Re: Automated Medical Laboratories, Inc.

Dear Mr. Weiss:

This is in response to your letter of May 9, 1975, in which you ask whether you can use weekly over-the-counter volume figures in computing the volume limitation of Rule 144(e)(1)(A) under the Securities Act of 1933 ("the Act"), for the purpose of selling restricted shares of stock in the above-referenced corporation ("Automated") pursuant to Rule 144 under the Act.

On September 11, 1975 the Commission announced that it had adopted an amendment to Rule 144 affecting the computation of the volume limitation on sales thereunder, a copy of which is enclosed.

In accordance with the provisions of the amended Rule, you may use the weekly trading volume of Automated on the Boston Stock Exchange plus the NASDAQ weekly trading volume in computing the volume limitation for sales of shares of Automated under Rule 144.

Sincerely,

William E. Toomey  
 Assistant Chief Counsel
