and unanimously elected. For 3rd V.P. Dr. J. T. Fountain was nominated and unanimously elected. For 4th V.P. T.W. Tho. J. Gibbs was nominated and unanimously elected.

For Recording Secretary: T. Litle. Pettengill was unanimously elected. For Corresponding Secretary Dr. J. A. W. Bailey was nominated and unanimously elected. For Treasurer Dr. T. Fairlington Nominated Dr. M. J. Munnick + Dr. H. Clair Nominated Dr. J. A. Fairlington Nominated Dr. M. J. Munnick + Dr. H. Clair were nominated. Dr. M. J. Munnick was elected. J. J. Fountain were nominated. Dr. M. J. Munnick was elected. Dr. Fountain was elected. For Executive Committee: The following nominations were made: Dr. Munnick Zans, Ralph J.H. Waldb, H.O. St. Clair, John Edwin Mason, Walter C. Biscoe, Charles W. Torr.

Dr. Zans 10 votes Dr. Munnick 69 votes Dr. Waldb 8 votes Dr. St. Clair 10 votes. And these gentlemen were elected.
were duly elected.

The President made the following appointments: Committee on Science:
- Mr. Rob. E. Lloyd
- Mr. MacKercher
- John Walter Jr.

Committee on Necrology:
- Dr. Chas. F. Rand
- Jt. Baker
- Valentine McNally

The President suggested that it would be well for the Committee on
Necrology to make out a report each year, and he would be glad if
the Committee of last year would

under a report if practicable.

Dr. Mead moved that a vote of
thanks of this Society be tendered
Dr. F. O. St Clair, presiding officer
During the past year, for the able
and faithful manner in which
the duties of his office have
been performed, the motion was
Carried unanimously. Dr. Mead
moved that when the Society adjourn
it shall be to meet at the usual
place and hour (7 P.M.) on the
day following that on which
the commencement of the session are
held. Motion agreed to. Dr. Mead
moved that a Committee of three
be appointed by the Chair to look
Into consideration the subject of
the Social Meeting of Members of
this Society at a Season of
Neglected Customs. The motion was
Carried. Dr. Mead was appointed.
As Committee.
The society this afternoon, respectfully submitted:

Dr. Gibbs M.D.
Secretary.

College Building, Car. 1st & E Sts.
March 17th, 1875.

A special meeting of the Alumni of Georgetown University was held this evening at 7 1/2 o'clock P.M., President Dr. Macaulay, Parsons, Marcus, Books, Barker, Wagnen, Bond, Johnson, How, Gibbs, Helair, and Johnston.

The President, Dr. Johnson, called the meeting to order, and stated its object to the apprehension of having a meal. One of the Committee, Dr. Fredrickson, reported, that owing to domestic engagements, he had been prevented from giving the subject proper attention, the sea, stated that Dr. Torr, chairman of the Committee, being unavoidably detained from the meeting, resigned him to send, that in his opinion, it was inexpedient to have a supper. On motion of Dr. Helair, the Committee was continued, to report on the subject at a future meeting.

On motion of Dr. Gibbs, it was ordered that the master of the recent commencement receive 100 copies of his address, the remainder equally distributed among the members. Dr. Helair stated to the meeting that he had....
received a letter from Dr. Caldwell of Baltimore Md informing him that he would read a paper before the Society, subject, Electro-Therapeutics. Monday evening 22d. At our motion the society adjourned.

Chas. Bultiney

Secretary.

Dollar Building Apr. 6th. 1875.

The regular meeting of the society was held this evening at 8:30. Dr. John Johnson in the Chair. The following members were present: Dr. James, Hammick, Waldo, Rob. McCar, C. J. L. B. Compton, Mead, Tarkin, Mason & Magruder.

The minutes of February were read and approved, as also those of March. Upon the reading of the minutes of special meeting held March 28th they were corrected so as to read the Medical Society of the Alumni instead of the Alumni of Georgetown University.

Dr. Tarkin reported the treasurer of the society reported that he had been since last report $31. Expenses for commencement advertisements $20. Stationary $2. Advertisement $3.50. Printer $5. 50. Giving to the treasury a balance of $2. The committee on printing reported that 500 copies of by-laws would cost $15. 250 copies at $1.75. 500 copies $1.50. On motion, Dr. McCar, C. J. L. B. Compton, Mead were added to the committee on printing.

