Re: Barringer Research, Inc.

Dear Mr. Schnell:

This is in response to your letter of April 18, 1973 concerning the application of Rule 144(e)(3)(F) under the Securities Act of 1933 to sales of Barringer Research, Inc. ("Barringer") stock under Rule 144 by Messrs. Barringer and Clews, both of whom are officers, directors and persons who may be deemed to be affiliates of Barringer.

The fact that both persons are officers or affiliates of the issuer does not necessarily require the aggregation of the shares sold by each person pursuant to Rule 144(e)(3)(F), provided that these persons do not agree to, or in fact act in concert for the purpose of selling their securities. Whether the activities of such persons constitute acting in concert is a factual matter, the resolution of which must be the responsibility of the issuer and the parties involved because of their access to the information necessary to make such a determination.

Sincerely yours,

William E. Rooney
 Assistant Chief Counsel