The subject of the paper was called up, and on motion it was ordered that the report be made at
the next meeting the Committee being instructed to report at what time the Annual Assessment shall be paid. The subject of a paper on electricity being read before the Society by a lady was indefinitely postponed. The President Dr. Jos. Tabor Johnston having called Dr. Mead to the Chair read the history of a case in which these capital electrostatic operations were performed upon an unaccompanied colored man from 19 years of age. Cura and Colventus continued from minutes of diagnosis until death a period of 20 hours and also this history of the invention and mode of operating with the Cranio-Elast by Brown in Vienna. He exhibited this instrument to the Society with plates showing the unmodified instrument as originally used by Dr. James Simpson. He also exhibited the curved trephine also the invention of Brown of Vienna for use in Cranio-Tomography. Compared it with the different forms of Scissors in such general use in this country for the perforation of the fornal cranium. He thought it a much more convenient and safe instrument than any which he had ever seen. There was no case known where it had slipped from the hand resisting head of inflicted injury upon the mental structure. The Dr. quoted from Provence Clinical...
lecture, in the Great Hospital of Vienna, which he had listened to concerning
the usefulness of the craniectomy
and stated that it had almost
entirely supplanted the craniotomy
operation. Crede then bluntly asked for
the removal of the perforated
Cranum in the largest hospital
in the world, Dr. Johnson read the
flattering opinions of Dr. Mende in
its favor. And the following outline
of Dr. Carl Rablansky, who has
written a paper analyzing 52-394
cases of confinement in Vienna, Carl
Braune Clinic during 10 years
and 3 months of his advice. As
Braune Assistant. Under the head
of Craniotomy, it is stated that 103
cases occurred. According to the
operation, the Asphalotome was
applied in 113 cases, with the
following results. The instrument
slipped off in 8 cases, 6 times it
became necessary to crush the
head in different directions. In
5 cases rupture of the cervix took
place, and in 3 cases of uterine
vaginal fistula ensued. Twice
it was found necessary to turn
the child after the impossibility
of extracting the perforated and
infected head with the Asphalotome.
Became apparent in 52 cases
the extraction of the child
was performed into the
cranium itself. And in no case did
any slipping of the instrument
Resume of Rotational

The application of the cranoclast

is possible in every defective of the

pilus, and is now attended by the
difficulties peculiar to the employment

of the cephalotrib in some cases.

It needs a much smaller field of

action than the cephalotrib, owing to its

absolutely smaller size, which is

diminished still more by the fact

that the solid blade is introduced

into the cranum cranii.

The action of the locking is
easy, because the lock always

remains internal to the sinus, and the
blade lying in the cavity of the
skull can be turned, pushed forward
or with drawn apressed, or elevated,
more or less at will, whereby it
is easy to bring one portion of the
lock into the room plane and close
to the other, and effect the locking

with the cranoclast more safe, and

Consequently is a most excellent

instrument for extraction.

It is equally reliable with the

feeling, as into the succeeding head,
in which latter case it surpasses a

firm hold of the basis cranii.

Injuries to the Glutaeal forever, do
not occur after

It can be extended much sooner than
the cephalotrib to the hands of a
but moderately helpful. Dr. Johnson in conclusion hoped that
members of the society who had
this terrible operation to perform, would
avoid themselves of what he
considered a very great improvement
in our brain-storming instruments.
On motion the society adjourned.

Charles B. Burton.

College Building.
March 3rd, 1875.

The regular meeting of the society was
held this evening at 8 o'clock. Dr. Jos.
Taber Johnson in the chair. The
following members were present:
Dr. Mason, Stratton, Gilis, Brooks,
Jefferson, Le Compte, Mead, Walsh,
Raut, Barker, Wagoner, Allen,
Keen, Woodbury, and W. C. Canley.

Minutes last meeting read and
approved. Dr. Mead member of
Committee on Printing & Annual
Assessment reported: That he had
not been informed of any meeting
of said Committee and therefore
had no report to make. Dr.
Kneass who was appointed
to read a paper before the Society
was not present. Dr. Johnson
proposed for discussion the merits
of quinidine during which it
appeared that it had been used
with success in neuralgia, renal
headache, vomiting in pregnancy,
when administering in powder or
sheet, especially in cases of
vomiting from nausea. Dr. Johnson
gave an account of an
operation for the removal of
a pessary in connection with
Dr. Motttugh. This led to a
discussion as to the best
method of relieving a patient
under such disability as well
as palatable priests. Est. Est
Canadensis was reported as
effectual in some cases of
the female. Care being taken
to avoid staining the clothes.
Rupt. June was also recom-
medated for some cases. A
male 29 yrs. 7 ft 3 in. Inquire was
made as to the best remedy
for night pains. Dr. Woodbury
stated that the active principle
of American Balsam was
sufficient. Dr. Watch mentions
Koumio. Dr. Mead stated to
used Koumio in Dyspepsia
with marked effect. On
motion the society adjourned.

[Signature]
Colleg. Building

June 7th 1875

The regular meeting of the Society was held this evening at 8 o'clock. Dr. John
Dyer Johnson, the Chair. The following members were present:

Drs. Milton, Col. Magruder, Meade,
Kleindschmidt, and Gibbs. The
minutes of last meeting read and
approved. Dr. Dyer asked for a
grant of further time on which
a report was made on an essay
written at this time. Our motion it
was resolved to accept. The audience
by law so as to read that the
annual assessment be made on
the first of March. Dr. Kleindschmidt
told the Society that he,

entertained the Society with an
interesting paper on the radical
cure of hydrocele, showing a
specimen of a testicle and tunica
vaginalis testis which had
been removed from the last
case. Dr. James Johnson spoke
of a case where the scrotum
was hard but no fluctuation
was perceptible, but on inserting a
hypodermic syringe discovered
fluid. Dr. Dyer asked the aged, in regard
to the risks of life, whether to operate on the
subsequent short period of life.

Also whether to operate or try
The Hi. Lachene injection first Dr. Klesenmiknot thought it was justifiable where it recommended the patient from his ordinary occupation, that Lachene was 189 at first, he leaves about 1/2 in. & then kneads the serum, so that it may reach all over the surface it was intended for. Dr. Mead stated that Lachene of Europe condensed kneading, and his treatment is to insert a needle - remove the fluid, and inject hot remedy to erect inflammation without removing the needle - Dr. Klesenmiknot think the idea of the admission of air doing so much harm is overrated. Dr. Magnan described a case in which a Lachene was inserted which produced high inflammation. He also spoke of the efficacy of Olate of Mercury in reducing congenital proportion. Dr. Mead stated that in acute cases he used with success strapping, bulla in, blue oil & 20% solution, I was not. But had never seen any advantage in Olate of Mercury. Dr. Magnan cited a case of dyspnosis which he had tried every thing & Olate of Mercury acted like a charm, also in Bubo.
Dr. Rieh moved to close the debate.
Then moved that Dr. Kleinschmidt be asked to the Society an account of his treatment of a lute bite.
A young man was bitten on the hand by a Copperhead. He saw him 7 hours after. His arm was swollen & black. Blins pupils widely dilated. Complete prostration. Sensation present. In extreme degree when any thing was taken. Gave him hypo-
acnic injection of whiskey. Which quieted his stomach. Then they gave him whiskey ad libitum, which he retained. Suckled the place of the bite, which cut dry, not a drop of blood came out, ordered hot poultice to encourage bleeding. Very poor. It continued to bleed. Which they encouraged for half an hour, then put the arm in lint soaked with Sulf. Magn. The arm bleed through the night. Very thirsty. Drank glasses of water after glass.
Next day gave him 3 grs of Quinine every 3 hours. 4 grs of Mophap as a soporific. Bowels regulated with Magnesia.
Arm in the mean time burned completely yellow.
The recovery—Dr. Kleinschmidt said not thinks that whiskey is an antidesis but only sustains life.
till that is over Dr. Mead stated that he had lived in a rattlesnake country and they gave whiskey till the patient got drunk. If they can make the party drunk he is safe other wise doubtful. Dr. Mason stated that the men of Arizona, California and the gold mining region generally carry an antidote with them which is whiskey and when bitten by a snake they immediately suck the wound and drink whiskey as much as two quarts. Dr. Klemoch said that Albemarle comes out in the Connecticut Review. In Gimneson's practice they say that it has some effect on the coat of the mussels so as to let it escape. Mitchell's theory was that it made the blood move faster. Thanks of the Society were extended to Dr. Klemoch for his able paper. On motion the Society adjourned.

Note: At a meeting of the Medical Society of the Alumni of Georgetown University last night at the college building, an interesting paper was read by Dr. Klemoch on the radical care of hydrocele.
The regular meeting of the Society was held this evening at Sick's Desk.

The following members were present:

Long, Beal, Brown, Colean, Mason, Magnuson, Kop, Daily, Pucks, Weitz, and Rand. The minutes of the last meeting,
Corrected and approved, Nominations next,
In order St. Mason nominated Mr. L. Davis. He was refused by the executive committee, Mr. Weitz, the secretary had written to call that meeting in early August, to discuss to the inquiry of St. Beal of what authority the secretary had written to call the meeting of the Society during the month of July,
August. The secretary said that in July, the day of the meeting full upon a public holiday and in August a large number of the members were absent from the city and asked for indulgence for the society for the omission.

Mr. Reed stated that it was his honorable duty to announce the death of St. Beale. A Committee of three was appointed by the president to draft a resolution in respect to the services and character of the deceased, Mr. Reed, Chairman of the Committee.
present. Dr. Johnston, appointed Dr. Rand, Dr. Partridge, Dr. Mann. These being out for professional business, asked the president to appoint one of his classmates. Dr. Mason took his place.

A communication from Dr. Murphy to the President was read stating his inability to be present that evening as announced, but would be ready without fail 1st Monday in October. The Committee on Monday being present read, Dr. Rand read as follows:

Whereas, the members of the medical society of the alumni of Yale University have heard with deep regret of the death of their late proposed associate Dr. Seymour B. Le Compte, and recognizing the propriety of giving expression to the esteem in which he was held by his associates and their sorrow for his loss to them, this profession.

The Community, Resolved — That in the invision of divine providence, the society has lost one of its original founders, the profession a faithful member and his college an associate a devoted and beloved

Resolved — That we tender to the family of the deceased our sincerest condolences, and heart felt sympathy in their bereavement.

With the assurance that his memory will ever endure among us.

Resolved — That a copy of these
resolution be forwarded to his family that they be also recorded on the minutes of the Society. B. F. Rand, B. M. Mor. Ed. Mason.

D. Roff spoke as follows. I am last Mr. President to let this occasion pass without a few words of tribute to the late D. LeCompte. In looking over the professional arena, we note the While heads then then we are accustomed to look to such for guidance and advice, to others and their career and experience, administra...t. Sometimes venerating, we know for when the God must be near, that from their accustomed walk, we shall soon miss them. Such will and frequency has been our experience. Lastly, though wise, we expect, is we are not the less conscious by these departure. How more than surprising, how startling them in the death of one of our own age who began the fight with us, who labored and struggled with us, aid by aid of whom life and activity might have been safely predicted (as we thought) for many years. I know D. LeCompte but slightly and so can only speak of the few memories which rise in minds without our preparation. My first meeting with him was in the Old College Building C-127. I recall distinctly the room in which the cat one day flew away from some students, I will not easily forget that when almost an entire group of us was able to join me frequently friends and greeting, the December of his life...
him present are but all to speak of his professional attainments than to them I leave this duty. The oft in contact with him during College days our meetings since have been rare, but when they did occur the same pleasant genial manner was there yet I was always impressed by his jovial way of dealing with the trials of professional life. Once one occasion I remember having talked in question the conduct of an Argentinian in a careless casual way when I was surprised to hear him lapse into a solemn, grave and serious manner of speaking usual with him enter upon upon a serious but temperate defense of the person alluded to which afterwards I found to be at least partly justified by the fact a change in his manner of appearance which I noticed a year or more since. And I never knew any reason for it may have been a warning and foreboding of his sudden demise. Mr. Mason remarked that he was a classmate of his there were 18 who entered and 47 of that number graduated, largest class that was graduated south of Philadelphia. Remembered his bright face as if it were to-day.
just as a Casimati in 1865, looking so bright and cheerful, that his face seemed pure like apples of gold in pictures of silvery.
Of the success of his practice little is known. Two of his 47 graduates have passed away. One of them is Dr. G. A. Fitch, who has Pneumonia. One by one they pass away. Let us all remember to live so that each in greeting may truly say of us for those who know us, love us for those who know us and for those who love us, and for the heaven that smiles above us.

And wait the Spirit too! For the Cause that needs assistance.

For the wrongs that need assistance.

And the good that I can do. I live to help that reason by gifted minds to hold

Then new checks rule by reason and not alone by gold.

When man to man united, the every wrong thing righted.

The whole world shall be lighted as Eden was of old.

On motion Society adjourned.

Chas. E. Butterfield.
The regular Monthly Meeting of the Medical Society of the Academic Year of M.D. 1875, was called to order at the usual hour, the President, T. W. M. Wood in the chair and Dr. Reynolds in the second chair. The roll of the following members was taken, viz., Dr. Armstrong, Berkhe, J. R., M. D. C. 1854, Dr. K. R. F. 1859, Dr. W. H. Reynolds, Dr. W. H. Reynolds, and Dr. J. A. Amster.

The order of the evening and the last regular meeting were read, corrected, and adopted.

Dr. W. H. Reynolds, treasurer, reported that the treasurer had met the last meeting and received for membership fees, and dues, and that the balance due, he trustees, for 1896, had been turned over.

The Cor. Secty. stated that he had obtained the seal of the society, and that he would notify of once the necessity of electing officers of the society.

The librarian was consul.

Dr. Moses Cooper and Dr. J. W. Waterman were nominated as candidates for membership, and having paid the initiation fee their names were referred to the Executive Committee. Dr. Mason on behalf of the Executive Committee proposed the names of Dr. M. B. W. Dr. F. B. Boardman and F. C. Harvey. They were balloted for unanimously elected. The society acting the vote of the society.
On motion of E. P. Thorne the Secretary directed to publish his notice of the meeting on the Friday preceding to the night of meeting instead of Saturday as was proposed.

Dr. W. Announced the death of Dr. Chris F. Niles and after delivering a beautiful oration to his memory moved that the Committee on Necrology be instructed to report at the next meeting of the Society suitable resolutions of respect.
As the chairman of the Court, the Annual Supper was not present. Dr. Mayer of the Club asked that a report be read later in the evening, as he thought Dr. Welsh would have some trouble with the $2,000 grant.

The President presented the Society with gifts of medical scientific works, all the titles of which are catalogued. The President also presented a list of the Society's works, including those of the late Dr. Welch. The books were read with much interest.

On motion of Dr. King, the corset was directed for the use of the society to write a paper for the Society's library, which is furnished with a copy of the History of the War of the Rebellion, to the Chief of the Bureau of Medical Services, for his last report.

Medical cases of uncommon interest, Dr. Magnier and the author's papers on a bullet wound in the order, were portions of the right half of the body about an inch above a line drawn horizontally through the hip bones. As the time has run apparently no harm was caused to the patient. Some perfect convulsions a short time afterwards, however, the embalming of great pain in the neck, was removed, with some ease.
itching but no blood could be seen. Pulse 92. Conversation
good. Her appearance a little more excellent. But
deadly after having her head tilted for water. She sat
up, faintly. Her constipation and nausea. Fainted
pulse 88. Dr. Sturgis ordered castor oil. Also ordered an
alcohol mixture. The constipation continued. nausea
improved. Fainted pulse 88. Dr. Sturgis ordered castor
oil. Also improved. But nausea remained. Fainted
pulse 88. Dr. Sturgis ordered castor oil. Also improved.
But nausea remained for the duration of the

The next day, July 24th the race never quick slept over
half hours but intermitting complaints of gaseous pain in
right
region. Tendon reflex in right thigh pulse 140. Continue
to pitch Morphine. Accelerated pulse applications to
abdomen. Fainted pulse quick ordered - on the 25th the race
ever slept during night, pulse 110. Dr. Sturgis ordered

but she was not called. Much pain abdominal soft. Not
to understand. Tendon reflex right thigh pulse 120. Faint
of morphine.

was ordered to be used later at once. She was annoyed
with the usual amount of heat from bowel. Bowel movements
are frequent but in small quantity. Put down to be given instead of
morphine. Also, female menstruation to begin. The menopause began
improving on the 28th of July, while the head before the

smelling became quite troublesome and also diarrhoea.

In addition to the male, being aged ordered cough milk
with 39fts of snuff. okie. in a March manner whenever
bowels are troubled. Pulse 92. Dr. Sturgis ordered
red wine and made on the 3rd. was sufficiently well to
return to his home in Bath. Since which time the bowel
had a little less frequency except occasional attack of

pain in lumbar region of the right thigh.
Dr. The practice of the imprudence of using the people in wounds of the abdomen &c. a few remarks showed that the finger was generally the only proper probe for wounds &c. used. Dr. Brooks & several other practitioners cited cases of gun shot wounds with civil military practice, with their various modes of treatment.

In the course of the address:

Dr. Mason reported on behalf of the Core of Appointed Lectors arrangements for the Annual Banquet that he had visited different cutters of the city and that those on the 13th would furnish for 9th plate the bill of sale of one for the supper. The bill of sale he would furnish was used & after Dr. M. promised that what added it was adopted that he would furnish the supper. On motion of the faculty the receipts were paid in full & the expenses. On motion of Dr. Magnader the evening of the 14th was selected as the time for the supper.

At 6:10 o'clock P.M. in motion of Dr. Magnader, the Society adjourned.

W.L. Reynolds, Secretary.
College Building
April 3rd, 76.

As a gunner was not present, the evening being very disagreeable, the regular meeting of the Society was not held.

The Special Meeting of the Society, called for this evening was not held, no gunner being present.

W.R. Reynolds
Sect'y.
College Building
Oct. 4th 1875

The regular meeting of the society was held this evening at half past seven
by Prof. Sabo Johnson in the chair.
The following members were present:
Dr. Dallas, Mr. D. J. Jamison,
Mr. L. H. Mabey, Mr. C. H. W. Murphy,
Mr. H. W. Miller, Mr. A. C. Moore,
Mr. W. W. Partridge, Mr. W. D. Partridge,
Mr. W. P. J. Reid, Mr. W. W. Walker,
Mr. W. W. Walker.

Mr. Walker presented the following report:

There are due the society for assessments made prior to 1876 $75.00 and for dues for the present year $50.00. There are 23 members who have not paid their dues for 2 or more years, four of whom have neglected to pay for 1 or more years; and 14 have not paid for 5 years.

Dr. W. H. Mabey moved that all delinquents be notified by the treasurer of the society, and that the dues of the members be paid by the 15th of March 1876. And if not paid, their services to be suspended. West business in order to secure election for water.

Mr. N. T. H. Murphy was appointed to supply April's report. Mr. E. J. Walker was appointed to supply May's report.

Mr. J. E. Johnson moved to have a meeting for the purpose of adjourning to the
When more above to listen to Dr. R. Oppen. Lecture to the
students. Dr. M'rphy read a paper on typhus fever
which after reviewing the various opinions of the old authors on Child led from
the facts given the more recently accepted idea that typhus fever
had its origin in the decomposing animal material introduced into the system through
the lungs or lymphatics, either from the putrescence of herself or
from the attendant. Dr. St. Quirard's quoted at length from
a recent monograph of Dr. R. B. of London, and finished
his lecture with the following propositions which he deduced
from the best authorities on the subject as well as his own
personal experience:

1st. That the primary cause of typhus fever arises from the absorption of decomposing
animal material:

2nd. That the poison has its origin in the decomposition of animal material
from within or is introduced into the
system through abrasion of surface:

3rd. That the form which the disease assumes is dependent on the
Quantity absorbed or in other words the symptoms and lesions are proportional to the virulence of the poison.

Dr. Rand moved that the discussion on Dr. Murphy's paper be adjourned next month. On motion society adjourned.

An interesting meeting of the Medical society of the alumni of Georgetown University took place last evening at the college building and the consideration of the subject of last meeting—Papieral Reproduction—was resumed, and elicited considerable discussion.
